Straight Talk with Your Kids About Sex -

Josh McDowell 2012-10-01

In Straight Talk with Your Kids About Sex, Josh and Dottie McDowell draw on their decades-long love and concern for youth. Building on the “Why True Love Waits” campaign and utilizing up-to-the-minute research from Josh’s “The Bare Facts” resources, the McDowells provide a compact, easy-to-use guide to support parents in putting sex and sexuality in a biblical context of relationship to God gauging their child’s emotional and spiritual readiness being alert to questions and opportunities being direct and open without violating their child’s emotions proactively shaping their child’s worldview in today’s sex-saturated culture Working from their own experience with four children, Josh and Dottie give readers encouragement and solid information in the sometimes-awkward process of guiding their child into a healthy understanding of God’s gift of sex.

4 Views on Talking to Teenagers about Sex -

2018-12-20

Sex is essential and awkward, divine and messy, seemingly simple and yet often incredible complex. It's no wonder we as youth workers often struggle with how best to approach this vast but critical topic with teenagers-and sometimes avoid bringing it up altogether. 4 Views on Talking to Teenagers About Sex reflects the thoughts, experiences, and practical advice of four in-the-trenches youth workers, who have spent years having these conversations with the teenagers in their ministries. Representing an array of viewpoints, these writers don't agree on everything-but they all know that our conversations with teens about sex must speak to God's design, avoid shame, and go far beyond any one instance of "the talk." Here you'll find tips on how to engage in honest conversation, what topics to approach, and how to help youth reflect on and behave according to sexual ethics that honor God, themselves, and others-in their teen years, and through all of the

phases of adulthood to come. This book won't attempt to give you all the answers, but it will fuel your thoughts, challenge you, and encourage you to continue these essential conversations with the youth in your ministry. Mark Oestreicher is a partner in The Youth Cartel, which provides resources, training, and coaching for church youth workers, and is the author of many books for youth workers, parents, and teenagers. Twitter: @markosbeard. Jen Bradbury serves as the minister of youth and family at Atonement Lutheran Church in Barrington, Illinois. Jen is the author of books including *The Jesus Gap: What Teens Actually Believe about Jesus*, and is the assistant director of Arbor Research Group, where she has led many national studies. Jake Kircher is a pastor, author, and speaker who has been in ministry for fifteen-plus years. He is the author of the THINK curriculum as well as *Teaching Teenagers in a Post-Christian World*. You can find him on Facebook, Instagram, and Twitter as

@jakekircher. Jonathan McKee is the president of The Source for Youth Ministry and author of books including *The Teen's Guide to Social Media & Mobile Devices*. He speaks to parents and leaders worldwide and offers free resources and training for youth workers at TheSource4YM.com. Joel Stepanek is the director of resource development for Life Teen International, a youth ministry speaker, and the author of books including *True North: A Roadmap for Discernment*.

Understanding Sexual Identity - Mark A. Yarhouse 2013-10-22

Today's youth struggle with difficult questions of sexual identity. How can a youth worker offer wise care and counsel on such a controversial and confusing subject? Mark Yarhouse, Director of the Institute for the Study of Sexual Identity, writes to equip youth ministers so they can faithfully navigate the topic of sexual identity in a way that is honest, compassionate, and accessible. Reframing the focus away from the

Downloaded from

culture wars, Yarhouse introduces readers to the conversation beginning with the developmental considerations in the formation of sexual identity—all of which occurs in the teen years. He offers practical and helpful ways to think about people who experience same-sex attraction. Sections of the book are also dedicated to helping parents respond to their children and teens who struggle with questions of sexual identity, as well as how youth ministry can become more relevant in the lives of youth who are navigating these issues.

Opening Up - James Farrer 2002-05-29

From teen dating to public displays of affection, from the "fishing girls" and "big moneys" that wander discos in search of romance to the changing shape of sex in the Chinese city, this is a book like no other. James Farrer immerses himself in the vibrant nightlife of Shanghai, draws on individual and group interviews with Chinese youth, as well as recent changes in popular media, and considers how sexual culture has changed in China since its shift to a more market-based economy. More and more men and women in China these days are having sex before marriage, creating a new youth sex culture based on romance, leisure, and free choice. The Chinese themselves describe these changes as an "opening up" in response to foreign influences and increased Westernization. Farrer explores these changes by tracing the basic elements in talk about sex and sexuality in Shanghai. He then shows how Chinese youth act out the sometimes-contradictory meanings of sex in the new market society. For Farrer, sexuality

is a lens through which we can see how China imagines and understands itself in the wake of increased globalization. Through personal storytelling, neighborhood gossip, and games of seduction, young men and women in Shanghai balance pragmatism with romance, lust with love, and seriousness with play, collectively constructing and individually coping with a new culture based on market principles. With its provocative glimpse into the sex lives of young Chinese, then, *Opening Up* offers something even greater: a thoughtful consideration of China as it continues to develop into an economic superpower.

Good Sex Drama - Jim Hancock 2002

Hmm. Teenage sexuality and God--in dramatic-sketch from ... With *Good Sex Drama*, you and your kids will enter the complex worlds of 16 very human, very flawed, very real characters--all loosely connected to each other--and journey with them over the course of 24 sketches as they wrestle intensely with sexual topics of perennial

importance to students, including: Sexual temptation The results of sexual brokenness Technical virginity Pregnancy Sexually transmitted diseases Sexual abuse Alcohol and sex Sexual addiction When role models fail sexually Jim Hancock, co-author of the widely acclaimed *Youth Specialties* curriculum *Good Sex*, is also a filmmaker/script writer/theater expert, and here he unearths amazingly real characters who overflow with depth, rib-tickling humor, devastating heartache, and--true to life--don't resolve their issues by the end of the sketches. over several weeks. Some are short, subtle monologues. Some are volatile, intense dialogues between two or more characters. And each sketch ends with a healthy dose of discussion questions that'll get your kids digging even deeper into the topics at hand. type--you'll get all the help you'll need to pull off unforgettable performances. That's because Hancock provides an extensive introduction, offering tips on presenting the sketches,

discussing them, stagecraft, what to do if you stir up trouble, and resources and referrals for help with sexual issues. small group leader, CE director, or volunteer, Good Sex Drama will prove a unique, exciting, laugh-and-cry-as-you-learn resource that engages students and gets them examining their lives and their souls while trying on the personas of some unforgettable characters.

How to Talk with Your Kids about Sex - John T. Chirban 2012

Having trouble talking to your kids about sex? Their friends at school don't... Unfortunately, for many parents, the most important conversations are the hardest. Ninety-three percent of adults are dissatisfied with the sex education they received as children, which is precisely why they are so bad at teaching their kids-they have no frame of reference. Renowned Harvard Medical School psychologist and frequent Dr. Phil guest John Chirban helps parents talk to their kids . . . about sex. Kids are going to learn about sex, and

it is up to parents to decide if their kids are going to learn from them or from MTV. How parents address sex-their openness, the context, and their attitudes-will impact how their children view their own sexuality and self worth. Dr. Chirban helps parents know when, how, and how much. He uses humor, compassion, and real-life examples to prepare parents for a healthy and ongoing conversation that will equip their kids to own their own sexuality and an understanding of the larger issues of relationships, love, commitment, and intimacy. In addition, parents understand how helping their children understand these veiled yet critical keys of a fulfilling life deepens their own connection with their children.

More Than Just the Talk - Jonathan McKee 2015-03-10

Have Real Conversations With Your Kids About Sex The old ways of having the "sex talk" just won't cut it anymore. Sadly, the number one place today's young people go to for answers

*Downloaded from
legacy.opendemocracy.net on 2020-02-07
by guest*

about sex is Google. Meanwhile, kids view nearly 14,000 sexual references a year on television, and 70 percent of teenagers have encountered pornography on the Internet. If we want our children to know the truth about healthy sexuality, we need to create a comfortable climate of continual conversations. Jonathan McKee will show you how to move beyond the initial awkwardness of this subject into an ongoing communication with your kids about God's amazing gift of sex. He equips you with what you need to talk openly about dating, temptation, porn, and purity, and you will find answers to tough questions and relevant Scripture on sexual issues. It's normal for kids to be curious about sexuality, and they need to know that their parents are the most reliable source of information. Be the one your kids turn to on this crucial topic. "In a world full of explicit lies, today's kids need parents who aren't afraid to tell them the explicit truth. This book provides parents with the tools they need to have these

candid and continual conversations."--Dr. Kevin Leman, New York Times bestselling author of *Have a Happy Family by Friday* "Jonathan McKee is one of America's premier youth specialists, and this book will help you navigate the rough waters of teaching your kids healthy sexuality."--Jim Burns, PhD, president, HomeWord and author "Parents, take a deep breath. This book pulls no punches. But it will give you exactly what you need to walk alongside your kids at this time when they most need it."--Shaunti Feldhahn, social researcher, speaker, and bestselling author "A thorough, straightforward, and engaging resource that will both equip and inform a parent for effective, culturally relevant, and God-honoring conversations about sexuality and all its implications. It is a critical read in critical times."--Brian Berry, generation ministries pastor, Journey Community Church, La Mesa, California; and author "SO many parents I know don't feel equipped to talk to their kids about

sex. This book helps you overcome the (guaranteed) awkwardness of conversations like that, and provides both tools AND motivation. I wish every parent would read it."--Scott Rubin, director of middle school ministry, Willow Creek Community Church "Jonathan McKee provides clarity and practical knowledge so that you and I can do more than just give a nervous 'talk' to our kids; we can be loving and consistent parents for them as well."--Terry Linhart, PhD, educator, author, Bethel College--Indiana "Kids need parents who are educated, aware, and relevant when it comes to sex. Thankfully, Jonathan McKee gives us powerful, poignant, and practical tools to help us win in this delicate and scary parenting arena."--Doug Fields, co-founder of DownloadYouthMinistry.com, youth pastor for thirty years at Saddleback & Mariners Church, speaker, and author "McKee is a frontline youth worker with current and regular interactions with Christian teenagers wrestling with the intersection of their faith and their sexuality.

Never condescending, Jon brings his writing style to a subject I wish more parents were talking about with their teens."--Mark Oestreicher, partner, The Youth Cartel and author "Jonathan McKee's book helps us to remember that 'the talk' is a myth at best, and a terrible strategy at worst. A lifestyle of preparation, a strategic series of discussions, and a proactive commitment to conversation is what our kids need, and this book will help any parent to walk with their kids in confidence."--Chap Clark, professor of youth, family, and culture, Fuller Theological Seminary

Going Beyond "The Talk!" A Teen and Preteen's GUIDE - Corey Gilbert 2021-05

This guide is written specifically to help teenagers navigate the complex issues of sexuality, pornography, gender, and relationships The goal is for YOU to make informed and wise decisions founded in a biblical worldview of God's design for you and your relationships. Each chapter concludes with

questions and space for you to think for yourself and develop your own Biblical Sexual Ethic. The choices you make now will significantly shape your future. Study and show yourself approved! Dr. Corey Gilbert holds a PhD in Family Psychology and Masters' Degrees in Marriage and Family Counseling and Christian Education. Dr. Gilbert has been in private practice as a counselor, coach, and speaker since 2000 with an emphasis in sexuality and trauma. He is also a University Professor and a Licensed Professional Counselor. An avid motorcyclist, Corey enjoys camping, hiking, snowshoeing, and enjoying the beauty of God's creation outdoors with his bride and 3 kids.

Youth Talk about Sexuality - Tamara Fetters
1998

The Focus on the Family® Guide to Talking with Your Kids about Sex - J. Fitch 2013-10-15
Sexual images saturate today's culture--and children will learn about sex somewhere. But

research shows that they want to learn from the parents they trust. Talking about sex doesn't have to be a fear-filled challenge. The Focus on the Family® Guide to Talking with Your Kids about Sex shows parents how to talk with confidence to their kids about sex and sexuality. This candid resource is full of the latest information, practical insights, and age-appropriate answers to the questions parents and children ask about sex. Focus on the Family's Physicians Resource Council, along with research from The Medical Institute for Sexual Health provides parents with the tools and empowering encouragement they need in order to communicate more effectively and biblically about sex, self-control, and self-respect at every stage of a child's development.

Talking to Youth about Sexuality - Kris D. Stubna 2006

Education in human sexuality demands that our children know the facts of life. But even more important, it is crucial that our children are

In addition, parents understand how helping their children understand these veiled yet critical keys of a fulfilling life deepens their own connection with their children.

5 Things Every Parent Needs to Know about Their Kids and Sex - Anne Marie Miller 2016-05-17

Real Help for the Toughest Talks Most parents dread talking about sex with their children. Anne

*Downloaded from
legacy.opendemocracy.net on 2020-02-07
by guest*

Marie Miller loves giving "the talk." As she has shared her personal story and talked about God's gift of sex with almost half a million young people, she's noticed some disturbing patterns: · Google is how kids learn about sex · Kids are learning about sex and viewing pornography earlier than parents think · The sexually abused often don't tell anyone for fear of getting in trouble · Sexual messages are being consumed daily through mainstream and social media · Most parents think their child is the exception Instead of sweeping this topic under the rug, Miller wants to change the narrative. In this immensely practical and well-researched book, she equips parents to have meaningful and age-appropriate conversations with their children about sex, pornography, and sexual abuse. She advises parents on how to keep the lines of communication open so that their children know they can trust them with their fears, struggles, and mistakes. Most important, she offers hope to worried parents that their children can grow up

with a healthy biblical view of sex as a gift from God.

[Youth and Sexuality in the Twentieth-Century United States](#) - John C. Spurlock 2015-07-16

When did the sexual revolution happen? Most Americans would probably say the 1960s. In reality, young couples were changing the rules of public and private life for decades before. By the early years of the twentieth century, teenagers were increasingly free of adult supervision, and taking control of their sexuality in many ways. Dating, going steady, necking, petting, and cohabiting all provoked adult hand-wringing and advice, most of it ignored. By the time the media began announcing the arrival of a 'sexual revolution,' it had been going on for half a century. Youth and Sexuality in the Twentieth-Century United States tells this story with fascinating revelations from both personal writings and scientific sex research. John C. Spurlock follows the major changes in the sex lives of American youth across the entire

century, considering how dramatic revolutions in the culture of sex affected not only heterosexual relationships, but also gay and lesbian youth, and same-sex friendships. The dark side of sex is also covered, with discussion of the painful realities of sexual violence and coercion in the lives of many young people. Full of details from first-person accounts, this lively and accessible history is essential for anyone interested in American youth and sexuality.

[The Sex Thing](#) - Rachel Gardner 2021-11-12

' Probably the most important topic the young people in your life are already thinking about hearing about and talking about... Rachel has written a fantastic book to guide, equip and provoke your own thinking so you can do the same for theirs. Anyone who ever talks to teens should read this.' Dr Kate Middleton, psychologist, director of the Mind & Soul Foundation So often we talk about sex as 'it', a vague, unnameable thing, but as culture continues to move rapidly, it's more important

than ever that our voices are clear and confident when we talk to youth about sex. With the advancement in sex-tech and changing societal attitudes, we're preparing young people for a very different world - one we all need to be able to talk about. In *The Sex Thing*, Rachel Gardner unpacks a visual framework that can inspire and empower conversations with young people about sex. Focusing on both how young people explore sexual wholeness and what conversations they would need to engage with in that journey of sexual maturity, she offers practical advice for navigating difficult conversations with youth and talking to them confidently and openly. Whether you are involved in youth ministry or are parenting young adults yourself, *The Sex Thing* is a brilliant Christian book for anyone looking for a better, more productive way of talking to youth about sex. Packed full of tips and guidance drawn from years of experience, it will equip you with all the tools you need to engage with young people surely and positively. Together, Rachel

Gardner demonstrates how we can talk about The Sex Thing in a way that actively forms a sexual ethic that our young people can thrive in.

Talking with Teens about Sexuality - Beth EdD Robinson 2021-02-16

When Dr. Robinson asked her freshman psychology students what today's parents need to know about teens and sex, they said parents do not have a realistic view of the world their children live in. A healthy sexual identity requires more than just a list of what not to do. In today's culture of sexual identity confusion, ubiquitous pornography, and #MeToo, teenagers need to know how to protect themselves as well as how to treat others. Talking with Teens about Sexuality will help you understand your teen's world and give you effective strategies in the midst of cultural pressures. Drs. Robinson and Scott provide scientifically reliable and biblically based information about gender fluidity, types of intimacy, online dangers, setting boundaries, and much more. Along the way, the book

provides useful conversation starters and insightful guidance. Don't let fear keep you from engaging in vital conversations. Learn how to talk to your teen with knowledge and confidence, guiding them toward a sexually healthy future.
