**My Boss Is a DILF** Nico Fox 2020-07-27 "There's no way a hot DILF like that would be interested in an awkward recent college grad like me." **DILF: Confessions of a Sexy Dad** William Wright 2015-06-09 Everyone who's watched American Pie knows about MILFs, but have you ever heard of a DILF? You have now. DILF: CONFESSIONS OF A SEXY DAD covers topics such as jorts, Honey Boo Boo and the Pittsburgh Steelers. Even when more controversial subjects such as drugs and religion are discussed, DILF - Yours Truly - maintains his sense of humor. DILF is built around three stories. The first is "Forbidden Fruit," the story of Adam and Eve told as if Adam's gay partner Steve lived with them in Eden. The second is "Bed Buddies," about a modern-day couple trying an open marriage, and the third is "A Family Affair," a potboiler about a woman whose family secret comes back to haunt her. Anyway, I'd say more but the ol' ball and chain is telling me to wrap it up. Apparently our kitty made a number two, and the litter box isn't going to clean itself. Clearly my wife didn't get the sexy dad memo. Just do me a favor and check out the preview. That says you need to know, thanks.

*Serving the DILF* Michael Levi 2022-10-25 "He's much older than me and nothing can ever happen between us, even though he's smoking hot. And I say that as a straight guy myself. Nothing wrong with admitting that another man looks sexy, or at least that's what I keep telling myself when it all comes out. It turns out that the mixed signals have been part of his filthy plan for me all along." 'Serving the DILF' features all five stories in the College Experiences series. It's peppered with older man, age gap, and submissive playthings. It has a little bit of BDSM too! Check out the included stories: 1. Girlfriend's Dirty DILF Glenn is different, imposing, protective, and also... my girlfriend's dad and History professor. He's a tough guy. He picks on me all the time, afraid that I'll upset Victoria. He makes me feel small just by being near him, and I'm certain he knows that. Thus, it's no surprise when he invites me over to his favorite pub, and I have to go. Thinking that he'll just iron out a couple of things about my relationship with

Vic, the last thing I thought was going to happen was him finding out about a secret of mine. He makes something stir in my pants and I'm not ashamed of it. 2. Boyfriend's Naughty DILF Chuck feels something that he shouldn't for me and I know it. Even as we play basketball, it's all so obvious. I know that I shouldn't. We shouldn't let it happen, especially because I already have a boyfriend. And yet, something I have gets rock-hard when he bumps his body against mine. I think it might finally happen. It's dark and I hear someone swimming in the pool. I don't think that it's Chuck, but if it is... I can't help but wonder how he looks without his clothes on. Hmm, he's older than me and a professor in the college where I study, so I think that our little affair might happen so that I can get a better grade on my next midterm. 3. Best Friend's Filthy DILF Why do I feel this sudden, uncontrollable attraction to Mark, the hot football coach from college? It doesn't even make sense - I'm 100%, fully straight. Nothing can ever change that and yet the older, imposing man stirs something different in me. Every time that we practice football and his body is all sweaty, it's like a torment I can never escape from. And it all gets so much worse when he invites me to a party right in his house. I have to 'enjoy myself' right in his guest bedroom to feel less desperate about it all when I, then, notice something strange coming from the swimming pool. The cocky, married instructor is swimming and he wants to give me a few lessons... 4. Ex-Girlfriend's Hot DILF I broke up with my girlfriend. Things just weren't going well between us. That should've been the end of everything between us, but her father wants an explanation, and it has to come from me. Bryan is... nothing short of imposing, big in every way, and also my Physics professor. That's right, I'm his student, which makes this all so much more uncomfortable. When I'm finally alone with him and he sits across from me, I can't help but begin to feel something alien for him. My eyes keep checking out something between his legs that I shouldn't. After all, I'm completely, 100% straight. 5. Ex-Boyfriend's Cocky DILF Things didn't work out between my boyfriend and me. In the end, he just wasn't the right one. That's not to say that I gave up on love, though. Far from it. I'm already out on the hunt for a hot, spicy date when I stumble on an interesting profile on a dating app. He's older than me, mouthwateringly cocky, and is hungry to have me over in his house. My heart thumps in my chest in excitement, but I'm only being a fool about this. It turns out that 'Prof123' is actually someone that I know well. Note: characters are unrelated, consenting adults.

**Claim My Baby** Taryn Quinn 2018-02-28 You're going to be a daddy. Those were the last words I ever expected to hear. As one of the fabled Hamilton twins, I enjoy my life just as it is. Why wouldn't I? Check out my stats. Co-owner of Hamilton Realty, a multimillion dollar business. Doting uncle to my niece, Laurie, and my soon-to-be nephew. All-around sexy, single guy who doesn't do strings-ever. Then I went to Vegas with my sister-in-law's best friend, Sage. Choices were made. Alcoholic beverages were consumed. Virginities were taken. Hers, not mine. Then Sage announced I'd knocked her up. And oh yeah, she doesn't expect me to take an active role, because she knows I can't handle anything except my d\*ck. Say what? She's so wrong, and I'm going to prove it to her. I'm going to claim my baby-and Sage. Author's note: This book is about the process of becoming a DILF. Oliver doesn't start out as a single father, but by the end of the book? Hoo boy. Author's note part deux: Claim My Baby is a standalone rom com with a romantic HEA ending and no cliffhanger.

**Don't Date A DILF** Dj Jamison 2023-05-22 I have one rule to live by: Don't Date a DILF. I've seen the consequences of blurring the boundaries between teaching life and dating life, and I'm not about to take that kind of risk. But I didn't count on Hunter Rhodes walking into my school. Never expected that the broad-shouldered, stubble-jawed, absolute glory of a man would be such a sweet and caring father. Or that as a seemingly straight man, he might decide he wants me. If my Nana has her way...I'll be in love with someone by the end of the school year, but there's only one man who tempts me. With her matchmaking in overdrive and half the single women in Granville setting their sights on Hunter, faking a relationship could give us both a reprieve, but at what cost? It might be fun and games for Hunter, but separating pretend feelings from real won't be so simple for me. And then there's that rule... Can I date a DILF without disaster--or will all my fears come true? Don't Date a DILF is Book 1 of Rules We Break, a spin-off

series from Games We Play, set in the small, quirky town of Granville, where nosy residents meddle in one another's lives, great friendships are made, and silly innuendos are a way of life.

**First Time Gay with the DILF Professor** Nico Fox 2020-07-27 "The professor oozed sex appeal. His eyes were deep and inviting and his beard showed mature intelligence. His booming deep voice lured his students in." Jace is a college freshman attending his first English class, taught by Professor Tobias Jackson, who is a family friend of Jace's father. Jace always had a secret crush on the professor, but could never act on it. Seeing the DILF professor again has made 18-year-old Jace question whether he's straight, bi-curious, or something else. He has his eyes on the professor, but also a spot in the university's prestigious writing program. The professor is all too happy to help young Jace out on his journey, but he wants something in return.

Single Parents Berit Åström 2021-05-29 This edited volume addresses how single mothers and fathers are represented in novels, self-help literature, daily newspapers, film and television, as well as within their own narratives in interviews on social media. With proportions varying between countries, the number of single parents has been increasing steadily since the 1970s in the Western world. Contributions to this volume analyse how various societies respond to these parents and family forms. Through a range of materials, methodologies and national perspectives, chapters make up three sections to cover single mothers, single fathers and solo mothers (single women who became parents through assisted reproductive technologies). The authors reveal that single parenthood is divided along the lines of gender and socioeconomic status, with age, sexuality and the reason for being a single parent coming into play. Chapter 11 is available open access under a Creative Commons Attribution 4.0 International License via [link.springer.com](http://link.springer.com).

First Time Gay with My Girlfriend's Dad Nico Fox 2020-07-27 "I'd always been slightly bi-curious, although I never acted on it. My girlfriend thought it was funny when I told her. What I failed to tell her, is that my bi-curious thoughts focused solely on her dad. He was a DILF if I'd ever seen one." Asher has been dating his girlfriend Grace for two years, but it's her dad Shaun that he has his eye on. When the central air conditioning unit breaks down at Grace's house in the middle of the Arizona summer, her dad sets out to install a new one. Asher, eager to show his girlfriend he's the marrying kind, the type of guy who can handle fixing things around the house, offers to help Shaun with the installation. What Asher doesn't know, is that Shaun is eager to teach him much more about what it means to be a man.

As a geeky gamer with a bad case of acne, she was totally out of my league. But I'm all grown up now, with a medical degree and an in-depth knowledge of female anatomy I'm not afraid to use. When we cross paths again I finally get my chance to live out a few teenage fantasies and prove I can be her guy. I just have to convince Stef to take a chance. No matter how much I want to open my legs for the DILF.
