Confessions of a Virgin Sex Columnist! - Kay Marie
2020-10-07

Two hot guys. One big lie. What's a virgin sex columnist to do? My name is Skylar Quinn. I just moved to New York with my best friend Bridget, and I have a confession. Well, more than one. Okay, quite a few really. Fine, here goes! Confession #1: I'm a sex columnist. Hold on, that's not really the confession. You see, I'm sort of a virgin...sex columnist. Confession #2: I'm kind of in love with Bridget's older brother, Oliver. No, I was. No, I am. Wait, was? Am? Crap. Confession #3: I've been avoiding Oliver for four years. Or I was until today, because he just moved in. Yes, you read that correctly. He's my new roommate. So that night we've

both been pretending never happened, well, we might not be able to keep it a secret any longer. And trust me, this is only the beginning. From bestselling author Kaitlyn Davis, writing as Kay Marie, comes a new adult romantic comedy about a girl who'll soon discover that some secrets can't be kept forever, especially those of the heart. This is a sweet romance, perfect for fans of Sophie Kinsella, Meg Cabot, and Emily Giffin!

Hot Pursuit - Kay Marie
2018-08-17

How to Lose a Guy in 10 Days meets White Collar in this sassy and sweet romantic comedy, new from bestselling author Kaitlyn Davis, writing as Kay Marie. All Jolene Carter has ever wanted is a bakery of her own. There's only one problem.

Her father, Robert Carter, is a world-renowned art thief and she's, well, sort of his protégé. But he's promised her this next job in New York will be their last, and she won't let anyone get in the way of her dreams...especially not the distractingly delicious FBI agent hot on her tail. Agent Nate Parker has been on the Robert Carter case for years, and if rumors of the aging criminal's retirement are true, this might be his last chance to nail him. With the legacy of his late father in the back of his mind, the stakes are more personal than anyone realizes. He won't let anything stand in the way of justice...especially not the red-headed vixen who keeps giving him the slip. He's a cop who'd never bend. She's a con who'll never break. But all's fair in love and larceny...

not only his own. Void of ideas and on the verge of terminal decline, Samson's dash to a decaying, degenerate London has brought him through the doors of the Black Cross pub and into a murder story just waiting to be narrated. At its centre is the mesmeric, doomed Nicola Six, destined to be murdered on her 35th birthday. Around her: the disreputable men who might yet turn out to be her killer. All Samson has to do is to write Nicola's story as it happens, and savour in this one last gift that life has granted him. 'A true story, a murder story, a love story and a thriller bursting with humour, sex and often dazzling language'

Confessions of a Latter-day Virgin - Nicole Hardy

2013-08-20

When Nicole Hardy's eye-opening "Modern Love" column appeared in the New York Times, the response from readers was overwhelming. Hardy's essay, which exposed the conflict between being true to herself as a woman and

remaining true to her Mormon faith, struck a chord with women coast-to-coast. Now in her funny, intimate, and thoughtful memoir, Nicole Hardy explores how she came, at the age of thirty-five, to a crossroads regarding her faith and her identity. As a member of the Church of Jesus Christ of Latter-day Saints, Nicole had held absolute conviction in her Mormon faith during her childhood and throughout her twenties. But as she aged out of the Church's "singles ward" and entered her thirties, she struggled to merge the life she envisioned for herself with the one the Church prescribed, wherein all women are called to be mothers and the role of homemaker is the emphatic ideal. Confessions of a Latter-day Virgin chronicles the extraordinary lengths Nicole went to in an attempt to reconcile her human needs with her spiritual life--flying across the country for dates with LDS men, taking up salsa dancing as a source for physical contact, even moving to Grand Cayman, where the

ocean and scuba diving provided some solace. But neither secular pursuits nor LDS guidance could help Nicole prepare for the dilemma she would eventually face: a crisis of faith that caused her to question everything she'd grown up believing. In the tradition of the memoirs *Devotion* and *Mennonite in a Little Black Dress*, *Confessions of a Latter-day Virgin* is a mesmerizing and wholly relatable account of one woman's hard-won mission to find love, acceptance, and happiness--on her own terms. [My Love Is a Beast](#) - Alexander Cheves 2021-10-12

Literary Nonfiction. How does the devout son of evangelical Christians, growing up dedicated to mission work in Africa, become one of America's leading sex columnists and a self-avowed slut committed to kink as his new religion? Across his debut book, *MY LOVE IS A BEAST: CONFESSIONS*, Alexander Cheves details his path from piousness to faithlessness, and his awakening to the saving

power of hedonism. He tells intimate stories of what he sees as the sacred grace of pleasure as he embraces his life as a sex writer, worker, and activist. In stories richly lyrical, boldly erotic, and fearlessly honest, Cheves takes readers on a tour through Savannah, Atlanta, San Francisco, Los Angeles, and New York City. Along the way, he explores the darker corners of Queer culture and his own life, highlighting experiences most will have never considered. His rise to national popularity among LGBTQ+ writers gets balanced by his own struggles with and recovery from substance use--and his public embrace of kink and fetish as a belief system, way of life, and identity. In the end, Cheves writes with complete, even shocking, transparency and authenticity in the service of shattering sexual shame. Graphic and at times controversial, this book is sure to become a watershed moment among erotic memoirs.

Ugly Love - Colleen Hoover
2014-08-05

From Colleen Hoover, the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only

two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

Confessions of an Undercover Girlfriend! - Kay Marie
2020-10-07

From bestselling author Kaitlyn Davis, writing as Kay Marie, comes the second book in the Confessions series, a romantic comedy being hailed as "the new Bridget Jones!" (Broc's Bookcase). So, I'm no longer a

virgin sex columnist-thank you, Ollie-but if I thought that was going to make my life easier, boy was I wrong! John is back in town determined to win my forgiveness. Blythe is more ready than ever to take me down. Bridget is totally onto the new twinkle in my eye. And, well, Ollie is just as distractingly delicious as usual. Confessions of a Recovering Environmentalist - Paul

Kingsnorth 2017-03-21

Paul Kingsnorth was once an activist, an ardent environmentalist. He fought against rampant development and the depredations of a corporate world that seemed hell-bent on ignoring a looming climate crisis in its relentless

pursuit of profit. But as the environmental movement began to focus on 'sustainability' rather than the defence of wild places for their own sake and as global conditions worsened, he grew disenchanted with the movement that he once embraced. He gave up what he saw as the false hope that residents of the First World would ever make the kind of sacrifices that might avert the severe consequences of climate change. Full of grief and fury as well as passionate, lyrical evocations of nature and the wild, *Confessions of a Recovering Environmentalist* gathers the wave-making essays that have charted the change in Kingsnorth's thinking. In them he articulates a new vision that he calls 'dark ecology,' which stands firmly in opposition to the belief that technology can save us, and he argues for a renewed balance between the human and nonhuman worlds. Provocative and urgent, iconoclastic and fearless, this ultimately hopeful book - which includes the

much-discussed 'Uncivilization' manifesto - poses hard questions about how we've lived and how we should live.

Confessions of Sexual Mania - Leslie Mae 2000-07

Sunny Jim was the love child of doting parents. Exceptionally bright, he was twice promoted to a higher grade level. Among older, more sexually aware boys, he was teased for his ignorance of sex. Sunny made it his goal to learn more than the older boys. At age nineteen, Sunny became employed by Ma Bell of Canada, choosing that job because of all the female telephone operators. On his first day at a suburban telephone station, the chief operator invited herself to be his weekend companion. The chief operator used Sunny for sexual experimentation, then tricked him into donating a dowry for her daughter's wedding. Sunny married twice, but marriage didn't keep him from seeking sex with other women. A special thrill for Sunny was the Christmas he spent with a countess who

wanted him as her consort, an ex-sister-in-law who had issued an open invitation to share her bed, Sunny's wife, and an orphan he had trained in sexual arts. Sunny invented a method of sending a cardiogram by telephone, but couldn't have invented a stranger life than his own. Though his love died with his beloved Mindy, Sunny became the love of a homeless and unattractive woman's life.

[Confessions of a Failed Southern Lady](#) - Florence King 1990-09-15

Confessions of a Failed Southern Lady is Florence King's classic memoir of her upbringing in an eccentric Southern family, told with all the uproarious wit and gusto that has made her one of the most admired writers in the country. Florence may have been a disappointment to her Granny, whose dream of rearing a Perfect Southern Lady would never be quite fulfilled. But after all, as Florence reminds us, "no matter which sex I went to bed with, I never smoked on the street."

Chastity Is for Lovers - Arleen Spenceley 2014-11-28
Winner of a 2015 Catholic Press Award: Books for Teens and Young Adults (First Place).
In 2012, journalist Arleen

Spenceley outed herself as a twenty-six-year-old virgin in a Tampa Bay Times op-ed that went viral. In *Chastity Is for Lovers*, Spenceley expands on that piece, advocating Catholic teaching on sex and marriage with candor and humor, and without judgment. In her debut book, seasoned journalist and self-professed "happy virgin" Arleen Spenceley offers a mature, funny, and relatable vision of Catholic teaching on chastity for young adults.

Chastity Is for Lovers provides perspective on a variety of topics—the difference between chastity and abstinence, how virginity is an affirming and valuable life choice, how the word "purity" can be harmful in ministry settings, how to date well, and why sexual self-control is the best form of marriage preparation—and gives single adults the best possible chance to find true love. She carefully avoids using language that shames readers and instead presents a view of chastity that is joyful and positive.
