Avery's plan? Snag her crush's attention, by any means necessary. She gets someone's attention, all right, it's just...the wrong brother. The plan... Avery's not a fan of unrequited love. This crush on Alex Luven? It's gotten old. She's over it. In fact, this hopeless romantic is finally ready to take matters into her own hands, and the first step is to find some common ground. A mutual activity they can bond over, perhaps. When their health class teacher pairs them up to take care of the "health baby" for a week, she knows the universe is on her side. True love for the win! What better way to bond than over their precious fake baby? The reality... This is no ordinary baby. It's a demon in disguise. Surely real babies never cry this much. The stupid doll keeps her up all night and drives her crazy with its neediness all day, and the worst part? Alex is a total flake. When exhaustion reaches critical mass, she caves. If he won't answer his phone, then there's nothing for it but to show up at Alex's door. Except the hottie who answers the door? Yeah...this bad boy is definitely not Alex. The brother... Cristian's not exactly excited to be at his family home on his college break. His father's an overbearing tyrant, his brother is an egomaniacal jerk, and now... Well, now it seems he's babysitting his perfect brother's fake baby and kissing the girl of his dreams. So, not all bad then...right? Except that the girl of his dreams has a crush on his Prince Charming brother.

The Word for Woman Is Wilderness Abi Andrews 2019-03-19 THE OFFICIAL NORTH AMERICAN EDITION "Beguiling, audacious... rises to its own challenges in engaging intellectually as well as wholeheartedly with its questions about gender, genre and the concept of wilderness. The novel displays wide reading, clever writing and amusing dialogue." —The Guardian This is a new kind of nature writing — one that crosses fiction with science writing and puts gender politics at the center of the landscape. Erin, a 19-year-old girl from middle England, is travelling to Alaska on a journey that takes her through Iceland, Greenland, and across Canada. She is making a documentary about how men are allowed to express this kind of individualism and personal freedom more than women are, based on masculinist ideas of survivalism and the shunning of society: the "Mountain Man." She plans to culminate her journey with an experiment: living in a cabin in the Alaskan wilderness, a la Thoreau, to explore it from a feminist perspective. The book is a fictional time capsule curated by Erin, comprising of personal narrative, fact, anecdote, images and maps, on subjects as diverse as The Golden Records, Voyager

The Guyde Howie Reith 2016-11-19 *The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology

Downloaded from
legacy.opendemocracy.net
on 2023-05-06 by guest

Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Spanish Love Deception Elena Armas 2022-02-08 A wedding.

A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

The Charisma Myth Olivia Fox Cabane 2013-03-26 What if charisma could be taught? The charisma myth is the idea that charisma is a fundamental, inborn quality—you either have it (Bill Clinton, Steve Jobs, Oprah) or you don't. But that's simply not true, as Olivia Fox Cabane reveals. Charismatic behaviors can be learned and perfected by anyone. Drawing on techniques she originally developed for Harvard and MIT, Cabane breaks charisma down into its components. Becoming more charismatic doesn't mean transforming your fundamental personality. It's about adopting a series of specific practices that fit in with the personality you already have. The Charisma Myth shows you how to become more influential, more persuasive, and more inspiring.
