Percy Jackson and the Singer of Apollo - Rick Riordan 2018-06-28

When the god Apollo asks for a favour, it's never going to be straightforward. Percy Jackson is celebrating Grover's birthday when Apollo turns up. He's due to perform in front of the other gods on Mount Olympus but one of his four beautiful celestial singers is missing. Percy sets off to bring her back, but the rogue celestial has sniffed her shot at a solo career and is holding up Broadway. With the bright lights of Times Square in the background, it's a showdown to remember for Percy - can he find a way to capture her and return her to Apollo in time?

Ever the Hero - Darby Harn 2020-01-18

Superheroes are big business. Imagine not being able to afford them. Kit Baldwin just wants to make rent. The only work she can find in the ruins of her devastated city is scavenging for alien technology. When she finds a powerful alien weapon, her discovery pays off more than she could have hoped: it draws the attention of the most powerful of the superhuman Empowered, Valene. Valene hears everything, everywhere. She suffers for it, and as they begin a precipitous romance, Kit believes she can use the weapon she's scavenged to mitigate Valene's pain. If she can't, Valene will retreat to the soundlessness of space. Without Valene's compassion, the stricken city is left to the mercy of Valene's ruthless father, who denies the assistance the city needs unless it can pay for it. As Valene's condition worsens, Kit becomes more desperate and unleashes the full power of the alien weapon. In an instant, she is transformed into a being of cosmic power. She can acquire the knowledge and energy of anything - or anyone - she touches.

Wonder Woman - Landry Quinn Walker 2017

A guide to the world of Wonder Woman includes seventy-five years of iconic characters, major story arcs, and key issues, along with information on locations, enemies, and allies.

The Legend of Wonder Woman Vol. 1: Origins - Renae De Liz 2016-12-13

THE BEGINNING OF A LEGEND! On the hidden island of Themyscira, the Amazons, led by Queen Hippolyta, live in a kingdom of peace, protected by the gods. But the balance is upset when Hippolyta is granted what no immortal may have: a child, given life from the clay of the island. She is the princess Diana, who alone can sense the evil that is infesting the Amazon's home. But when a man from the outside world is brought to Themyscira as part of a conspiracy to overthrow its queen, Diana will risk everything to save his innocent life...and lose everything in the process. Soon, the Amazon princess finds herself in a world she never knew existed—America, a land of untold wonders that also finds itself threatened by a great war abroad. In order to get back home, Diana and her new friends Steve Trevor and Etta Candy must head into the war zone and find the Nazi agent known as the Duke of Deception, who wields a powerful artifact that belongs to Hippolyta. And in order to defeat this powerful enemy, the princess of peace must become the hero she was meant to be. She must become Wonder Woman! With gorgeous art, a period setting and contemporary flair, writer/artist Renae De Liz (THE LAST UNICORN), with help from artist Ray Dillon (NOBLE CAUSES), stunningly retells the origin of the greatest superheroine the world has ever known! Collects THE LEGEND OF WONDER WOMAN digital chapters #1-27.

Wonder Woman (1942-) #1 - William Moulton Marston 2016-10-18

Learn the secret origin of Wonder Woman—how she was created and how she became the Amazons' champion in Man's World! Includes four stories starring the Amazon Princess, written by Wonder Woman creator William Moulton Marston.

Never Was. . . - Eddie Newton 2001-11-30

There nEver was a sunset so sumptuous as the first, when creation birthed the grand fire that dashed its light out upon the solar system, exploding into a brilliant blue across Earth's vast sky. There nEver was a girl so pretty and perfect as the girl next door, who would thief your heart with a stolen glance and make you dream of angels and futures and love found in your very own backyard. There nEver was a peach, so ripe and full of juices that the mound positively erupted in your mouth, overtaking every sense until you were slave to each bite, and all that was and ever would be again was that fuzzy fruit. There nEver was a day so perfect that you would enjoy every second, savor each moment as if time itself were joy unbound,

and to reach the midnight hour and the closing of the day would be like unto death itself. There nEver was a love so grand that it defeated all time and space, not bound by the laws of physics but transcending all rules and crushing them under love's heel, defining its grandness by mocking all the barriers of science and faith, existing not only forever, but beyond even the meek words that bind its August majesty. There nEver was a tale told as thus . . .

Dc Versus Marvel - Ron Marz 2010-04

Presenting the long-contested face-off between the powerhouses of comics, we find heroes and villains crossing over from each dimension into the other and celestial beings begin a strange and deadly cosmic chess game to determine which universe is more powerful.

Wonder Woman (2016-) #753 - Steve Orlando 2020-03-11

After a tumultuous start to their relationship, Wonder Woman and the ferocious warrior known as Valda have agreed to put their differences aside to hunt a mythical beast determined to destroy Boston. Now it's a race against time to save the city and complete Valda's quest. Meanwhile, Warmaster has set her sights on the final member of her team hellbent on revenge...Genocide! Does Wonder Woman stand a chance against her former ally's growing army?

The 10 Cent War - Trischa Goodnow 2017-01-20

Contributions by Derek T. Buescher, Travis L. Cox, Trischa Goodnow, Jon Judy, John R. Katsion, James J. Kimble, Christina M. Knopf, Steven E. Martin, Brad Palmer, Elliott Sawyer, Deborah Clark Vance, David E. Wilt, and Zou Yizheng One of the most overlooked aspects of the Allied war effort involved a surprising initiative--comic book propaganda. Even before Pearl Harbor, the comic book industry enlisted its formidable army of artists, writers, and editors to dramatize the conflict for readers of every age and interest. Comic book superheroes and everyday characters modeled positive behaviors and encouraged readers to keep scrapping. Ultimately, those characters proved to be persuasive icons in the war's most colorful and indelible propaganda campaign. The 10 Cent War presents a riveting analysis of how different types of comic books and comic book characters supplied reasons and means to support the war. The contributors demonstrate that, free of government control, these appeals produced this overall imperative. The book discusses the role of such major characters as Superman, Wonder Woman, and Uncle Sam along with a host of such minor characters as kid gangs and superhero sidekicks. It even considers novelty and small presses, providing a well-rounded look at the many ways that comic books served as popular propaganda.

Captain America - Ed Brubaker 2020-03-18

Collects Captain America (2004) #1-9, 11-14. Continuing the series of graphic novels handpicked by Marvel Editorial to showcase pivotal story lines written and drawn by some of Marvel's most acclaimed creators! The instant-classic saga that brought Bucky Barnes back from the dead! The shocking murder of the Red Skull leaves an unfinished Cosmic Cube at large! Adding to the imminent danger, a cadre of the Skull's followers sets in motion a plan to ignite bombs in the hearts of Paris, London and Manhattan! Racing against the rapidly ticking clock, the Star-Spangled Avenger must not only solve the mystery of his nemesis' murder, but also find the Cube before it can be used to rewrite reality! But who is the Winter Soldier — a lethal killer with an all-too-familiar face? The questions plaguing Captain America's dreams are answered in the most brutal way possible, tearing open old wounds and threatening to carve new scars that will never heal!

Comic Book Nation - Bradford W. Wright 2003-10-17

A history of comic books from the 1930s to 9/11.

Captain America/Black Panther - Marvel Comics 2016-03-24

Collects Captain America/Black Panther: Flags of our Fathers #1-4. For the first time ever, see the full story of the first meeting of Captain America and the Black Panther! It's a World War II adventure featuring a young Steve Rogers, the Black Panther and Nick Fury and his Howling Commandos in combat with the nastiest Nazi villains in the Marvel Universe!

Wonder Woman Psychology - Travis Langley 2017

What can we learn about human psychology from a superhero who is mentally healthy? This compendium of 20 essays offers a fascinating analysis of the psychology behind one of the world's most famous

superheroes-Wonder Woman-and looks at the controversial psychologist who created her. Seek the truth! Book jacket.

Captain America: The Ghost Army (Original Graphic Novel) - Alan Gratz 2023-01-03

#1 New York Times bestselling author Alan Gratz delivers an all-new, original Captain America graphic novel! In this thrilling historical adventure, 18 year-old Steve Rogers (AKA Captain America) and his young sidekick, Bucky Barnes are fighting in WWII when they encounter a threat like none they've ever seen -- a Ghost Army. The dead of this war and wars past are coming back to life, impervious to bullets, flames, or anything else the Allies can throw at them. The armies rise from the ground in the night and seem to disappear without a trace. How can Cap and Buck fight something that's already dead? And just what does the mysterious Baron Mordo, sitting in his castle atop nearby Wundagore Mountain have to do with this? Award-winning, New York Times bestselling author Alan Gratz (Refugee, Ground Zero) merges the worlds of historical fiction and super hero comics in this one-of-a-kind graphic novel that is sure to be met with major enthusiasm from fans of all ages.

The Secret History of Wonder Woman - Jill Lepore 2014-12-04

A riveting work of historical detection, revealing that the origins of one of the world's most iconic Superheroes hides within it a fascinating family story — and a crucial history of twentieth-century feminism. Wonder Woman, created in 1941, is the most popular female superhero of all time. Aside from Superman and Batman, no superhero has lasted as long or commanded so vast and wildly passionate a following. Like every other superhero, Wonder Woman has a secret identity. Unlike every other superhero, she also has a secret history. Harvard historian and New Yorker staff writer Jill Lepore has uncovered an astonishing trove of documents, including the never-before-seen private papers of William Moulton Marston, Wonder Woman's creator. Beginning in his undergraduate years at Harvard, Marston was influenced by early suffragists and feminists, starting with Emmeline Pankhurst, who was banned from speaking on campus in 1911, when Marston was a freshman. In the 1920s, Marston and his wife, Sadie Elizabeth Holloway, brought into their home Olive Byrne, the niece of Margaret Sanger, one of the most influential feminists of the twentieth century. The Marston family story is a tale of drama, intrigue, and irony. In the 1930s, Marston and Byrne wrote a regular column for Family Circle celebrating conventional family life, even as they themselves pursued lives of extraordinary nonconformity. Marston, internationally known as an expert on truth — he invented the lie detector test — lived a life of secrets, only to spill them on the pages of Wonder Woman. The Secret History of Wonder Woman is a tour de force of intellectual and cultural history. Wonder Woman, Lepore argues, is the missing link in the history of the struggle for

women's rights — a chain of events that begins with the women's suffrage campaigns of the early 1900s and ends with the troubled place of feminism a century later. PRAISE FOR JILL LEPORE 'Few historians handle weirdness as deftly or thoughtfully as Lepore ... [Her] brilliance lies in knowing what to do with the material she has. In her hands, the Wonder Woman story unpacks not only a new cultural history of feminism, but a theory of history as well.' The New York Times Book Review 'Ms Lepore's lively, surprising and occasionally salacious history is far more than the story of a comic strip. The author, a professor of history at Harvard, places Wonder Woman squarely in the story of women's rights in America — a cycle of rights won, lost and endlessly fought for again ... Her superb narrative brings that history vividly into the present, weaving individual lives into the sweeping changes of the century.' The Wall Street Journal *The New Frontier* - Darwyn Cooke 2015

Writer/illustrator Darwyn Cooke's critically acclaimed masterpiece DC: THE NEW FRONTIER is celebrated in this new edition featuring story pages, detailed annotations, alternate sequences and an extensive gallery of sketches, pinups, action figure art and much more! In the 1950s, Cold War paranoia has resulted in the mystery men of the Golden Age being outlaws. Stalwarts such as Batman, Superman and Wonder Woman continued to fight for truth and justice, but as the world hurtles toward an uncertain future, it would take a new breed of hero to define the American Way. DC: THE NEW FRONTIER takes readers on an epic journey from the end of the Golden Age of heroes to the beginnings of the legendary Justice League of America. For the first time, DC collects the entire epic DC: THE NEW FRONTIER in a single collection, along with sketch and background material from the absolute edition. Collects DC: THE NEW FRONTIER #1-6, JUSTICE LEAGUE: THE NEW FRONTIER SPECIAL #1 and material from ABSOLUTE DC: THE NEW FRONTIER.

Wonder Woman Tiara Bracelet and Illustrated Book - Matthew Manning 2015-12-22

Channel the power of Wonder Woman with your own tiara bracelet! Kit includes: Wonder Woman cast iron cuff bracelet (size adjustable) 32-page book on Wonder Woman with full-color illustrations throughout

DC Versus Marvel Comics - Ron Marz 1996

Written by Ron Marz and Peter David; Art by various Imagine if Coke and Pepsi got together and let consumers decide who would win in a fight. That's exactly what happened when the two biggest comic book publishers, DC Comics and Marvel Comics decided to write an epic story in which their legendary characters would not only interact and battle, but the fans would decide who would win those wars. See who triumphs when Superman takes on the Hulk, Spider-Man goes up against Superboy, Batman fights Captain America, Wolverine battles Lobo, Wonder Woman faces off against Storm, and the Silver Surfer brawls with Green Lantern.
