## **And Grandma Said--Iroquois Teachings** - Tom Porter 2008

The Iroquois culture and traditional Longhouse spirituality has a universal appeal, a ring of truth to it that resonates not only with other indigenous people, but also with non-Native people searching for their own spiritual roots. Raised in the home of a grandmother who spoke only Mohawk, Sakokweni'kwaw (Tom Porter) was asked from a young age, to translate for his elders. After such intensive exposure to his grandparents' generation, he is able to recall in vivid detail, the stories and ceremonies of a culture hovering on the brink of extinction. After devoting most of his adult life to revitalizing the culture and language of his people, Tom finally records here, the teachings of a generation of elders who have been gone for more than twenty years. Beginning with an introduction about why he is only now beginning to write all this down, he works his way chronologically through the major events embedded in Iroquois oral history and ceremony, from the story of creation, to the beginnings of the clan system, to the four most sacred rituals, to the beginnings of democracy, brought to his people by the prophet and statesman his people refer to as the Peacemaker. Interspersed with these teachings, Tom tells us in sometimes hilarious, sometimes tragic detail, the effect of colonization on his commitment to those teachings. Like a braid, the book weaves back and forth between these major teachings, and briefer teachings on topics such as pregnancy, child-rearing and Indian tobacco, weaving the political with the spiritual. Through his recollections of "Grandma," and what she said, we also get an inside view of the life of a Mohawk man, and his struggles. Sometimes articulate and at other times inventive with his second language of English, Tom takes us on the journey with him, asking us to trade eyes, by "erasing the blackboard" to see if we "can understand what a Mohawk sees, feels, is happy about and is sad about." Chapter sections and headings include: The Opening Address, Colonialism, Creation Story, Language in 3D, The Clan System, Trading Eyes, Funerals and Contradictions, A Language Dilemma, The Fog, Where We've Settled, The Four Sacred Rituals, Atenaha: the Seed Game, The Four Sacred Beings, Three Souls or Spirits and Ohkí:we, Weddings, Pregnancies, A Spiritual Ladder, Child Rearing Methods, The Great Law of Peace, Some Notes on Tobacco and Other Medicine, The Leadership, Casinos, Prayer?, The Future and The Closing Address. There is also an appendix of interviews with Tom's children, entitled: What Grandma's Great-Grandchildren Learned. Written as it is, by someone raised predominantly by a grandmother, it contains teachings which might otherwise be lost. The Iroquois culture and traditional Longhouse spirituality (of which Mohawk is one of five - and more recently six - nations) has a universal appeal, a ring of truth to it that resonates not only with other indigenous people, but also with non-Native people searching for their own spiritual roots. Due to the suppression of indigenous spirituality and culture, not only in Iroquois country, but across North America, many are searching to recover the remnants of what has been lost. This book makes a significant contribution to doing that, having been written by one of the original leaders of the revitalization movement. During the 1960s and 1970s this Mohawk Bear Clan Elder traveled extensively across North America with a group called the White Roots of Peace, a group which has been credited as the original stimulus for the growing trend to return to traditional ways on this continent.

## **The Princess Chronicles** - Fox M Arianna 2017-04-10

These are the adventures of Princesses Brooke, Marina, Spring, Lenora and Laquita. They're royalty, they're friends, but most of all, they have morals and principles that both children and parents will love to read over and over again!

## **Plant Your Money Tree** - Michele Schneider 2019

Knowing how to grow your money, where to put it and when can be mystifying. But with her simple roadmap using market phases she guides you to make better money decisions. Here, Mish Schneider offers an accessible introduction to the market and its phases to enable readers to

make critical financial choices for themselves and their families.

## **The Relevance Gap** - Scott Scantlin 2019-09-18

The world around us is changing so fast that it seems impossible to keep up-as if we're facing an ever-widening gap. Scott Scantlin defines "the relevance gap" as that gap between where you are now and where you need to be in the future to stay relevant. If you resist change, the gap will grow, leaving you with an overwhelming feeling that you have fallen too far behind to ever catch up. With everything at our fingertips, how do we stay relevant and thrive in a competitive new world? Today, the status quo has become a career hazard. Staying where you are currently without acquiring some new skills could cost you your job or even your career. Even for Millennials and Gen Z, the sheer size of their talent pool could marginalize their earning potential. To compete in today's workforce requires constant improvement of technical skills, core values, and workplace identity. The new economy is not going to go away, and you cannot afford to ignore it. The Relevance Gap will get you past those feelings of being overwhelmed so you can rediscover your inherent potential and the motivators that drive you. Once you apply the techniques in this book, you will be equipped to stay relevant and thrive in the race for relevance!

## **The Dead Celebrities Club** - Susan Swan 2019-04-27

Dale Paul is a witty, self-absorbed rogue and the hedge fund whale. He enjoys a life of self-delusion that allows him to gamble other people's money for his personal enrichment. When his biggest gamble — involving the pensions of the American military — fails, charm and boarding school connections aren't enough to save Dale Paul from jail time for fraud. Confronted with nothing less than the challenge of understanding himself and his place in the age of the new robber-barons, he has a choice: repair his fractured relationships with his family and become a new man or throw himself into another deadly, high-stakes scheme in an attempt to make himself rich again, gambling this time on the lives and deaths of old, frail celebrities with his fellow inmates. Win or lose, Dale Paul goes through a sea change that may (or may not) make a new man of him. But will the enterprising gambler get caught in his own con?

## **Becoming The Total Package** - Aviva Reimer 2019-07-04

What does Becoming The Total Package actually mean? It means different things to different people. When it comes to our preferences in looks, personality, and character - we all have our unique way of seeing the world. However, challenges in life and heartbreak inevitably affect all of us in different ways. We may not always be emotionally or mentally equipped to deal with them, which is why we sometimes need a helping hand. The best way for you to overcome these challenges and to get everything you want out of life is to optimize every aspect of your life. Whether you have been repeating negative patterns, dealing with a bad break-up, divorce, poor decisions, attracting the wrong people, dealing with low self-esteem or even just feeling lost - this book is for you. Becoming The Total Package will help you improve every aspect of your life for the better. It will guide you and transform you into a stronger, more confident version of yourself. You have the ultimate power to choose the love you deserve for the life you want. Becoming The Total Package is the culmination of decades of intimate and life-changing experiences achieved through Aviva Reimer's philosophy in personal transformation, personal development, and her highly regarded and renowned matchmaking techniques. Becoming The Total Package will show you: The exact nature of the world and how it affects us in ways you may have never realized. How people relate to each other and the significance of this. How to avoid the same situational traps that you have repeatedly experienced. How to restructure your perspective and expectations to live the life you want with integrity. How to define your principles with a definite commitment to follow through. How your environment affects and supports your energy and mood and the easy steps that you must take to change it for the better. How to declutter and optimize every single aspect of your life, including friendships and relationships. How to ensure you're always energized, respected and

most importantly LOVED by those around you. How to reinvent yourself to look and feel your very best so that you shine like a light that everyone will notice. How to pre-qualify your potential partners when dating and immediately establish which qualities you want in a person. The complex Do's and Don'ts on dating more efficiently and happily. Becoming The Total Package is an easy-to-follow, and an inspirational guide told in Aviva's unique voice. It is your key to bouncing back from negative challenges and heartbreaks. Becoming The Total Package is you and your partner's guide to achieving and living your absolute best life

**Confessions of a Girlpreneur** - Fiona Gilligan 2014-10-15

It takes a lot to survive in today's business world, but one thing it doesn't take is a Y chromosome. Women are a vital and valuable part of our local economies and are just as capable of achieving success as men...and Confessions of a GirlPRENEUR provides proof positive of this fact. A remarkable story of how an entrepreneur and single mother beat the odds and created an industry-leading start-up in a highly competitive market where many others failed, this engaging book - part business guide, part memoir - traces the unlikely path Fiona Gilligan, MSW, took to found her company, the Trauma Management Group, and shows how she led it to dominate the trauma care industry in Canada over the course of fifteen years. How did she do it? Confessions of a GirlPreneur recounts her trailblazing journey and offers invaluable business tips, information, and inspiration, as well as touching and entertaining personal anecdotes. It's a must-read for aspiring entrepreneurs, especially women, and is a particularly empowering gift for girls.

**False Awakening** - Arianna Fox 2018-11

"To the world it will be a surprise How a smart man will succeed and rise And you must stop him at all cost Or hope will eternally be lost. He wants a new world - his very own When his company has fully grown." Chris Coleman. A man, trapped in a dream within a dream within a dream. Erik Kane, CEO of New World Corp. and politician seeking world domination. Taryn Johnson, a Rebellion soldier dedicated to protecting the world from Kane's insidious plan. Will Chris, Taryn and the Rebellion stop Erik Kane? Does Chris have the ability to manipulate his dream world, help the Rebellion and save the world? Or will Kane fulfill his ultimate plan to overtake humanity and cause utter chaos and destruction? As the lines blur between dreams and realities, how will you know what's real and what's not? Join the Rebellion as they journey through multiple realities, travel through mind-bending dreams, encounter close calls, twists and turns, and experience false awakenings.

**Flying Saucers from the Kremlin** - Nick Redfern 2019-06-30

**48 Days to the Work You Love** - Dan Miller 2010

Practical instructions from leading vocational thinker Miller reveal how to approach work as more than just a paycheck, but as part of the calling God has placed on each life.

**Suburban Gangsters** - Michael P. Dineen 2018-01-16

Suburban Gangsters By: Michael P. Dineen Sometimes in life the direction you choose could come down to making a choice that at the time didn't seem like a big deal, only looking back you knew it wasn't

smart. Had his conversation gone differently with his father in the spring of 1985, Patrick may never have become a criminal. While shooting hoops with his old man that breezy afternoon in April, they struck up a conversation. Patrick had been kicked out of Walt Whitman High School a few months earlier, but had been working full-time ever since. He was working hard at the time and would have kept at it. But his dad's rejection, and the way he did it, burned Patrick badly. Patrick doesn't blame his dad for becoming a criminal, but that was the final straw. Somehow, he was determined to find a way to get that Mustang GT his dad wouldn't cosign for him. Selling cocaine would help him to achieve that. That's when he began hustling. This was just the beginning of Patrick's drug selling days. He sold and trained and trained and sold. He worked with the cops, the FBI, and the DEA. It may feel like a quick high. You may think just one more big sale and you can get out. But you'll learn that the life of drugs and crime doesn't pay.

**The Alter Ego Effect** - Todd Herman 2019-02-05

Now a Wall Street Journal bestseller. What if the games we played as children were the greatest gift to helping us achieve more today? Before stage fright, impostor syndrome, emotional baggage, and the other dubious gifts of adulthood, everyone pretended to be a superhero, a favorite athlete, an inspiring entertainer, a nurse, a firefighter, a lion, or whatever else captured our imaginations. And yet, that natural creativity is slowly squeezed out of us because we think it's childish or it's "time to grow up." Now Todd Herman—backed by scientific research and countless stories from the real world—will show us how to tap into the human imagination to unleash new versions of ourselves, ready-made to kick ass. Herman has been coaching champions in every field for over twenty years, and he's helped them bring out their Heroic Self to transcend the forces pulling them into the Ordinary World. Anyone attempting ambitious things faces adversity, resistance, and challenges, but Herman confronts these obstacles with a question: Who or what needs to show up to make success inevitable? In *The Alter Ego Effect*, Herman presents countless stories from salespeople, executives, entertainers, athletes, entrepreneurs, creatives, and historical figures to illustrate how to activate the Heroic Self already nested inside each of us. And he reveals that we may not be using those traits in the moments when we need them the most. From the creative entrepreneur who resisted their craft, to the accomplished military officer who wanted to be a warmer dad at home, Todd Herman's clients have discovered there is no end to the parts of their lives they could improve by using Alter Egos.

**The Collective Wisdom of High-Performing Women** - Colleen Moorehead 2019-04-23

Examines the 10 key characteristics of today's winning leaders. Includes the voices of experience, some 70 women who have participated in the Judy Project, a leadership program run by the Rotman School of Management at the University of Toronto that has trained 400 women for future leadership positions. These women tell compelling, first-person stories about ambition, courage, and the hard choices they've made to manage their personal and professional lives in the real world of business.--Book jacket.
