**The Highlander's Surrender** Eliza Knight 2019-09-10 Eliza Knight's bestselling Scottish historical romance series, The Stolen Bride Series, is back with another amazing tale of adventure, passion and love! Ceana Montgomery had notions of marrying for love after her first disastrous marriage ended in widowhood. But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to please the edicts of men. And while the braw warrior standing before her might incite feelings inside her she thought long since buried, desire is a far cry from love. The rivalry between Brochan Lamont and his twin brother, John, began in the womb, and only grew worse from there. They were pitted against each other in childhood, and their father left them with a legacy that was a race to the finish—whoever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and his brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it possible that love can be forged from a union born in alliance? Maybe Fate knew all along just who was meant for who...

**Death Waits in the Dark** Mark Edward Langley 2020-08-04 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he

considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Sarah is desperate to complete the garden, but Gavin is desperate, too. He'll do almost anything to get his mother to stop playing matchmaker—even if that means making a deal with Sarah to pose as his fiancée. She gets her garden, he gets his mother off his back. At least with Sarah posing as his fake fiancée, he can avoid all his mother's marriage prospects. Coming from a large and rambunctious family, all he's ever really wanted was to be alone to work on his inventions. He certainly won't let one gorgeous gardener get in his way. Sarah would never tell Gavin this, but that summer three years ago? She'd fallen hard for him. As an only child, Sarah has always wanted a large family, so when she learns he considers having a big, loud family akin to having the plague, she now realizes Gavin is definitely not the man for her. Still, she can't resist the opportunity to restore Gavin's historic garden to its former glory, so when he offers, she reluctantly agrees to pose as his fiancée and prays she can shield her heart. But even though she knows it's temporary, she surrenders to their smoldering attraction and falls hard all over again. **Dawn at Emberwilde** Sarah E. Ladd 2016-05-10 In Regency England, Isabel will discover that the key to unlocking the mystery of her past may also open the door to romance. But first she must find it—in the depths of Emberwilde Forest. For as long as she can remember, beautiful and free-spirited Isabel has strained against the rules and rigidity of the Fellsworth School in the rolling English countryside. No longer a student, Isabel set her sights on a steady role as a teacher at the school, a safe yet stifling establishment that would enable her to care for her younger sister Lizzie, who was left in her care after her father's death. The unexpected arrival of a stranger with news of unknown relatives turns Isabel's small, predictable world upside down, sweeping her and her young charge into a labyrinth of intrigue and hidden motives. At her new family's invitation, Isabel and Lizzie relocate to Emberwilde, a sprawling estate adjacent to a vast, mysterious wood rife with rumors and ominous folklore—along with whispers of something far more sinister. Perhaps even more startling, two handsome men begin pursuing Isabel, forcing her to learn the delicate dance between attraction, the intricate rules of courtship, and the hopes of her heart. Isabel never dared to dream that love could be hers. Now, at the edge of a forest filled with dark secrets, she faces a fateful choice between love and duty.

**The Widow Waltz** Sally Koslow 2013-06-13 "This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives.
