[Shakespearean Echoes](#) - Kevin J. Wetmore Jr. 2015-05-07

Shakespearean Echoes assembles a global cast of established and emerging scholars to explore new connections between Shakespeare and contemporary culture, reflecting the complexities and conflicts of Shakespeare's current international afterlife.

[Shakespearean Spaces in Australian Literary Adaptations for Children and Young Adults](#) - Michael Marokakis 2022-07-29

Shakespearean Spaces in Australian Literary Adaptations for Children and Young Adults offers a comprehensive examination of Shakespearean adaptations written by Australian authors for children and Young Adults. The 20-year period crossing the late-twentieth and early twenty-first centuries came to represent a diverse and productive era of adapting Shakespeare in Australian literature. As an analysis of

Australian and international marketplaces, physical and imaginative spaces and the body as a site of meaning, this book reveals how the texts are ideologically bound to and disseminate Shakespearean cultural capital in contemporary ways. Combining current research in children's literature and Bourdieu's theory of cultural capital deepens the critical awareness of the status of Australian literature while illuminating a corpus of literature underrepresented by the pre-existing concentration on adaptations from other parts of the world. Of particular interest is how these adaptations merge Shakespearean worlds with the spaces inhabited by young people, such as the classroom, the stage, the imagination and the gendered body. The readership of this book would be academics, researchers and students of children's literature studies and Shakespeare studies, particularly those interested in Shakespearean cultural theory, transnational adaptation and literary appropriation. High school educators and pre-service teachers would

also find this book valuable as they look to broaden and strengthen their use of adaptations to engage students in Shakespeare studies.

**A Wounded Name** - Dot Hutchison 2013-09-01

Ophelia Castellan will never be just another girl at Elsinore Academy. Seeing ghosts is not a skill prized in future society wives. Even when she takes her pills, the bean sidhe beckon, reminding her of a promise to her dead mother. Now, in the wake of the Headmaster's sudden death, the whole academy is in turmoil, and Ophelia can no longer ignore the fae. Especially once she starts seeing the Headmaster's ghosts—two of them—on the school grounds. Her only confidante is Dane, the Headmaster's grieving son. Yet even as she gives more of herself to him, Dane spirals toward a tragic fate—dragging Ophelia, and the rest of Elsinore, with him. You know how this story ends. Yet even in the face of certain death, Ophelia has a choice to make—and a promise to keep.

**Witch Way to Murder** - Shirley Damsgaard 2009-10-13

Bewitched meets Murder She Wrote in this delightful new cozy mystery series featuring Ophelia Jensen, small town librarian and reluctant psychic, and her grandmother Abby, a benevolent witch. Thirty something Ophelia Jensen wants to live a quiet life as a small town librarian. She's created a comfortable existence with her kooky, colorful grandmother Abby, and if it were up to her, they could live out their days—along with Ophelia's dog Lady and cat Queenie—in peace and quiet. But, to Ophelia's dismay, she and Abby aren't a typical grandmother/granddaughter duo. She possesses psychic powers, and Abby is a kindly witch. And while Ophelia would do anything to dismiss her gift—harboring terrible guilt after her best friend was killed and she was unable to stop it—threatening events keep popping up, forcing her to tap into her powers of intuition. To make matters worse, a strange—yet devastatingly attractive—man is hanging around Ophelia's library, and no matter how many times she tells him she's sworn off men forever, he persists. Soon this handsome newcomer reveals he's following a lead on a local drug ring, and then a dead body shows up right in Abby's backyard. And much as Ophelia would like to put away her spells forever, she and Abby must use their special powers to keep themselves, and others, out of harm's way.

**Literature for Young Adults** - Joan L. Knickerbocker 2017-03-15

Young adults are actively looking for anything that connects them with the changes happening in their lives, and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read. It explores a great variety of works, genres, and formats, but it places special emphasis on contemporary works whose nontraditional themes, protagonists, and literary conventions make them well suited to young adult readers. It also looks at the ways in which contemporary readers access and share the works they're reading, and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs. In addition to traditional genre chapters, Literature for Young Adults includes chapters on literary nonfiction; poetry, short stories, and drama; cover art, picture books, illustrated literature, and graphic novels; and film. It recognizes that, while films can be used to complement print literature, they are also a literacy format in their own right—and one that young adults are particularly familiar and comfortable with. The book's discussion of literary language—including traditional elements as well as metafictional terms—enables readers to share in a literary conversation with their students (and others) when communicating about books. It will help readers teach young adults the language they need to articulate their responses to the books they are reading.

**The True Story of Hamlet and Ophelia** - Fredericka Beardsley Gilchrist 2010-04-01

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**Hamlet** - William Shakespeare 2021-02-09

Hamlet, probably composed between 1599 and 1601, takes place in Denmark and tells how Prince Hamlet carries out his revenge on his uncle Claudius who murdered Hamlet's father, the king, and holds the usurped crown as well as nuptials with Gertrude, the mother of Hamlet. The play is vividly traced around insanity (both real and feigned) and the course from deep pain to inordinate anger. It also explores the themes of betrayal, revenge, incest and moral corruption.

**Dating Hamlet** - Lisa Fiedler 2003

It isn't easy dating a prince, especially when that prince is Hamlet. In fact it drives Ophelia to madness... Or does it?

**Romeo's Ex** - Lisa Fiedler 2006-09-19

In a story based on the Shakespeare play, sixteen-year-old Roseline, who is studying to be a healer, becomes romantically entangled with the Montague family even as her beloved young cousin, Juliet Capulet, defies the family feud to secretly marry Romeo.

**To Be or Not To Be** - Ryan North 2016-09-06

From the bestselling author of *Romeo and/or Juliet* and *How to Invent Everything*, the greatest work in English literature, now in the greatest format of English literature: a chooseable-path adventure! When Shakespeare wrote *Hamlet* he gave the world just one possible storyline, drawn from a constellation of billions of alternate narratives. And now you can correct that horrible mistake! Play as Hamlet and avenge your father's death—with ruthless efficiency this time. Play as Ophelia and change the world with your scientific brilliance. Play as Hamlet's father and die on the first page, then investigate your own murder... as a ghost! Featuring over 100 different endings, each illustrated by today's greatest artists, incredible side quests, fun puzzles, and a book-within-a-book instead of a play-within-a-play, *To Be or Not To Be* offers up new surprises and secrets every time you read it. You decide this all sounds extremely excellent, and that you will definitely purchase this book right away. Because as the Bard said: "to be or not to be... that is the adventure." ...You're almost certain that's how it goes. *To Be or Not To Be* originally launched as a record-breaking Kickstarter project. This new, reader-friendly edition features the same text and illustrations as the original version, redesigned to take up half as many pages and weigh a whole pound less.

**Adapting Canonical Texts in Children's Literature** - Anja Müller 2013-04-14

Collection analysing the intercultural communication and adaptation of Anglophone children's literature in Europe, across generations and borders.

**Dating Hamlet** - Lisa Fiedler 2008-11-24

Dating Hamlet: Ophelia's Story

**Still Shakespeare and the Photography of Performance** - Sally Barnden 2019-12-19

Examines both theatrical and staged art photographs, demonstrating their role in fixing and unfixing Shakespearean authority.

**Shakespeare and Space** - Ina Habermann 2016-04-11

This collection offers an overview of the ways in which space has become relevant to the study of Shakespearean drama and theatre. It distinguishes various facets of space, such as structural aspects of dramatic composition, performance space and the evocation of place, linguistic, social and gendered spaces, early modern geographies, and the impact of theatrical mobility on cultural exchange and the material world. These facets of space are exemplified in individual essays. Throughout, the Shakespearean stage is conceived as a topological 'node', or interface between different times, places and people - an approach which also invokes Edward Soja's notion of 'Thirdspace' to describe the blend between the real and the imaginary characteristic of Shakespeare's multifaceted theatrical world. Part Two of the volume emphasises the theatrical mobility of Hamlet - conceptually from an anthropological perspective, and historically in the tragedy's migrations to Germany, Russia and North America.

**Falling for Hamlet** - Michelle Ray 2011-07-05

Passion, romance, drama, humor, and tragedy intertwine in this compulsively readable *Hamlet* retelling, from the perspective of a strong-willed, modern-day Ophelia. Meet Ophelia, high school senior, daughter of the Danish king's most trusted adviser, and longtime girlfriend of Prince Hamlet of Denmark. She lives a glamorous life and has a royal social circle, and her beautiful face is splashed across magazines and television screens. But it comes with a price—her life is ruled not only by Hamlet's fame and his overbearing royal family but also by the paparazzi who hound them wherever they go. After the sudden and suspicious death of his father, the king, the devastatingly handsome Hamlet spirals dangerously toward madness, and Ophelia finds herself torn, with no one to turn to. All Ophelia wants is to live a normal life. But when you date a prince, you have to play your part. Ophelia rides out this crazy roller coaster life, and lives to tell her story in live television interviews.

*Curtain Up* - Lisa Fiedler 2015-05-01

After 12-year-old Anya is cut from her middle school soccer team, she decides to pursue her true passion, which is theater. With the help of her sister and new friend Austin, Anya puts together a kids' summer theater troupe (The Random Farms Kids' Theater), recruiting area kids as actors and crew members. Acting as director, Anya has to navigate the ups and downs of a showbiz life, including preparing scripts, finding a venue, and handling ticket sales, not to mention calming the actors' insecurities and settling conflicts. It's a lot of responsibility for a 12-year-old. Will their first show ever get off the ground? This series is closely based on the real-life experience of Anya Wallach, who began a summer theater "camp" in her parents' basement when she was just sixteen years old. Today, Random Farms has launched the careers of many of today's youngest stars on Broadway.

Ophelia - Lisa Klein 2010-12-15

NOW A MAJOR MOTION PICTURE! If you think you know Ophelia and Hamlet's story, think again ... 'A spellbinding tale of love, murder, and revenge' VOYA As ambitious and witty as she is beautiful, Ophelia is quick to catch the eye of the captivating prince Hamlet. Their love blossoms in secret, but bloody deeds soon turn Denmark into a place of madness, and Ophelia may be forced to choose between her relationship and her own life. In desperation, she devises a plan to escape from Elsinore Castle forever ... with one very dangerous secret. Ophelia takes center stage in this bold and thrilling reimagining of Shakespeare's famous

tragedy, the story of a young woman falling in love, searching for her place in the world, and finding the strength to survive.

**Reimagining Shakespeare for Children and Young Adults** - Naomi Miller 2013-10-15

First published in 2003. Routledge is an imprint of Taylor & Francis, an informa company.

**Edinburgh Companion to Shakespeare and the Arts** - Mark Thornton Burnett 2011-10-12

This authoritative and innovative volume explores the place of Shakespeare in relation to a wide range of artistic practices and activities, past and present.

*Shakespeare for Young People* - Abigail Rokison-Woodall 2015-01-01

The search to find engaging and inspiring ways to introduce children and young adults to Shakespeare has resulted in a rich variety of approaches to producing and adapting Shakespeare's plays and the stories and characters at their heart. Shakespeare for Young People is the only comprehensive overview of such productions and adaptations, and engages with a wide range of genres, including both British and American examples. Abigail Rokison covers stage and screen productions, shortened versions, prose narratives and picture books (including Manga), animations and original novels. The book combines an informative guide to these interpretations of Shakespeare, discussed with critical analysis of their relative strengths. It also includes extensive interviews with directors, actors and writers involved in the projects discussed'.
