Straight Talk on Tough Topics - Chris Jackson 1996

Tough topics. They stare young adults in the face every day. Racism. Crack cocaine. Babies having babies. Gansta rappers glorifying mindless violence and loveless sex. These are just a few of the pieces of a shattered society--pieces sharp enough to cut the young people you work with. Reverend Chris Jackson knows about the touch topics youth face. For over a decade, he's helped young African-American adults work through the temptations, decisions, heartbreaks, and obstacles posed by today's culture. In *Straight Talk on Tough Topics*, he gives frank answer that can make the difference in young lives. Packed with pointed information, questions to get your young people thinking and talking, and Scripture references that will help them build a solid foundation on God's Word, this is a handbook for wise, fruitful, and satisfying living. Turn to it when the topic your kids are dealing with is tough--for wisdom you can count on to steer them in the right directions.

Passionate and Pious - Monique Moultrie 2017-12-15

In *Passionate and Pious* Monique Moultrie explores the impact of faith-based sexual ministries on black women's sexual agency to trace how these women navigate sexuality, religious authority, and their spiritual walk with God. Providing churchwomen a space to candidly discuss these issues, these popular

ministries exist largely beyond the traditional church, with dialogues about sex taking place in chat rooms and through text messages, social media, email, and other media. Moultrie foregrounds televangelist Juanita Bynum's construction of the black Christian sexual identity these ministries promote while emphasizing how churchwomen reconcile these prescriptive identities with their individual experiences. What does it mean for senior women to exercise sexual agency when their church standing could be questioned? What does celibacy mean for women who experience same-sex desire while believing that such desire goes against God's will? Advancing a womanist sexual ethics, Moultrie reframes biblical interpretations and conceptions of what constitutes a healthy relationship to provide a basis for sexual decision making that does not privilege monogamy or deny female pleasure, thereby calling on black churchwomen to experience responsible and life-enhancing sex.

Life Changing Relationships - James Meeks 2002 One of the greatest desires in all of the earth is to have companionship. However, this need for relationship has been twisted by impatience, low standards, and lack of trust in God. In his fiery style, Reverend James Meeks sets out a practical, step-by-step approach to finding and maintaining godly relationships. *Life Changing Relationships* will challenge readers' current beliefs and help them break the cycle of nightmare relationships.
