The Right to Sex Amia Srinivasan 2021-08-19 A SUNDAY TIMES BESTSELLER BLACKWELL'S BOOK OF THE YEAR 2021 SHORTLISTED FOR THE ORWELL PRIZE 2022 Essential lessons on the world we live in, from one of our greatest young thinkers - a guide to what everybody is talking about today 'Unparalleled and extraordinary . . . A bracing revivification of a crucial lineage in feminist writing' JIA TOLENTINO 'I believe Amia Srinivasan's work will change the world' KATHERINE RUNDELL 'Rigorously researched, but written with such spark and verve. The best non-fiction book I have read this year' PANDORA SYKES ----- How should we talk about sex? It is a thing we have and also a thing we do; a supposedly private act laden with public meaning; a personal preference shaped by outside forces; a place where pleasure and ethics can pull wildly apart. Since #MeToo many have fixed on consent as the key framework for achieving sexual justice. Yet consent is a blunt tool. To grasp sex in all its complexity - its deep ambivalences, its relationship to gender, class, race and power - we need to move beyond 'yes and no', wanted and unwanted. We need to interrogate the fraught relationships between discrimination and preference, pornography and freedom, rape and racial injustice, punishment and accountability, pleasure and power, capitalism and liberation. We need to rethink sex as a political phenomenon. Searching, trenchant and extraordinarily original, *The Right to Sex* is a landmark examination of the politics and ethics of sex in this world, animated by the hope of a different one.

Pornification Kaarina Nikunen 2007-11-01 Pornification presents an international overview of how pornography - from softcore to hardcore, gay to straight, female to male, black to white - infiltrates and proliferates through our media. Porn is everywhere; from the suggestiveness of music videos to the explicit discussions of popular magazines; from the erotica of advertising to the refashioning of sex acts into art works; from a small garage industry to an internet empire. The media immerses us in the pornographic aesthetic. Now integral to popular culture, porn is part of our everyday lives. Sexual desire is commodified, pornified and the media leads the way. Exploring music videos, alt porn sites, Cosmogirls and Gaydar online forums, H&M's street advertising, retro pin-ups, film and educational sex videos alike, Pornification analyses the transformation of porn in today's media and its impact on our culture.

Pauline Boty Marc Kristal 2023-11-02 'How wonderful that one of those exciting and innovative women artists of the 60s should be recovered and celebrated in this way.'- JULIE CHRISTIE 'Brings the British pop artist, Pauline Boty, into vivid focus' - VANITY FAIR Pauline Boty (1938 -1966) was a founding member of the British Pop Art movement and one of its very few women. She attended London's Royal College of Art at a watershed moment when its students included David Hockney, Peter Blake, R.B. Kitaj and Allen Jones. Dying tragically young at the age of 28, she is now seen as central to British Pop Art and an icon of Sixties culture. As well as her work as an artist, she

appeared on the stage, TV and in film (including alongside Michael Caine in *Alfie*) and was a regular contributor on BBC radio. She was photographed by David Bailey and other society photographers and became a key player in 1960s London's golden age. Outspoken, provocative and charismatic, she refused to accept the oppositions between sexual woman and serious artist, between celebration and critique, between high and low culture. Observer and participant, feminist and hedonist, subject and object, Boty's 'double vision' was decades ahead of its time, and prefigured a diversity of artists—everyone from Cindy Sherman to Madonna. Having been largely forgotten after her death, her reputation has been growing steadily since the rediscovery and exhibition of her works in the early 1990s. As well as cropping up regularly in various books, documentaries and newspaper articles since then, she features as a central character in Ali Smith's novel *Autumn* (2016) and one of her works sold for \$1.4m at auction in June 2022. After seeing her work at an auction in 2013, author Marc Kristal has spent almost ten years researching her life, interviewing the people who knew her and delving into archives and libraries. This is the definitive biography of her life and work, appealing to both those interested in art but in this creative period of British culture.

Sometimes Your Husband Isn't Enough Raven Merlot 2018-02-11 Sometimes your husband is not enough. Hopefully he understands this, and supports you in getting the pleasure you need. This is the sweet kind of cuckolding. With a husband who loves you and wants you to be sexually satisfied, even if it isn't with him. These bedtime stories are for those times when you want to be physically taken care of by a man who knows exactly what your body needs while being loved by a man who is committed to you no matter what. These six sweet but raunchy sexual romps are just what you need before bed, or any other time of day for that matter. They tell the stories of women finding passion and excitement in the embrace of other men. They seek it because their marriages have become dull, because they need an encounter with an aggressive alpha male, because they want to get pregnant, because they need to feel what it's like to have multiple strange men use them at the same time, and because their husbands know that a wife's pleasure has to come first. Real life cuckoldress Raven Merlot and her collaborator, Alexandra Noir, are proud to give you a peek into the exciting lifestyles that they enjoy. Don't worry! We understand your hidden desires and your secrets are safe with us. In Cuckolded by Her Stepbrother, Lana has been secretly lusting after her step-brother for years. As a teenager she accidentally walked in on him in the shower and no other man since has "measured up." No matter how hard her husband tried, he just couldn't be the man that she'd dreamed about. Finally, Lana hatches a plan over Thanksgiving to make her cuckolding fantasy come true. In My Wife Submits to Him, Jake is determined to see his wife Stella become a submissive sex puppet but he knows that he isn't the man for the job. He's fantasized about another man making his wife into a sex slave for years and he's finally hatched a plan to make sure it happens. In Taken By My Husband's Boss, Kenny has already come to terms with his wife Eva's slutty ways. He's figured that she could have a waiter or a bartender here and there if it made her truly happy. What he never reckoned with was Eva deciding that Kenny's boss, Marco, was next on her list. She'd always had her eye on him and now that Kenny is in line for a promotion Eva sees this as the perfect to cuckold Kenny for his own good. Her husband would never admit it but the thought of being one-upped by his boss might just be the cuckolding fantasy that he'd always dreamed of. In My Husband Doesn't Satisfy Me, Jenny and Stan are newlyweds, barely out of the honeymoon stage. But something was missing. Every time they were out and about her eyes would linger over the bodies, the eyes, the breasts of other women. There was an ache deep inside of her for the touch of another woman. She'd had girlfriends before but had hoped she'd left her bisexuality behind her when she got married. Regardless of her hopes she becomes infatuated with Lila, and it doesn't take much convincing for Lila to get in on the game. Before long she's calling the shots in the bedroom and both Stan and Jenny quickly learn to love it. The story continues in Craving Dark Chocolate. Stan is just getting used to his new normal of sharing Jenny with women when Lila has to move away. Now that there's less excitement in their bedroom Jenny worries that Stan thinks she isn't attracted to men anymore but she has a plan to convince him that everything is alright. Jenny decides to bring a dark-skinned bull back to their bedroom to show Stan how much she likes men and how much of a man she can take. In High Tide, Josh and Kendra have been vacationing on a tropical island when a hurricane shuts down the entire area. They take up shelter with mysterious local named Philippe. 40 and (Tired of) Faking It Ella Sheridan 2022-05-31 Welcome to Black Wolf's Bluff, where turning forty doesn't mean your life is over. It might just mean the spark that can light up everything is right around the corner. She's turning forty. Lily Easton's series of lackluster boyfriends ended three years ago with the ex from hell—self-absorbed, thoughtless, and seriously bad in bed. After she dumped him, he told everyone in their small town she was the horrible lover. Being made the dating-pool pariah allowed her to focus on her goal of becoming the first female mayor of Black Wolf's Bluff, but with that accomplished, the arrival of Lily's fortieth birthday is a stark reminder of everything she's still lacking: love, commitment, and some seriously intense orgasms. He's here to do a job. John David Lane walked away from Black Wolf's Bluff thirty years ago, determined to find his own success and leave behind the family who hated him. Now he's back, but not to stay. He plans to turn the family estate he has inherited into a high-end resort, the kind that would completely transform this backwoods town. To succeed, he'll need the help of the "lady mayor," but he didn't count on the desire for something far more personal with Lily than political negotiations. Dive into an all-new small-town romance that proves falling in love isn't impossible after forty — and neither are seriously intense orgasms!

He's always relished the attention, in fact, and is ever-willing to entertain the erotic urges of women wanting to get between more than the covers of his novels. Except once he meets Kendall, he decides it's time to put his womanizing ways behind him and devote himself to her entirely. Well, almost. . . Gorgeous Pilar is the last decadent treat Xavier decides he'll help himself to—thinking they are both on the same "no strings" page. Except behind Pilar's fine façade beats the heart of a raving maniac—a fatally attracted fan addicted to the kind of hot loving only Xavier can give her. And she's not about to let him get away from her so easily. So what starts out as a discreet dalliance soon spirals into a deadly game of obsession and pain—which can only have one winner. . .
