**Reign** Roxie Noir 2021 Some fairy tales start after midnight. The crown prince and I have nothing in common. Kostya's quiet, serious, and straight-laced, the heir to a centuries-old throne. I'm the ambassador's daughter, backpacking Europe after dropping out of med school. He's a rugged, battle-hardened soldier who spent four years in the Royal Guard and might not know how to smile. I accidentally got drunk at my own welcome banquet. Sure, he's crazy hot in a 'fairy tale royalty come to life' kind of way, but Kostya is way out of my league -- and most importantly, he isn't even interested. Formal, aloof politeness is all I'll ever get from him, and that's fine with me. He's a prince, for Pete's sake, and I'm just some American girl. But then there's the night I can't sleep, so I sneak onto the castle ramparts - only to discover that I'm not the only one with an insomnia problem. On the roof, far away from the demands of the state, Kostya is completely different. He's relaxed. He's charming. He's pleasant. He's flirty. And most of all, Kostya's definitely not the uptight, rule-abiding prince I thought he was. I know better than to get hot and heavy with a foreign head of state, but what's a commoner to do? He gives me smoldering, panty-fire-lighting looks from across every room. He has a secret smile that means I want you. He talks dirty to me in his mother tongue. There can't be an us. Kostya's destined to marry someone politically expedient, and whatever I'm destined for, it's not becoming royalty. After all, aren't fairy tales just stories?

*Logan's Need* Sloane Kennedy 2015-05-18 After Logan Bradshaw's dreams go up in smoke, he's left broken and haunted by a cruel betrayal from his former business partner, a man he once thought of as a friend. His life as a professional escort helped pay for his future once, so maybe a few more jobs can give him back what he's lost. And if that means being a third for one night for a wealthy couple living out a menage fantasy, then so be it. It might just be the final payout he needs to get his life back on track. Dominic Barretti has everything money can buy, but it can't save his beautiful young wife as cancer steals her away from him. He also can't deny her one last request - a menage encounter with another man. It's the perfect excuse to meet the man who's been haunting his dreams. On paper, Logan is the perfect choice to give his wife what she needs, but he doesn't expect his own fierce desires to flare up when the young man enters their lives. Dom and Logan don't know it, but Sylvie Barretti has decided to play matchmaker from beyond the grave. Unfortunately, getting two broken men to find each other makes dying seem like the easy part. Logan can't deny his attraction to Dom, but the surprise desire for another man has left him reeling and questioning everything he's ever known about himself. But when a threat from the past surfaces, will Logan be able to let go of the life he knew and embrace the one he needs? Note: This book contains M/M sexual content and is intended for mature audiences \*\*\*This is Book 3 in the series, but can be read as a stand-alone story - no cliffhangers. However, more enjoyment can be gained by reading the series in order: Book 1 - Gabriel's Rule Book 2 - Shane's Fall (Note: Logan's Need DOES contain spoilers for events first presented in Books 1 & 2)\*\*\*"

*Teaching Mia* M.C. Roman 2013-11-15 Fed up with her disheartening life in New York City, Mia takes a gamble and embarks on an invigorating journey abroad to business school in Spain. When Mia Fuentes moves to Spain for graduate school, desperately trying to leave her past behind, the last thing she ever imagined was getting involved with Leo Durant, the hottest and most sought after guy on campus. Leo is sexy, confident, and has the ultimate bad boy reputation. Something about him keeps pulling her in, when she knows she should be staying far away in the secluded world she has built for herself. Will she be able to overcome her fears and inner struggles that have brought her here? Or will Leo be able to teach her something about love and that not everything in life happens the way we expect? **Ride** Roxie Noir 2016-05-05 Save a horse. Ride a cowboy. Bull riding is dangerous as hell, but that's half the fun. Guts, glory, and cute country girls lined up for days. It may only take eight seconds to win, but I can go all night. Yeah, I've broken almost every bone in my body at some point, but I've been the World Rodeo Champion two years running. Nothing's gonna keep me from making it three. Not even Mae Guthrie, a spitfire who's as hot as a Texas wildfire and one hell of a distraction - and who acts like she doesn't remember me at all. ...I'll just have to remind her that we've been acquainted. I bet she'll remember once she's screaming my name. Jackson Cody nearly ruined my life. I was dumb, drunk, and eighteen. He was a rodeo star with a smile that could melt steel, and I was this close to giving him everything. Thank god for that close call with the cops. I learned my lesson, grew up, and moved on. Now I've got my first huge assignment as a photographer, and if I play it right, this rodeo shoot could make my whole career. There's just one problem, and it's got spurs, boots, and hazel eyes. He's grown up too - Lord has he grown up - and he's only gotten hotter, cockier, and more dangerously alluring since the last time I saw him. But now I'm older, wiser, and not interested in a fling with a cowboy... ..right? It's only a couple of days. How hard can he be to resist? *Ride* is a 90,000 word standalone romance, and it's got a happily-ever-after ending and explicit scenes that'll make you need to turn the AC up.

*Dominated* Malory Chambers 2016-05-09 "The apartment's big enough for the three of us." Falser words have never been spoken. Aching, lustful tension builds between the three roommates when Jane unwittingly moves in with her longtime friend-with-benefits Cain Hunter and her love interest, Samuel Smith. When both men realize the roles they play in her lives, they decide to punish her in the most deviant, perverse method possible. Toys, whips, bondage, and more awaits Jane as she is dominated by the two alpha males, intent on making her theirs. This standalone short contains steamy bondage, rough encounters, exhibitionism & voyeurism, mmf, and spankings. ~~~~~ Excerpt ~~~~~ "Didn't have enough of me last time?" I was too busy staring at his face to remember why I was standing in front of his apartment with large haphazardly packed bags in each hand and a luggage beside me. The man in front of me was perfection personified. He looked like he came straight from the showers. Water droplets

clung from his half naked form. It was hard to breathe with him being so close to me. I had to remind myself that I was at Cain's apartment. Or had I gotten the address wrong? That was impossible. I could drive to Cain's apartment with my eyes closed. So what was Samuel doing in Cain's apartment?! "I um... I-" I blushed darkly, suddenly aware of how ridiculous I looked. I fixed my hair up somewhat and put on enough make up to cover the handprint on my cheek, but I still looked like a cheap whore standing in front of this Greek God of a man. "Jane?" Cain's voice greeted from inside his apartment. A sense of relief fell over me at the sound of his footsteps coming towards me. "I was wondering if I could stay here tonight while you're still here?" I explained weakly, trying to pull my gaze free from Samuel. "I don't see why not," he said. When he caught the look Samuel was giving me, he frowned darkly, "Do you two know each other?" "Yeah," Samuel said, staring at me with a hint of smile. "You could say that..."

Apparently it isn't enough to only kick a heroin addiction - they're insisting that I find a girlfriend as well. If I don't, they pull Dirtshine's massive record deal. It's supposed to show that I've changed my ways, that I've turned over a new leaf, all that rubbish. But I've had it with suit-wearing wankers telling me what I'm to do, so I'm on the verge of telling them to go f\*ck themselves. And then she shows up. Marisol locks me out of my own concert by accident. She's wearing a suit at a rock show, searching for her lost law school textbook, has no idea who I am... ...and for the first time in years, I'm hooked. She's smart, driven, and utterly gorgeous. The sort of girl who earnestly believes in following the rules and hates when others don't. I'm a huge rock star, recovering addict, and general f\*ckup. Our relationship is for show, and that's all. But with every smile, every laugh, and every breathtaking glance at her curves, I want her more. Two months is all we agreed to. But it's never going to be enough. Always You A kiss could ruin everything. I was born broken, with a past full of ugly secrets and a brother doing life in prison. Not that you'd know it if you read the tabloids. According to them I'm the rock-solid guitarist for the biggest band in the world. I'm the dependable one. The steady one. The anchor. They don't know the truth. No one knows who I am underneath, once the music is over and the lights are off. No one but Darcy. She's my best friend. She's my savior, my light in the dark, beautiful and talented and every bit as broken as me. And I yearn for her. I have for years. I see the way she looks at me, what's behind her eyes. I know what she thinks about alone, in the dark, because how could I not know. It's getting worse. Every second, every heartbeat, every moment we spend together and every secret we share makes me want her more. Even though I know that one kiss could ruin everything we have, I need her. But to get her? I'll risk everything I've got. Ever After Once upon a time, a girl saved my life. I was p\*ss-drunk, high as a kite, and about to jump from a bridge. She stopped me. I told her to f\*ck off. Exactly how all great love stories start. A year later, I met her again. Sober this time, after yet another stint in rehab. She's still pretty, still a spitfire, still lights up a room when she walks in. And she doesn't realize I'm the guy from the bridge. Frankie doesn't know anything about me or my past. She doesn't know I'm a former rock star or an ex-junkie. She doesn't know that two years ago, someone died and it was my fault. She doesn't need to know. She's got problems of her own, and they're what keep her coming back to see me time and again, even when we both know she shouldn't. I should be staying far, far away from this girl, but it's like telling water to flow uphill. Can't be done. Frankie and I may be going down in flames, but we'll be going down together.

When Rachel Riley sacrificed a life in Eden to protect the O'Kanes, she earned her place in the powerful Sector Four gang. It's time for her to get wild, to embrace her fantasies as only an O'Kane can—with a delicious exiled soldier and the gang's wickedly sinful tattoo artist. A saint... Lorenzo Cruz is a warrior, taught by his commanding officers in Eden that involvement equals distraction. Emotion is a liability, and desire a sin. In Sector Four, he finds decadence, shameless sex—and his own dark urges. No battle strategy prepared him for how Rachel makes his heart race...or the way his rival for her affections sets his blood on fire. ...and a sinner. Ace Santana has a dirty reputation and a mind to match, especially where his new lovers are concerned. He's eager to help Cruz embrace his dominant side, and to explore the lines between pleasure and pain with Rachel. But corrupting them quickly becomes an obsession, a need he can't deny—and a love he never imagined. Three hearts on the line means a hundred ways their ménage a trois could go wrong. After all, even O'Kanes do forever two-by-two. One of them could be the missing piece that makes them all whole...or a temporary diversion destined for a broken heart.

American King Sierra Simone 2017-10-31 They say that every tragic hero has a fatal flaw, a secret sin, a tiny stitch sewn into his future since birth. And here I am. My sins are no longer secret. I am a king, a king who was foolish enough to build a kingdom on the bones of the past. I am a husband and a lover and a soldier and a father and a president. And I will survive this. Long live the king.

**Corsets and Cravings ~ A Victorian Romance and Erotic Short Story Collection. Vol. II** Lady T L Jennings 2015-04-20 Please note: These short stories includes erotic adult themes such as: Romantic liaisons, passion, bondage, bisexual, threesome (MMF), semi-rough lovemaking, and gay romance themes. "Corsets and Cravings" is a short story collection of five newly written Victorian romantic and erotic short stories and includes the following stories: Under the Full Moon Sinful Dealings The Pianoforte Secret Letters The Castle in the Mist Extracts from the stories: "Reader, he kissed me! At first, tender and careful. Tentatively, perhaps to see if I would resist him or not. However, I kissed him back, full of passion. An entire summer of suppressed desire and longing rose towards the surface. I buried my hands in his hair and he cupped my face as the kiss continued and grew into forbidden emotions, which irreversibly whirled through my body. Not caring about my completely indecent behaviour or the fact that we were outdoors I let my hands slip in under his shirt and touch him, which made him moan softly and kiss me deeper." - From the short story "The Pianoforte" "What are you doing?" Timothy asked in a strangled voice, as they finally removed his trousers and the rest of his clothes. He could not see what they were doing since he was blindfolded, but that only increased the anticipation. He should feel vulnerable, blindfolded and with tied arms behind his back, however instead it strangely made him feel both safe and extremely excited at the same time. No one replied to his question and he moaned quietly in expectation. - From the short story "Sinful Dealings" "He stood petrified as he felt her lips against his, her naked body pressed against his. For a moment rage, sorrow, and passion fought inside of him before passion claimed victory. He pulled her closer and kissed her back, deeply and with no regrets. Their lovemaking was neither slow, nor gentle, but an act of burning need and desire. Henry embraced her and she could feel his craving and hardness against her, which had a most arousing effect. He cradled her naked bottom and kissed her deeply, exploring her with his tongue. She smelled and tasted like the woods, wild and untamed." - From the short story "Under the Full Moon" Reviews: "I loved this! Descriptive, sensual and a very pleasant read. I enjoyed it very much." "...It's a lovely story..." Rated four stars by readers' reviews.
