Eat the Beetles! - David Waltner-Toews 2017-05-09  
“Provides a sturdy literary exoskeleton to the field of human insectivory . . . it entertains as it enlightens” (Daniella Martin, author of *Edible*). Meet the beetles: there are millions and millions of them and many fewer of the rest of us—mammals, birds, and reptiles. Since before recorded history, humans have eaten insects. While many get squeamish at the idea, entomophagy—people eating insects—is a possible way to ensure a sustainable and secure food supply for the eight billion of us on the planet. Once seen as the great enemy of human civilization, destroying our crops and spreading plagues, we now see insects as marvelous pollinators of our food crops and a potential source of commercial food supply. From

upscale restaurants where black ants garnish raw salmon to grubs as pub snacks in Paris and Tokyo, from backyard cricket farming to high-tech businesses, *Eat the Beetles!* weaves these cultural, ecological, and evolutionary narratives to provide an accessible and humorous exploration of entomophagy. “Waltner-Toews punctuates this serious subject with his quirky humour . . . *Eat the Beetles!* is an essential part of a growing buzz.” —Toronto Star “An excellent read for those interested in multiple perspectives on the issue of entomophagy, digging deep into science and math with flair and irreverence.” —Scene Magazine “When it comes to the future of insects as food for humans and livestock, Waltner-Toews walks the line between skepticism and optimism in an intelligent, witty, and

provocative analysis.” —Jeff Lockwood, author of *The Infested Mind* “Full of humor and science, this edible insect book is definitely a must read!” —EntoMove Project

**The Wondering Years** - Knox McCoy 2018-11-13

Yes, you can love God and binge Netflix! Podcaster Knox McCoy, co-host of *The Popcast* with Knox and Jamie, tells hilarious stories about how pop culture helped him answer life's biggest questions in his debut book, *The Wondering Years*. Through books, television, music and movies, Knox found many of the answers he was searching for about God and why we're all here. When you hear the phrase pop culture, you likely think reality television, boy bands or *Real Housewives* of various cities. While these are elements of popular culture, they aren't all it has to offer. Pop culture may not cure diseases or make scientific breakthroughs, but it does play a vital role in the story of humanity. From the first time he was punched in the face to saving dog souls as a canine

evangelist, Knox reflects on how pop culture has helped shape his life and carve out the foundation of his faith. While the three cultural tentpoles—the South, the Church, and Sports—defined many aspects of his East Tennessee upbringing, it was pop culture that influenced Knox and his sense of the world at large.

**The Documentary Film Reader** - Jonathan Kahana  
2016-01-21

Bringing together an expansive range of writing by scholars, critics, historians, and filmmakers, The Documentary Film Reader presents an international perspective on the most significant developments and debates from several decades of critical writing about documentary. Each of the book's seven sections covers a distinct period in the history of documentary, collecting both contemporary and retrospective views of filmmaking in the era. And each section is prefaced by an introductory essay that explains its design and provides critical context. Painstakingly selected from the archives of more than a hundred years of cinema practice and theory, the essays, reviews, interviews, manifestos, and ephemera gathered in this volume suit

the needs and interests of the beginning student, the advanced scholar, the casual reader, and the working documentarian.

**Weed** - Michelle Lhoog  
2019-04-16

Packed with useful tips and

delicious recipes from a slew of experts, Weed covers smoking, cooking, and growing cannabis, as well as proper stoner etiquette and a guide to must-visit destinations around the world. Not too long ago, it might have seemed impossible that cannabis would step out of the shadows into the mainstream. But now, as legalization sweeps the globe, a new weed culture is evolving with its own set of rules--and thousands of new devotees eager to learn them. Journalist Michelle Lhoq lives in Los Angeles and is at the forefront of this revolution. Through her own expertise as well as interviews with stars from the weed scene, she presents a captivating glimpse into the wild new frontier of cannabis. This witty, insightful guidebook offers useful tips on how to smoke joints, vapes, and concentrates; make edibles and infused cocktails; grow the plant at home; and find the best cannabis stores. It imparts the wisdom of renowned potheads such as pioneering dub music producer Lee

"Scratch" Perry and includes interviews with the cannabis industry's most exciting and innovative figures, from a lauded chef who puts on a gourmet weed dinner series, to the editors of a weed-centric magazine, to a "cannasexual" sex educator, and more. Complete with vibrant new hand-drawn illustrations by the artist Thu Tran, Weed is cutting-edge, comprehensive, and brimming with sparkling personalities--an essential introduction to pot for both newbies and die-hards alike.

Hardcore Training leads to a winning team. Why should parenting be any different? Luke Carter has messed up a lot of things in the past, but being a dad and a husband? He's gonna get that right. Practice should help, except there are strategies on the ice that work with unexpected scenarios that come up with a baby. Or...two. But if this family can figure out how to juggle diaper changes, bottles, and alternating naps, maybe

Do You Want to Play? Truth Or Dare - Truth or Dare Naughty Publishings 2020-02-10

Are you into sex games with your bae? Well this sexy game book is a great way to keep the romance alive and exciting in any relationship. It will add some excitement and anticipation into your sex life. To play, simply take turns and

choose between naughty truths and dares like: Truths: If you had to choose between only oral sex or only penetrative sex for the rest of your life, which one would you pick? Is sex better when you're in love, or better when the other person is hot and mysterious? Do you know the last name of everyone you've had sex with? Have you ever taken someone's virginity? What do you think is the sexiest body part of your same sex? Dares: Let me lick your lips and you have to resist kissing or touching me the whole time. Put something edible on my forearm and lick it off. Try to undress me with one hand. Take off your pants for the rest of the game. Show me a porn video you'd want us to act out together.
