Jackie as Editor - Greg Lawrence 2011-01-04

An absorbing chronicle of a much overlooked chapter in Jacqueline Kennedy Onassis's life—her nineteen-year editorial career History remembers Jacqueline Kennedy Onassis as the

consummate first lady, the nation's tragic widow, the millionaire's wife, and, of course, the quintessential embodiment of elegance. Her biographers, however, skip over an equally important stage in her life: her nearly twenty

*Downloaded from
legacy.opendemocracy.net on 2019-09-11
by guest*

year long career as a book editor. Jackie as Editor is the first book to focus exclusively on this remarkable woman's editorial career. At the age of forty-six, one of the most famous women in the world went to work for the first time in twenty-two years. Greg Lawrence, who had three of his books edited by Jackie, draws from interviews with more than 125 of her former collaborators and acquaintances in the publishing world to examine one of the twentieth century's most enduring subjects of fascination through a new angle: her previously untouted skill in the career she chose. Over the last third of her life, Jackie would master a new industry, weather a very public professional scandal, and shepherd more than a hundred books through the increasingly corporate halls of Viking and Doubleday, publishing authors as diverse as Diana Vreeland, Louis Auchincloss, George Plimpton, Bill Moyers, Dorothy West, Naguib Mahfouz, and even Michael Jackson. Jackie as Editor gives intimate new insights into the life of

a complex and enigmatic woman who found fulfillment through her creative career during book publishing's legendary Golden Age, and, away from the public eye, quietly defined life on her own terms.

The Everything Jacqueline Kennedy Onassis Book - Kathleen Tracy 2008-05-01

A Portrait of an American Icon Jacqueline Lee Bouvier Kennedy Onassis-better known as Jackie O. to the tabloids, "the deb" to the Kennedy clan, and the 35th First Lady to historians-is easily one of the most recognizable Presidential wives. She remains the model of the proper American woman. But what was Jackie O. hiding behind those big, dark shades? —From her New York society upbringing to her time in the White House to her days spent as a Doubleday editor, this is the ultimate biography of a woman everyone recognized but few knew. Did you know that: — Her first job was as the "Inquiring Camera Girl" for the Washington Times-Herald? — Before she started

dating Jack Kennedy, she hadn't even voted in a national election? & break; She was the only family member strong enough to remove Robert Kennedy from life-support measures after he was shot? & break; She asked Rose Kennedy for her blessing before she married Aristotle Onassis? & break; She was American royalty and is now an American icon. The Everything Jacqueline Kennedy Onassis Book delivers everything you always wanted to know about this captivating woman.

What Jackie Taught Us (Revised and Expanded) - Tina Santi Flaherty 2014-05-06

A unique perspective on the influence and enduring fascination of Jacqueline Kennedy Onassis. *What Jackie Taught Us* offers insights about how Jackie lived with poise, grace, and zest, including wisdom about image and style, focus, courage and vision, men, marriage, and motherhood. After more than a decade in print, this commemorative edition features fourteen new essays from notable individuals amplifying

the ways in which Jackie's life has influenced them -- and society at large -- over the past fifty years, including contributions from syndicated columnists Liz Smith and Marguerite Kelly; authors Edna O'Brien, A.E. Hotchner and Malachy McCourt; president emeritus of the Municipal Art Society of New York, Kent Barwick; and former Metropolitan Museum of Art executive, Ashton Hawkins. "The book is a must-read for anyone fascinated with the famed first lady, with essays, insights and observations from notables like Liz Smith, C.D. Green and Malachy McCourt." - Miami Herald "Twenty years after her death, we're still curious about Jackie. From Flaherty's book, we get some clues as to why." - NewBooksInBiography.com An award-winning author, philanthropist, and pioneer businesswoman, Tina Santi Flaherty is a board member of the Animal Medical Center and the Churchill Centre, among others. She is the author of *The Savvy Woman's Success Bible* (with Kay Gilman) and *Talk Your Way to the Top*.

A Woman Named Jackie - C. David Heymann
1989

Culls the insights of friends, family, and acquaintances to portray a woman driven by ambition and a veteran of tremendous success and great tragedy

Jacqueline Bouvier Kennedy Onassis: The Untold Story - Barbara Leaming 2014-10-28

The instant New York Times and USA Today bestseller! The untold story of how one woman's life was changed forever in a matter of seconds by a horrific trauma. Barbara Leaming's extraordinary and deeply sensitive biography is the first book to document Jacqueline Kennedy Onassis' brutal, lonely and valiant thirty-one year struggle with post-traumatic stress disorder (PTSD) that followed JFK's assassination. Here is the woman as she has never been seen before. In heartrending detail, we witness a struggle that unfolded at times before our own eyes, but

which we failed to understand. Leaming's biography also makes clear the pattern of Jackie's life as a whole. We see how a spirited young woman's rejection of a predictable life led her to John F. Kennedy and the White House, how she sought to reconcile the conflicts of her marriage and the role she was to play, and how the trauma of her husband's murder which left her soaked in his blood and brains led her to seek a very different kind of life from the one she'd previously sought. A life story that has been scrutinized countless times, seen here for the first time as the serious and important story that it is. A story for our times at a moment when we as a nation need more than ever to understand the impact of trauma.

Mrs. Kennedy and Me - Clint Hill 2012-11-20
"For four years, from the election of John Fitzgerald Kennedy in November 1960 until after the election of Lyndon Johnson in 1964, Clint Hill was the Secret Service agent assigned to guard the glamorous and intensely private

Jacqueline Bouvier Kennedy. During those four years, he went from being a reluctant guardian to a fiercely loyal watchdog and, in many ways, her closest friend"--

A Woman Named Jackie - Clemens David Heymann 1995-01

Farewell, Jackie - Edward Klein 2005-02
Farewell, Jackie movingly recounts the last months of the life of an American icon who faced death as she faced life, with all the bravery and grace of a woman who had long inspired the nation. Author Edward Klein recounts the heart-wrenching fight with cancer of Jacqueline Kennedy Onassis.

Jackie Under My Skin - Wayne Koestenbaum 2013-09-17

Jackie Under My Skin is a nuanced description of how Jacqueline Kennedy Onassis transformed our definitions of personal identity and style. As Wayne Koestenbaum follows her into America's dreamwork, far from pious "family values," he

dares to see her as a pleasure principle, a figure of Circean extravagance, and liberates her from the propagandistic uses to which her image is often harnessed.

Jacqueline Kennedy Onassis - Lester David 1995-05-01

Examines the former first lady's life, from her marriage to Aristotle Onassis to her death in 1994.

What Jackie Taught Us (Revised and Expanded) - Tina Santi Flaherty 2015-05-05

Jackie Kennedy - Captivating History 2020-02-15

One Special Summer - Jacqueline Kennedy Onassis 2006

In 1951, eighteen-year-old Lee Bouvier and her twenty-two-year-old sister Jacqueline took their first trip to Europe together. Jackie had already spent a year in France living with a French family and attending the Sorbonne. Her many cards and letters had made her sister Lee want nothing more than to see Europe with Jackie. Having convinced their parents, the two young ladies set off to see the continent. As they traveled, they sketched and kept notes, creating an illustrated journal of their time abroad, which they presented to their parents as a thank you upon their return; that delightful chronicle is ONE SPECIAL SUMMER. Join Jackie and Lee for a tantalizing glimpse of a lost world: crossing the Atlantic by ocean liner, visits with counts and ambassadors in Paris, art lessons in Venice, and white gloves in the afternoon. Smile at the

social agonies all young women suffer in common--how to politely consume an oversized hors d'oeuvre, the horror of slipping undergarments, and the art of fending off unwanted romantic advances.

A Woman Named Jackie - Bouvier Ken Onassis
1991-05-01

Oh, No.....Jackie-O! the Unspeakable is Spoken:
A Theory - January Jones 1998-04

January Jones offers her theories on the Kennedy assassination and its aftermath.

Bobby and Jackie - C. David Heymann
2009-07-14

The author of *A Woman Named Jackie* and *The Georgetown Ladies' Social Club* draws on intimate sources to offer insight into the relationship between Jacqueline Kennedy and Robert Kennedy, sharing details about an affair that was an open secret for decades among family insiders.

What Jackie Taught Us - Tina Santi Flaherty

2005-04-05

She was a woman of confidence, focus, and passion, and it made her one of the world's greatest sources of inspiration and influence. She drew on a remarkable wealth of self-knowledge and a sense of purpose to cope with extraordinary public demands and overwhelming private needs. How can anyone emulate Jackie? What *Jackie Taught Us* offers Jackie's own personal lessons about how best to live one's life with poise, grace, and zest, including wisdom about image and style, courage and vision, men, marriage, motherhood, and motivation, and how best to apply those lessons to everyday life. With the shining example of this American icon, we can illuminate who we are, what we want—and what we truly need from ourselves and each other.

A Woman Named Jackie - C. David Heymann
1994

The first book to present a comprehensive and coherent portrait of Jackie has been updated

with more than 80 pages of new material, as well as new photographs. New chapters cover Jackie's life as a New York book editor, her blossoming relationship with diamond merchant Maurice Templesman, and the final, tragic weeks of her life. 16 pages of photos.

Jackie Oh! - Kitty Kelley 1979

She was the definition of White House style for too brief a time. And as a private citizen, we couldn't seem to get enough of her. Here is the inside, outside, upside and downside of our own

American princess. Tragic, heroic, private: the image of Jacqueline Kennedy Onassis remains the image of an American icon that will never lose its ability to charm and fascinate.

Jacqueline Bouvier Kennedy Onassis -

Donald Spoto 2000

Based on access to a wealth of a new material gleaned from her own writings; from documents at the schools she attended; from the archives of the John F. Kennedy Library; and from interviews with those who knew her best.
