*EMDR Therapy and Sexual Health* - Stephanie Baird, MS, LMHC  
2021-12-14

The first book to integrate EMDR Therapy treatment of sexual trauma with a focus on helping clients achieve empowered sexual health. This unique text provides EMDR clinicians with a complete toolkit, assisting sexual trauma survivors in moving from symptomology reduction/elimination to optimal sexual health and functioning. By integrating sexual health and EMDR Therapy together throughout this innovative book, the Adaptive Information Processing (AIP) Model is applied to sexual health, with sexual health-related material blended into all eight phases of the EMDR Protocol. Encompassing principles and best practices of current helpful positive sexual health frameworks, including fundamental sex therapy information and sex education models, this first of its kind EMDR Therapy resource disseminates essential information on anatomy, the history of sex research, Sexually Transmitted Infections (STIs) and pregnancy related issues, the Dual Control Model of arousal and desire, spontaneous and responsive desire, arousal non-concordance, models of consent for sexual activities, and out of control sexual behaviors. This guide considers the gender experience of trauma for all EMDR Therapy clients, covering challenges, concepts, and helpful strategies for discussing sensitive sexual health matters. It addresses sexual/affectional orientation, consensual non-monogamy, and how EMDR Therapy can help address the sexual health concerns of erotically marginalized populations. Also covered are matters of aging and spirituality as they impact sexual health. Packed with helpful resources such as questionnaires, guidelines, case examples, charts, cutting-edge diagrams, and anatomy illustrations with non-gendered labels, EMDR therapists will gain the knowledge and confidence they need to facilitate optimal sexual health for the clients in their practice. Key Features: Reinforces innovative content with abundant and diverse case studies Includes first-time publication of two valuable questionnaires: Sexual History Questionnaire and Sexual Styles Survey Delivers new EMDR Therapy resources for facilitating sexual health--Bubble Boundary and Self-Compassion Container Provides a new EMDR Therapy future-oriented resource--Strengthening a Confident and Joyful Sexual Self Examines in-depth sexual/affectional orientation, relationship status such as consensual non-monogamy, and pregnancy loss Includes helpful, nonjudgmental, and affirming information about the kink/BDSM population Provides an overview of EMDR Therapy and sexual health for individuals with physical and intellectual disabilities Describes important sexual health frameworks and concepts Includes sex-positive resources for further education along with client handouts

**Politically Writing Women in Hispanic Literature** - Martha Lorena Rubí 2011

This groundbreaking study explores feminist theory and literary criticism embedded in seventeen works by Hispanic American authors and Latina writers in the United States. The books bring out women's philosophic and historic concepts of becoming a woman politically in the public sphere of society. Philosophers like Luce Irigaray and Deleuze and Guattari have realized that woman's representation in philosophic discursions are missing. The universal "mankind" or the omnipresent "self" can no longer ignore that women have different experiences than man in both the private and public realm. Each aesthetic work whether novel, poem or short story brings a woman-centered concern written by a woman author. The first fourteen lie in diversity; historic, national, cultural and ethnic experiences that Hispanic women undergo daily or during times of social upheaval, mainly dictatorships. How they write imparts experience and action in her trials of becoming multiple selves or subjectivities which theorists and female critics alike identify is missing from two thousand years of Western Philosophy. The stories are unique as the introduction underlines the basis of the concept of becoming which women may embrace in writing themselves politically in literature. The last four works by U.S. Latinas is further problematized through the process of immigration. Hispanic women on their way to becoming Americans have many factors to consider: race, gender,

ethnicity, education and social class, which applies to all the main woman characters in each selective work. The criterion is set in the Introduction and applied to work which inspired it. Written from a multicultural standpoint draws from an interdisciplinary perspective whether, psychology, economics, feminist theories, philosophy and history. The study intends to look at ways of thinking the woman question and how she defines herself in the process.

*Annie Sprinkle* - Annie Sprinkle 1998

'Gives new meaning to the term revolutionary ardor'. - *The Village Voice Frontiers* - 1996

A journal of women studies.

**My Secret Garden** - Nancy Friday 2013-11-18

The #1 New York Times–bestselling author’s “groundbreaking” work on women’s sexual fantasies (Publishers Weekly). First published in 1973, *My Secret Garden* ignited a firestorm of reactions across the nation—from outrage to enthusiastic support. Collected from detailed personal interviews with hundreds of women from diverse backgrounds, this book presents a bracingly honest account of women’s inner sexual fantasy lives. In its time, this book shattered taboos and opened up a conversation about the landscape of feminine desire in a way that was unprecedented. Today, *My Secret Garden* remains one of the most iconic works of feminist literature of our time—and is still relevant to millions of women throughout the world. “The author whose books about gender politics helped redefine American women’s sexuality.” —The New York Times

**Still Doing it** - Joani Blank 2000

"Still Doing It" offers reassurance that sex can continue--and get better--for an aging population. These narratives include descriptions of leaving behind years of celibacy, dealing with medical issues, and overcoming society's aversion to open sexual communication.

*She Comes First* - Ian Kerner 2019-10-10

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. 'It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

*Cool Men and the Second Sex* - Susan Fraiman 2003

The author identifies a number of male figures with 'cool masculinity', including Edward Said, Henry Louis Gates Jr, Quentin Tarantino, Spike Lee and Brian de Palma.

*The First Sexual Revolution* - Kevin White 1993

White contends that The Great American Man was constructed in the 1920s as a response to the appearance of The Flapper and to the same crumbling of Victorian culture that freed her. Previously, men were expected to acquire character and become Christian gentlemen; since then, they have been expected to acquire personality and to become a performing self. Paper edition (9258- 8), \$15. Annotation copyright by Book News, Inc., Portland, OR

**The Big Book of Masturbation** - Martha Cornog 2003

Discusses various perspectives on masturbation, including its changing role throughout history, how it has impacted cultures, and answers numerous questions.

*My First Time* - Jen Thorpe 2012

As women, we all have a story within us about a sexual experience that was unforgettable. Perhaps it was incredible, earth shattering, life changing, and wonderful. Perhaps it wasn't romantic or pleasurable, but awkward, painful or forced upon us. Many of us have kept our experiences secret because, by exposing our stories, we expose ourselves and our feelings around sex. In *My First Time*, southern African women have shared their stories about their significant first time experiences of

sex and sexuality. This is a collection of honest, powerful, and brave accounts. Some joyful, others funny and some heartbreaking, but all of them important for women, and hopefully men, to read. This is the perfect book for you to read to reflect on your own first times. This is the perfect book to share with your mother, sisters, and friends.

**How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two** - Jon Knowles 2019-03-31

The ghosts that haunt our sexual pleasure were born in the Stone Age. Sex and gender taboos were used by tribes to differentiate themselves from one another. These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city-states and empires. For the early Christians, all sex play was turned into sin, instilled with guilt, and punished severely. With the invention of sin came the construction of women as subordinate beings to men. Despite the birth of romance in the late middle ages, Renaissance churches held inquisitions to seek out and destroy sex sinners, all of whom it saw as heretics. The Age of Reason saw the demise of these inquisitions. But, it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime, degeneracy, and sickness. The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists, such as Alfred Kinsey and Margaret Sanger, sought to carve out a place for sexual freedom in society. However, strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence. Book Two of this two-part publication traces the history of sex from the Victorian Era to present day. Interspersed with 'personal hauntings' from his own life and the lives of friends and relatives, Knowles reveals how historical discourses of sex continue to haunt us today. This book is a page-turner in simple and plain language about 'how sex got screwed up' for millennia. For Knowles, if we know the history of sex, we can get over it.

**Qoheleth (Ecclesiastes)** - Lisa M. Wolfe 2020-05-28

2021 Catholic Media Association Award third place award in academic studies Qoheleth, also called Ecclesiastes, has been bad news for women throughout history. In this commentary Lisa Wolfe offers intriguing new possibilities for feminist interpretation of the book's parts, including Qoheleth's most offensive passages, and as a whole. Throughout her interpretation, Wolfe explores multiple connections between this book and women of all times, from investigating how the verbs in the time poem in 3:1-8 may relate to biblical and contemporary women alike, to noting that if 11:1 indicates ancient beer making it thus reveals the women who made the beer itself. In the end, Wolfe argues that, by struggling with the perplexing text of Qoheleth, we may discover fruitful, against-the-grain reading strategies for our own time.

**The secret vice** - Diane Mason 2013-07-19

The secret vice: Masturbation in Victorian fiction and medical culture provides a unique consideration of writings on self-abuse in the long

nineteenth century. The book examines the discourse on masturbation in medical works by English, Continental and American practitioners and demonstrates the influence and impact of these writings, not only on Victorian pornography but also in the creation of fictional characters by canonical authors such as Bram Stoker, J. S. Le Fanu, Charles Dickens and Oscar Wilde. The book also features the first detailed and balanced study of the largely overlooked literature on masturbation as it pertains to women in clinical and popular medical works aimed at the female reader. Mason concludes with a consideration of the way the distinctly Victorian discourse on masturbation has persisted into the late-twentieth and twenty-first centuries with particular reference to Willy Russell's tragic-comic novel, *The Wrong Boy* (2000) and to the construction of 'Victorian Dad', a character featured in the adult comic, *Viz*.

**On Living Through Soviet Russia** - Daniel Bertaux 2004-08-02

For a period of over seventy years after the 1917 revolutions in Russia, talking about the past, either political or personal, became dangerous. The new policy of glasnost at the end of the 1980s resulted in a flood of reminiscence, almost nightly on television and more formally collected by new Russian oral history groups and western researchers. This book is a fascinating collection of life stories and family history interview material collected by the editors and two Russian groups of interviewers.

**Alternative Library Literature, 1998/1999** - Sanford Berman 2000

This highly acclaimed biennial ("the best of alternative library journalism"--*Library Journal*) provides a reminder of the roots of librarianship and a prod to a profession that has sometimes forgotten those principles. People/Work, Women, Censorship/Human Rights/Peace, Kids, Alternatives, Service/Advocacy/Empowerment, Multiculturalism/Third World, and Cyberspace/Virtual Libraries are the topics covered, with writings from Earl Lee, Simone Murray, Scott Walter, Pat Mora and others.

**First Person Sexual** - Joani Blank 1996

Down There Press authors have been answering that question for twenty-five years! From Joani Blank's *Good Vibrations RM* bringing to light the sexual potential of personal massagers, to Jack Morin's still the-only-one-of-its-kind *Anal Pleasure & Health*, to Susie Bright's genre-launching *Herotica RM*, San Francisco's oldest publisher of award-winning sex-positive books has been breaking boundaries to delight and entertain its readers. Founded in 1975, Down There Press is the nation's first independent publisher devoted exclusively to publishing sexual health books. Founder and Publisher Emerita Joani Blank, then working as a sex educator and counselor, started writing her own books about sexuality at her clients' and other therapists' behest. The press currently has a list of eighteen sexual self-awareness titles, including innovative and practical non-fiction with non-judgmental techniques for strengthening sexual communication. Down There Press also publishes lively literary and photographic erotica.
