

Falling For Her Client

Beloved by Clients S. Morgan Friedman 2020-11-09 The open secret of professional work is that results are not the main factor in determining how happy your clients are with your work. What is? Your boss or client loving your communication, processes, details, responsiveness, and much more "meta work" matters just as much as the work itself. But no one explicitly teaches these to you. Until now. *Beloved by Clients* is the original and ultimate guide to "Managing Up," the practical guide to how to work professionally that you wish you had gotten ten years ago.

Falling For Her Client Palmer Jones 2020-04-10 SHE KNOWS WHAT SHE WANTS. Lexi Caden loves her life. Her freedom. Her independence. She dates men on her terms. Compromise isn't in her playbook. But Nash changes the game. Designing Nash's country store in the small town of Statem, GA, is a straightforward project for Lexi. Several of her clients in the past were attractive men. What is it about the sexy farmer that captured her attention? It doesn't matter. Dating a client is against company policy and will result in being fired...immediately. HE KNOWS WHAT SHE NEEDS. Nash Holloway has his own rules in place. He'll never marry or leave Statem again. Moving to a major city and leaving his farm tainted his view of marriage. Love isn't worth it. That makes his attraction to his pretty architect easy to handle. The short-term romance is exactly what he wants. A few dates to show his uptight, city girl a good time. But Lexi destroys his plans. *Falling for Her Client* is a lighthearted, contemporary romance, the second of six books in the *A Southern Kind of Love* series by Georgia native and award-winning author, Palmer Jones. *A Southern Kind of Love*: 1. Hiding from the Sheriff 2. *Falling for Her Client* 3. Dreaming of Her Movie Star 4. Engaging with Her Enemy 5. Kissing Her Rescuer 6. Finding Her Leading Man *O'Keeley's Irish Pub Series*: 1. Her Irish Boss 2. Her Irish Chef 3. Her Irish Flirt

Falling Into Crime Penny Grubb The first three books in Penny Grubb's crime series about private investigator, Annie Raymond, have been re-edited and brought together in this fast-moving trilogy, *Falling into Crime*. - Like *False Money* (nominated for the John Creasy Crime Dagger) sees fledgling PI Annie Raymond arrive in Hull on the North-East coast of England to take a temporary job in a profession that has been her goal since childhood. Problems start with a boss who hadn't wanted to hire her, a job she has no idea how to do, and a schoolgirl who is ready to blacken her name to save her own skin. Not only has Annie herself walked into a trap but her inexperience has also led a young girl into mortal danger. If she can't find her way out of the tangle, it won't be just her career that is over before it starts. - The *Jawbone Gang* sees Annie more settled - on the face of it. Her hard

work has won her a place in a small agency where she develops her expertise and confidence. But her personal ambitions have stalled and as she plots to get herself back on track, a tangled case full of contradictions lands in her lap and threatens to sour her previously good relations with the local police. She used to be able to leave other people's problems behind her when she closed the office door. But not this time. - *The Doll Makers* (winner of an international Crime Writers' Association Dagger) sees Annie, now a seasoned investigator, working for a successful London-based agency. Not everything is going as well as it should, but it's the tangle in her family life that's at the forefront of Annie's mind as she travels back to Argyll to see her father, unaware that she is stepping into a cataclysm that will change lives. Through it all she clings to her prized professionalism, until faced with a terrible choice; fake the evidence and wreck her prized professionalism or face the consequences to a loved one if she plays straight? Distracted, she takes her eye off the ball and misses vital evidence in a case she thought wasn't her business. Someone is watching her closely, determined that evidence will never be delivered.

The Four Seasons Collection: It Happens Every Spring / Summer Breeze / Falling for You Again / Winter Turns to Spring Catherine Palmer 2017-07-04 This collection bundles together all 4 of the Four Seasons novels by popular authors Catherine Palmer and Gary Chapman into one e-book for a great value! The series is based on the marriage principles found in Gary Chapman's non-fiction book *The Four Seasons of Marriage*. Similar in tone and light-hearted, quirky humor as Jan Karon's Mitford series, Fannie Flagg's books or Steel Magnolias. Each book has a study guide that talks about the four seasons of marriage and the healing strategies depicted in that volume's story. #1: *It Happens Every Spring* Meet the characters that live, work, dream, and love in the community of Deepwater Cove. Four married couples, all in different stages in life, experience the joys and hardships of marriage as examined in Gary Chapman's *The Four Seasons of Marriage*. In book one, Steve and Brenda face a common problem among middle-age couples: empty nest syndrome. Steve works too much, and with their two children out of the house, Brenda feels lonely and unfulfilled. In order to save their marriage, the two must learn to reconnect. Readers are also introduced to many charming characters, like Cody, the mentally challenged homeless man that shows up on Steve and Brenda's porch; Pete, who owns the Rods 'N' Ends tackle shop; and Patsy Pringle, who owns the Just As I Am beauty parlor, where much of the action takes place. #2: *Summer Breeze* Readers meet the blended family of Derek and Kim Finley. Kim has a set of twins—one boy and one girl—from her first marriage; Luke has recently been diagnosed with diabetes, and Lydia is acting out as a result of the attention now being showered on Luke. To complicate matters, Derek's overbearing mother comes to live with them. With all that's going on in their lives, Kim and Derek's communication begins to break down and their marriage slowly moves into winter. Although the second book will focus on Kim and Derek, readers will also encounter all their favorite characters—Patsy Pringle, Pete Roberts, Steve and Brenda, Esther and Charlie—as well as some new ones, like the proprietor of the new sandwich shop that's moved in next to Patsy's beauty parlor. #3 *Falling for You Again* Charlie and Esther Moore have been married nearly fifty years when the contented life they've built together begins to crumble. Esther has been forgetful recently, but it's rarely a problem until the day she puts her car in drive instead of reverse, flying off the end of the carport and into the backyard. Esther's accident and declining health shatter their reverie, and the couple must come to terms with all the paths their lives have not taken if they ever hope to pull their marriage out of winter. As always, the quirky characters of Deepwater Cove will pop in and out of the story and delight readers. #4: *Winter Turns to Spring* Brad and Ashley Hanes are young newlyweds who are facing their first season of winter. Opposite work schedules, differing views on finances and when to start a family, and Brad's selfish and immature habits are forcing the young couple apart, causing them to question why they ever got married in the first place. It will take a whole lot of help—mostly from their nosy but well-meaning neighbors—for Ashley and Brad to pull their marriage out of the winter blues and into a hopeful spring. As usual, the residents of Deepwater Cove will pop in and out of the story to delight readers. They'll encounter Cody and see his continued independence and growing friendship with Jennifer; Patsy and Pete's escalating romance; and Charlie, a recent widower who is taking on the challenges and excitement of his golden years with zeal.

Fear of Falling Georgia Beers 2019-06-11 Since she was fourteen, singer Sophie James has been an international superstar. With her career (and life) directed by her manager, Ray, she hasn't had to worry about a thing for more than a decade...not where she goes, not what she sings, not who she is. But when Ray has a heart attack, Sophie is left without the only real father figure she's ever known and questioning everything she believes about what's important to her. Enter Dana Landon, the new manager sent by Sophie's record company. Dana is gorgeous, sophisticated, and ready to do her job keeping Sophie's career on track and making the record company money. Dana captures Sophie's attention in ways Sophie never expected and isn't ready for, but after so many years of being told what to do, Sophie's ready to shake things up with some ideas of her own. Ones Dana hasn't been planning on and isn't at all sure she likes.

Falling for Her Fake Boyfriend Britney M. Mills 2021-03-22 A marketing ceo, a skin care business owner, and a fake relationship. Tristan Delacroix rose to billionaire status when he took over his father's marketing firm. But he's determined to expand his business to include advertising for the beauty industry, even though his experience is in products targeted at men. When he meets the owner of a skin care company, he does everything he can to win her over as a client, hoping it will be his breakthrough opportunity. Juliette Rousseau started creating products for her skin as a teen, hoping to cure her own skin woes. What started as her selling to neighbors has turned into a rising beauty company in Paris. She doesn't need anyone or anything, until a lie about her relationship status gets called into question by her mother. When Juliette asks Tristan to be her fake boyfriend for a couple of weeks, will they each come out with what they wanted at the beginning? Or will spending time together change their perceptions and make them realize love starts with a leap?

Lying Down in the Ever-Falling Snow Wendy Austin 2013-04-23 First used to describe the weariness the public felt toward media portrayals of societal crises, the term compassion fatigue has been taken up by health professionals to name—along with burnout, vicarious traumatization, compassion stress, and secondary traumatic stress—the condition of caregivers who become “too tired to care.” Compassion, long seen as the foundation of ethical caring, is increasingly understood as a threat to the well-being of those who offer it. Through the lens of hermeneutic phenomenology, the authors present an insider's perspective on compassion fatigue, its effects on the body, on the experience of time and space, and on personal and professional relationships. Accounts of health professionals, alongside examinations of poetry, images, movies, and literature, are used to explore the notions of compassion, hope, and hopelessness as they inform the meaning of caring work. The authors frame their exposé of compassion fatigue with the very Canadian metaphor of “lying down in the snow.” If suffering is imagined as ever-falling snow, then the need for training and resources for safe journeying in “winter country” becomes apparent. Recognizing the phenomenon of compassion fatigue reveals the role that health services education and the moral habitability of our healthcare environments play in supporting professionals' ability to act compassionately and to endure.

Finding Her Leading Man Palmer Jones 2020-04-10 Broadway superstar Samantha Nilsson needs a break from the limelight. Well, in all honesty, the break away from the lights of New York was made at the request from her director. She “might” have lost a touch of her professionalism during a performance when she found out her co-star and fiancé had cheated on her...several times...with various actresses and even her agent. That love song at the end of her last performance raised a few eyebrows when she tried to shove him off the stage as she hit the high note. Getting away as far away as possible from the drama and gossip of showbiz led her down south, to the small town in Georgia where her mom grew up. No backstabbing agents. No slick-talking men. Nothing but honest work at the local diner and time to heal. But her peaceful refuge shatters when Trevor Johnson arrives in town. The man is tall, sexy, and she needs to keep ten feet away from him at all times. Because aside from his magnetic personality, he seems like a genuinely nice guy who would do anything to help his sister, Addie, with her upcoming wedding. Nice guy or not, he’s still an agent and, well, a man, and those two things she’s sworn off. Avoiding him is a success, until Addie asks Samantha for two massive favors. First- sing at her wedding. Second- pretend to be Trevor’s girlfriend. Sounds easy...right? Finding Her Leading Man is the sixth book in the A Southern Kind of Love series from Palmer Jones. A Southern Kind of Love Series: 1. Hiding from the Sheriff 2. Falling for Her Client 3. Dreaming of Her Movie Star 4. Engaging with Her Enemy 5. Kissing Her Rescuer 6. Finding Her Leading Man O’Keeley’s Irish Pub Series: 1. Falling for Her Client Britney M. Mills 2021-03-22 A self-made billionaire, his real estate agent and three weeks to find the right property. Jackson Walker hasn't had the best family life. Growing up in the foster system in Australia, it wasn't until he met his college football coach that he understood what a normal family looked like. When he gets the call that Coach has passed away, he returns to California for the funeral and to find a place to honor the man. Hailey Montgomery threw herself into real estate soon after breaking up with her boyfriend nearly five years ago. She's been working to build a name for herself and when the chance to make partner at her firm becomes available, she jumps at the chance. But the only way to achieve that distinction is to find a commercial property for the guy she's nicknamed 'Golden Boy' from all the stories her father told about him. As spending time together brings them closer, the trust between them is called into question. Can they work through what's happened in their individual pasts to create a relationship that will last?

Perfectly Matched: Harbor Falls Romance Collection - Boxed Set Maddie James 2017-01-29 THE MATCHMAKING CHEF COLLECTION The eight Matchmaking Chef novellas When Suzie Matthews (Bed, Breakfast & You) accidentally cooks up a scene that causes her sister to get back together with her high school boyfriend (Home for the Holidays), she wonders if she can help other singletons living in the small mountain town of Legend, Tennessee find the loves of their lives. Being a matchmaker isn't really on her list of things to do--after all, she has a bed & breakfast to run, cookbooks to write, and a television show on the Food Channel to keep up with. But baking is her thing, and perhaps matchmaking can be her thing, too. After all, there is a song going through her head that goes something like this... Matchbaker, Matchbaker, bake me a match? No wait. Make me a match. Nevermind! You get the picture, right? Welcome to Legend, Tennessee. And welcome to the matchbaking, er, matchmaking world of Chef Suzie Matthews.

Kissing Her Rescuer Palmer Jones 2020-04-10 SHE WANTS TO MAKE IT ON HER OWN. A one-night stand eight years ago wouldn't even make it on the radar for some women. For Eliza Campbell, she's held on tight to the memories. She believed in his promises to take care of her and his determination to protect her from her abusive husband. That single night, Dewey Mitchell loved her. But instead of accepting Dewey's proposal, she stayed with her husband for her daughter's sake, giving up any hope of coming home. Until now. Back in her hometown, her only concern is to provide for her daughter after her divorce. Because she learned her lesson the first time. She will never rely on a man again. HE WILL ALWAYS PROTECT HER. Eliza is back. Taking care of her is twisted deep into Dewey's DNA, but she already destroyed his heart once. The offer of his love, money, and security is off the table now. He learned his lesson the first time. But the longer she's around the small town, the more he sees of the woman who haunts his dreams, the weaker his determination to keep his heart, and his hands, to himself becomes. He will never risk everything again, but reliving their one night together might be inevitable. *Kissing Her Rescuer* is book five in the Southern Kind of Love Series by award-winning author, Palmer Jones. Mine J. L. Butler 2019-03-19 In this riveting tale of psychological suspense, a divorce lawyer risks her career, her sanity, and her life when she falls into an illicit, all-consuming affair with her client—who becomes the primary suspect in his estranged wife’s sudden disappearance. Young divorce lawyer Francine Day has methodically built her career doing everything right. She’s one big case away from securing her place among London’s legal elite. But when she meets her new client, Martin Joy, the natural caution that has protected Francine and fueled her rise melts away. Powerless to fight the irresistible magnetism between them, client and counsel tumble into a blistering affair that breaks every rule. Though Martin insists his marriage is over, Francine doesn’t believe him. Certain details he’s told her don’t quite add up. Consumed with a passion she cannot control and increasingly obsessed with Martin’s relationship with his wife, Donna, Francine follows the woman one night . . . and discovers her having dinner with her supposedly soon-to-be-ex-husband. The next morning, Francine awakens in her neighbor’s apartment with blood on her clothes and no recollection of what transpired after she spied Donna and Martin together. Then Francine receives more devastating news: Martin’s wife has vanished. That dinner was the last place anyone has seen Donna Joy alive. Suddenly, Francine finds herself caught in a dangerous labyrinth of deception, lies, and secrets, in which one false move could lead to her undoing. What happened that night and why can’t Francine remember? Where is Donna and who is responsible for her disappearance? The further Francine goes to find answers, the tighter the net seems to draw—around her lover, herself, and the life she’s meticulously built.

Private Lives Mimi Francis 2021-04-15 Living in Hollywood, Chris Chandler has just about everything that he could ever dream of: a People’s Choice Award, lead actor in an acclaimed television series, anything and everything money could buy. Most people would be happy with all of that, but not Chris. As Hollywood’s most eligible bachelor, it is difficult to find the one person he wants to spend the rest of his life with, especially living under the constant scrutiny of the paparazzi. Every relationship he’s had with a woman—from friends only to dating to semi-serious—gets dissected until there’s nothing left. What he needs now, what he wants, is something with no strings attached. Sofia Larson is not your typical escort. She works for Private Lives, a company where the women they employ and the men that seek their company sign contracts, swearing themselves to silence and secrecy. What happens with each encounter is up to Sofia; while companionship is a guarantee, sex is not. Having an obscene amount of bills to pay, Sofia is only in it for the money. Her motto is "Don’t get involved, don’t get emotional, and don’t bring the job home." And then she meets Chris Chandler.

Demon Night M.J. Haag 2019-04-27 Every secret has a price. It’s a truth that Angel knows too well. Since the hellhounds and infected started to roam, Angel has guarded her secret carefully. But, she’s growing weaker by the day and needs help. In this new plague-ravaged world, the weak don’t survive long, and the useless are quickly abandoned. That’s why Angel’s secret needs to stay secret. If anyone found out about the baby she carried, they’d ditch her in a heartbeat to save themselves. To make herself an asset, she offers her services as a relationship expert to one of the dark fey, who rose with the hellhounds, in exchange for food. Shax is eager to win over Hannah, and if Angel can help make that happen, just maybe she won’t be kicked out when she has the baby. Falling for her "client" was never in her plans.

Runway Riot MJ Green Modelling wasn't the glamorous job portrayed in the media. It wasn't all glitzy parties, fashion shows, and photoshoots. There were also the long hours spent being fitted for garments, of being told how to walk and when to smile. But for Addison, none of that mattered so long as she got paid. Several years on the streets after living in a world of excess had given her a new look on life, and she no longer took anything for granted. But there was a darker side to the modelling world that wasn't talked about. There were people who viewed models as nothing more than mannequins with a heartbeat. Men who refused to take 'No' for an answer...and those who thought Addison's sexuality was something that could be changed with the right cock... Yeah, that wasn't happening. Then there were the stalkers. Addison had had her fair share of them since taking up the modelling contract with House of Bolton. But none of them had required Addison being saddled with a bodyguard, Clio Di'lorio. Until this one. And the man behind all the threats might be closer than Addison or Clio realise. *Runway Riot* is a 59k fluffy dark, sapphic, mafia romance novel set in Melbourne, Australia. It involves a feisty bisexual bodyguard falling for her client, and a model with a dangerous stalker problem. Each book in the House of Bolton series can be read standalone.

Falling Stars Fern Michaels 2022-09-27 Fern Michaels' Christmas novels are pure holiday magic—uplifting stories of love, family, and friendship in irresistible settings. Here, a ski instructor finds her skills, and her heart, put to the test courtesy of a visiting movie star in this special seasonal tale that will delight Fern fans and those who love Mary Kay Andrews, Debbie Macomber, and RaeAnne Thayne. Emily Ammerman has always felt at home amid the ski runs and slopes of Snowdrift Summit, the Colorado resort her family has operated for decades. Snow is her element, and she doesn't hesitate when a new client asks her to train him to ski The Plunge, one of Colorado's most treacherous runs. But Zach Ryder is no regular client. On screen, he's famous for starring as a daring CIA officer who always saves the day. In real life, he's just as handsome and charming as his alter ego, though not everyone is impressed. Some are concerned about what kind of impact these slick showbiz types will have on their town. As for Emily—she's got a secret, and it's one she can't reveal to anyone, especially not to Zach: she's his biggest fan. But she's also a professional. She'll train him till he's ready to tackle any slope, but she won't fall in love with him, the way so many others have. Still, not everything in life can be planned, and sometimes, no matter how hard you try, you just can't help but fall . . .

Falling for the Tycoon Aurora Russell 2019-12-10 One wild and passionate Caribbean night leaves Annelise with amazing memories...but what happens when her vacation fling reappears as a VIP client? Deserted by her fiancé only three months before their wedding, a devastated Annelise decides to go on their Caribbean honeymoon alone in the hope of thawing the deep freeze of her emotions. Tripping and landing on top of the most gorgeous man she's ever seen, a sexy French-Canadian stranger, is as surprising as it is mortifying. Rémy Gaspard is staying at his family's

remote tropical resort to get some work done after a difficult visit with his sister, but instead, he finds himself drawn to the sad young woman he sees from across the beach. When she quite literally falls into his lap, he can't believe his good fortune. Their passionate vacation romance is cut short by a troubling accident and they part ways, but neither can stop thinking about the other. When they meet up again in Montreal, seemingly by accident six months later, their attraction is just as strong...or stronger. As they face the challenges of misunderstandings, suspicions and a shadowy menace that won't leave Rémy's family alone, one thing becomes clear. Their love remains strong, anywhere and always.

The Insightful Body Julie McKay 2010-01-01 SomaCentric Dialoguing offers therapists effective techniques for improving communication with clients, and for helping clients articulate the messages of their body. In this accessible introduction to the approach, Julie McKay outlines the core techniques, describing how they can be applied to make therapeutic sessions more effective.

Falling Leaf Essences Grant R. Lambert 2002-06 Autumn embodies the energy of change, transformation, and release. Essences prepared from autumn leaves can relieve ailments associated with the autumn experiences of our lives: separation, job change, or the release of old patterns. Contains descriptions of 160 essences and their healing properties.

Laboring On Wendy Simonds 2013-10-23 Facing the polar forces of an epidemic of Cesarean sections and epidurals and home-like labor rooms, American birth is in transition. Caught between the most extreme medicalization — best seen in a Cesarean section rate of nearly 30 percent — and a rhetoric of women's "choices" and "the natural," women and their midwives, doulas, obstetricians, and nurses labor on. *Laboring On* offers the voices of all of these practitioners, all women trying to help women, as they struggle with this increasingly split vision of birth. Updating Barbara Katz Rothman's now-classic *In Labor*, the first feminist sociological analysis of birth in the United States, *Laboring On* gives a comprehensive picture of the ever-changing American birth practices and often conflicting visions of birth practitioners. The authors deftly weave compelling accounts of birth work, by midwives, doulas, obstetricians, and nurses, into the larger sociohistorical context of health care practices and activism and offer provocative arguments about the current state of affairs and the future of birth in America.

Falling for Therapy Anna Sands 2000 If the aim of psychotherapy is to alleviate suffering, then the measure of its validity must be the extent to which it does or does not achieve that goal. But who decides whether suffering has been alleviated, or whether the well-being of the client has been promoted? On what basis are such judgements made? The majority of literature on the effectiveness of therapy is written by therapists. This book, written by a client, challenges the power of theory, and in so doing presents an appeal for greater sensitivity, a critical view and better practice.

Cognitive Remediation for Successful Employment and Psychiatric Recovery Susan R. McGurk 2021-04-30 "The TSW program is an evidence-based intervention that enhances people's cognitive functioning in order to help them get and keep competitive jobs. This book explains how to provide the TSW program, and includes materials for implementing it, such as educational handouts and assessment tools. In addition, the book contains a wealth of information about overcoming common cognitive obstacles to steady employment that may be useful to the broad range of professionals helping individuals return to work"--

Patient Tales Carol Berkenkotter 2022-10-10 A look into communicating psychiatric patient histories, from the asylum years to the clinics of today In this engrossing study of tales of mental illness, Carol Berkenkotter examines the evolving role of case history narratives in the growth of psychiatry as a medical profession. *Patient Tales* follows the development of psychiatric case histories from their origins at Edinburgh Medical School and the Royal Edinburgh Infirmary in the mid-eighteenth century to the medical records of contemporary American mental health clinics. Spanning two centuries and several disciplines, Berkenkotter's investigation illustrates how discursive changes in this genre mirrored evolving assumptions and epistemological commitments among those who cared for the mentally ill. During the asylum era, case histories were a means by which practitioners organized and disseminated local knowledge through professional societies.

affiliations, and journals. The way in which these histories were recorded was subsequently codified, giving rise to a genre. In her thorough reading of Sigmund Freud's Fragment of an Analysis of a Case of Hysteria, Berkenkotter shows how this account of Freud's famous patient "Dora" led to technical innovation in the genre through the incorporation of literary devices. In the volume's final section, Berkenkotter carries the discussion forward to the present in her examination of the turn from psychoanalysis to a research-based and medically oriented classification system now utilized by the American Psychiatric Association. Throughout her work Berkenkotter stresses the value of reading case histories as an interdisciplinary bridge between the humanities and sciences.
