[A Dangerous Love](#) - Karen Daniels 2021-06-08

"A tightly coiled story of obsession and crime that plays out in an era of lawlessness" Terry-Ann Adams, author of *Those Who Live in Cages*

A Dangerous Love is an exhilarating, true love story that plays out in the chaos and lawlessness of the political turmoil that was South Africa in the late 80s and early 90s. The mayhem and desperation of a country whose social fabric is unravelling is mirrored in Karen Daniels's own life, and hers is an up-close-and-personal account of life as a young woman of colour in the anarchy of early post-apartheid South Africa. Karen Daniels was only 21 when she met Martin, a mysterious, dangerous man who, at 22 years of age, had the world at his feet. Captivated by this

man, she was soon caught up in a love affair that turned into obsession and violence. Gutsy and charming, Martin wasn't born into a life of crime and drugs, but his greed and passion soon pulled him into the underworld and he was overcome by a darkness he could not escape. Hold your breath as Karen takes you with her on a roller-coaster ride into an abyss of armed heists, crime, and violent abuse. Her story shows how having such intense and conflicting emotions for a man - loving him and being petrified of him - is only a few heartbeats away from hate. Karen's eventual escape from this life is a success story that has taken her to the heights of the corporate world, and encouraged her to become an advocate for human rights and women

empowerment. Her story is one of human resilience, courage and determination. It offers hope to those struggling to break free from their circumstances, and will inspire anyone who wants to live their best life and go from surviving to thriving.

**Dangerous Love** - Chad Ford 2020-06-23

"Chad Ford reminds us that humanity lies within all of us, and although conflict is everywhere in today's world, we have the tools we need to overcome obstacles and to thrive. This is a fantastic, timely book that I highly recommend."

—Steve Kerr, Head Coach, Golden State

Warriors Knowing how to transform conflict is critical in both our personal and professional lives. Yet, by and large, we are terrible at it. The reason, says longtime mediator Chad Ford, is fear. When conflict comes, our instincts are to run or fight. To transform conflict, Ford says we need to turn toward the people we are in conflict with, put down our physical and emotional weapons, and really love them with the kind of

love that leads us to treat others as fellow human beings, not as objects in our way. We have to open ourselves up with no guarantee that anyone on the other side will do the same. While this can feel even more dangerous than conflict itself, it allows us to see the humanity of others so clearly that their needs and desires matter to us as much as our own. Ford shows dangerous love in action through examples ranging from his work in the Middle East to a deeply moving story about reconciling with his father. He explains why we disconnect from people at the very time we need to be most connected and the predictable patterns of justification and escalation that ensue. Most importantly, he gives us a path to practice dangerous love in the conflicts that matter most to us.

Dangerous Love - Ben Okri 2012-10-01

An epic of daily life, *Dangerous Love* is one of Ben Okri's most accessible and most disarming novels. Omovo is an office worker and artist who lives at home with his father and his father's second wife. In the communal world of the compound in which he lives, Omovo has both friends and enemies, but his most important relationship is with Ifeyiwa, a beautiful young married woman whom he loves with an almost hopeless passion – not because she doesn't return his love, but because they can never be

together. Set against the backdrop of a country struggling to come to terms with the aftermath of a recent civil war, this is a story of doomed love - of star-crossed lovers, separated not by their families, but by the very circumstances of their lives.

Dangerous Love - Riley Edwards 2021-06-28

One night. No names. Two hearts forever changed. There wasn't a lot that surprised me. My years in the Navy taught me a lot, my years hunting human traffickers taught me the rest. Meeting a beautiful woman in a bar and spending the night with her should've been a blip on my radar. Instead, I spent years trying to forget her. In the middle of a rescue operation, fate dropped her back into my life, but there was a twist--she wasn't alone. I lived and breathed romance. I was a true believer in love-at-first-sight-happily-ever-afters. Then I found myself staring at a sexy stranger across a crowded bar, fell in love, and spent six hours living out my wildest fantasies. But I ran when I learned love

at first sight stole your breath and left you afraid of a broken heart. Brooklyn Saunders has a secret to tell. One that will change everything for Rhode. One that will bind them together or separate them forever. Rhode Daley has one shot at building the family he always wanted. That is, until his life implodes and his worst nightmare comes true. Can he repair what time has broken and save their futures?

The Dangerous Lover - Deborah Lutz 2006

"The Dangerous Lover takes seriously the ubiquity of the brooding romantic hero - his dark past, his remorseful and rebellious exile from comfortable everyday living. Deborah Lutz traces the recent history of this figure, through the melancholy iconoclasm of the Romantics, the lost soul redeemed by love of the Brontes, and the tormented individualism of twentieth-century love narratives. The Dangerous Lover is the first book-length study of this pervasive literary hero; it also challenges the tendency of sophisticated philosophical readings of popular narratives and

Dangerous Rescue - Riley Edwards 2021-10-26  
Just friends. I'd repeated the lie so many times I'd almost convinced myself it was the truth. Our friendship was accidental. A lost phone, a string of text messages that led to a once-a-year birthday text. The real trouble started when we upped the game and called each other. Those phone calls strengthened our connection and solidified our bond. Fourteen years later I was in love with a man who knew me down to the deepest depths of my soul—but I'd never seen him, not even a picture. That was our deal; no last names, no pictures, and the promise to never internet search the other. I upheld that promise. River did not. I was not prepared for the man who showed up at my bookstore. River Kent was tall—so damn tall, good-looking, so

damn hot he took my breath, crystal blue eyes, so damn captivating I couldn't look away. But mostly he was a bossy, straightforward, tell-no-lies type of man. Which didn't work for me since I'd been lying through my teeth for years denying my true feelings. More than that, I was not prepared to face River months after my sister had been murdered. I wasn't ready to deal with the knowledge that she was gone and in the weeks leading up to her death I'd turned my back on her. The guilt was eating at me. River wasn't prepared to take no for an answer. Chaos and confusion had taken over my life. And to make matters worse, I found myself in the middle of a horrific child trafficking case. Okay, to be fair, I didn't find myself there, I'd purposefully inserted myself into the TAKEBACK investigation. And since I'd volunteered to go undercover, River did more than insert himself—he took over and declared himself my protector. Did I mention I was madly, deeply in love with him? Did I mention he was the man of

my dreams? Did I mention River thought going undercover was dangerous, crazy, and not a good idea? Turns out River was right and just when all of my wildest dreams had come true they were torn away and I was left in shambles.

flung corners of the globe, working on long-term development projects and living out his calling as a Christian professional. By the time he arrived in the Islamic Republic of Mauritania around the turn of the millennium, he was veteran of life as an expat, at home in countries and cultures not his own. But in 2001, the world was about to change—and so was Ray’s life. In the aftermath of 9/11—a time when tensions between Muslim and Western culture were peaking—Ray and his daughter, Hannah, made the short drive from their home to the Mauritanian beach. But instead of spending the afternoon enjoying the waves and the water, father and daughter found themselves hurtling back to the city, each with a bullet-hole pumping blood into the floorboards of their jeep. Dangerous Love is an account of the Normans’ brush with violent extremism—and of the family’s unexpected return to Mauritania in the face of terrifying risks. This is the story of a call that could not be denied and of a family’s refusal

to give up on love.

satire about power, and a moving queer love story that resonates through time. 'An entertaining and very funny read with something to say about both the love of power and the power of love' SUNDAY TIMES 'Brilliant ... Like Wolf Hall meets Succession ... Scandalous, politically perceptive and unexpectedly heartfelt' APPLE
