life. LEARN THE SECRETS OF THE MALE MIND TO FIND THE MAN YOU WANT AND THE LOVE YOU DESERVE...

Flirty Thirty - Cassie Mae
Love is so overrated Maya never expected to get kissed when she walked out in her ratty old hoodie (and nothing else) to get the mail. But when a shirtless god jogs down your street, grabs your face, and kisses you... you kiss that man back! Cooper is on a mission to find the love of his life, and he's gotten desperate. Over thirty years old with more money than he could spend in his lifetime, he's ready to spoil and love his soul mate. After hiring the beautiful woman he kissed on the street as his realtor, he's convinced that fate has led him to her. Maya doesn't buy into fate and definitely doesn't want something serious. She's not ready to become one of her baggy-eyed friends who all have two or more kids and one or less husband. But when Cooper challenges her to a week of living the married life, Maya dives in headfirst

thinking she's sure to prove that singlehood is really the way to go, even if she does end up falling head over heels.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the

practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective

approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts

Ask a Manager - Alison Green
2018-05-01

I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful

book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

brides! "Barbara Freethy knocks this series out of the park with lovable characters and easy to read story lines." All Night Books Kiss Me Forever (Book One) News reporter Andrea Blain is supposed to cover the news, not make it. But whenever she is on the trail of a big story, things just . . . happen. Andrea is given one last chance to prove herself with the cover story on sexy billionaire heartbreaker, Alexander Donovan. The wealthy philanthropist appears to be living the American dream, but Andrea is determined to uncover the real story. But when Alex's secrets are revealed, Andrea will have to choose between climbing the ladder of success or falling in love... Steal My Heart (Book Two) Was there no escaping her high school nemesis, Michael Stafford? Liz Palmer had had her first run-in with the football hero when he'd tried to kiss her in high school, and she'd broken his nose. Now ten years later Michael is back in her life, vying for the same

business account, and she is determined to win. Liz's career is her life, but something has been missing all these years, and in her heart she knows it's Michael. With her friends falling in love, and yet another stint as a bridesmaid in her future, Liz wonders if there's a way to mix business and love... All Your Loving (Book Three) With the purchase of her third bridesmaid's dress in a year, Julie Michaels is beginning to wonder when she'll find her Mr. Right but so far everyone she meets is Mr. Wrong. In between planning bridal showers and bachelorette parties, Julie needs to find a celebrity for her charity's fundraising cook off! Matt Kingsley, the ace hitter for the San Francisco Cougars would be perfect. He's rich, sexy and single... If only she didn't have a good reason to hate professional baseball players. Julie is determined to keep Matt at arm's length, but Matt has never backed away from a challenge. And the beautiful woman who hates him makes him want to do just about
