**All About Love** - bell hooks  
2018-01-30

A New York Times bestseller  
and enduring classic, *All About*  
*Love* is the acclaimed first  
volume in feminist icon bell  
hooks' "Love Song to the  
Nation" trilogy. *All About Love*  
reveals what causes a polarized  
society, and how to heal the

divisions that cause suffering.  
Here is the truth about love,  
and inspiration to help us instill  
caring, compassion, and  
strength in our homes, schools,  
and workplaces. "The word  
'love' is most often defined as a  
noun, yet we would all love  
better if we used it as a verb,"  
writes bell hooks as she comes  
out fighting and on fire in *All*  
*About Love*. Here, at her most  
provocative and intensely  
personal, renowned scholar,  
cultural critic and feminist bell  
hooks offers a proactive new  
ethic for a society bereft with  
lovelessness--not the lack of  
romance, but the lack of care,  
compassion, and unity. People  
are divided, she declares, by  
society's failure to provide a  
model for learning to love. As  
bell hooks uses her incisive  
mind to explore the question  
"What is love?" her answers  
strike at both the mind and  
heart. Razing the cultural  
paradigm that the ideal love is  
infused with sex and desire,  
she provides a new path to love  
that is sacred, redemptive, and  
healing for individuals and for  
a nation. The Utne Reader
