It turned out I'd found my way into the shower room of the Boston Bay Vikings—I'd never heard of them. However, it

was the fourth man to appear who gave me hope. He spoke with confidence and made me feel safe. I didn't want to leave his side, but I'd learned the hard way that anything good never lasted. BREAKUP: How a Guy Can Get Over His Loved One After a Breakup - E. A. C. Andrews  
2017-05-20

Can't Forget About Her? She's Just Stuck in Your Mind? Loss is a part of life. I just want you to realize that. You may be going through a loss of somebody you really loved, but you have to understand that this is part of life. In fact, if you think about it, loss or the threat of losing someone you really cared about is part of love. You know something is truly valuable if it hurts to lose it. You know that you have a real capacity to love when there is a risk of loss. It's easy to say you love somebody, but you really don't know the extent of that emotion unless you have gone through the process of losing that special someone. Let's put it this way. However good it feels to love somebody and to be loved by a special someone, it isn't really love until the pain of the hurt of loss is equally real. The risk of having your heart broken is always present in any kind of romance. Sadly, a heartbreak happens. The good news is it doesn't have to be the end. It doesn't have to turn you into a worse person. Worst of all, it doesn't have to turn you off to the whole concept of loving or being loved. Finally, it doesn't have to hurt forever. Sure, it hurts right now. It may seem like it's going to hurt so bad for so long. However, this is temporary. This too shall pass. From Weakness to Strength Your current weakness is your strength. Yes. Seriously. How? This is obviously a low point in your emotional/romantic life. Don't let this episode of pain, doubt, and regret go to waste. Use it to wake up to the reality that YOU NEED TO CHANGE. You have hit rock bottom-or close to it. Good. Use it to your advantage. Just as an alcoholic may have to wake up in his or her own vomit after passing out next to a filthy toilet bowl to decide to get sober, you may need to hurt to start realizing certain things. You can use the pain to make hard but necessary changes that can change you into a better man. Don't let weakness be an excuse for self-pity.

Instead, look at it as an opportunity. You CAN turn your weakness into strength. This book teaches you how! This book is for guys who have a tough time getting over a breakup. Whether you've been going out for only a few weeks or you've been going out forever and you are actually getting ready to get engaged. Indianapolis Eagles: The Second Period - Samantha Lind 2022-09-28

The Indianapolis Eagles Set Two contains the fourth, fifth, and sixth full-length novels from USA TODAY Bestselling author Samantha Lind's best-selling Indianapolis Eagles Series.

Protecting Her Heart Laura I believed in the fairytale. The Happily-Ever-After. The "till death do us part" fantasy little girls grow up believing in. Unfortunately for me, my happy ending was divorce and learning to find myself all over again. I was done with men and relationships, or so I thought until a stubborn hockey player was determined to show me what love could really be. But could I fall for the fairytale a second time, and trust that he would protect my heart? Mark From the moment I laid eyes on her, I

knew she was made for me. She was broken and I was determined to put her back together again. I was here to prove she could have that fairytale love story after all. To show her someone else can protect her heart and love her unconditionally. Now I just have to convince her that someone is me. Against The Boards Reese Blackwood I'm called America's sweetheart. They say I have the voice of an angel. I almost gave all that up, thanks to a traumatic experience at the start of my career. Instead of letting it define me, I chose to rise above. I showed everyone what a woman on a mission could accomplish, and now I'm living my dream. After one chance meeting, my entire world changes. Austin is every woman's fantasy, and he wants me. While the attraction is there for me as well, I don't need any distractions right now. Austin Jones Focused. Driven. I'm the man I am today because I never let the idea of settling down disrupt being the best I can during my hockey career. But then Reese floats into my life and everything changes, and now all I want to do is pin her against the boards. They say opposites attract. You can't get more opposite than Country Music's hottest female singer and a hockey player from Canada. With competing travel schedules, our instant attraction appears to be doomed from the start. Can it really be love? Or is it just a hot ice-melting fling? The First Intermission The core group of friends who found their happy endings are back, still loving hockey almost as much as their women. Now, four years later, the Eagles find themselves in the finals, with home ice advantage and on the cusp of winning the Stanley Cup once again. It all started with a second chance, for Becca to just say yes to forever. And is Kinley still living the dream after scoring the player? What does life have in store for Madison and Richard, now that they decided playing for keeps is much more satisfying than friends with benefits. When Mark vowed to Laura he would protect her heart, he meant it from the very beginning. He was all-in, forever, no matter what. Reese and Austin's chance meeting turned their worlds upside down in a single instant. Hot and heavy against the boards had their chemistry melting the ice. Along with retirements, new positions, and additions to not only the team, but each of the families, come meet some new players who

will lead us out of the First Intermission and into the second period.

*The Wisdom of Anxiety* - Sheryl Paul 2019-06-27  
'We have to shift from a mindset of shame, which sees anxiety as evidence of brokenness, to a mindset of curiosity, which recognizes that anxiety is evidence of our sensitive heart, our imaginative mind and our soul's desire to grow towards wholeness.' Three million people are thought to suffer from anxiety in the UK, and it is an issue that affects a growing number of people across all ages. For anyone troubled by obsessive thoughts, insomnia and other manifestations of anxiety, counsellor Sheryl Paul offers shelter in the storm. In *The Wisdom of Anxiety*, Paul reveals that anxiety, like any emotion, is a signal - a clear bodily invitation to heal and renew your trust in your choices, self-image and core values. Weaving together practical exercises with personal stories, Paul offers medication-free approaches for accessing the gifts in different kinds of anxiety, and especially the anxiety summoned by life's transitions, for example a career change, becoming parents or becoming carers for loved ones. Chapters include recognising the symptoms of anxiety, its origins, the myth of 'normal', the expectation of happiness and a timeline of healing that includes exercises for the body and mind. There are also chapters on parenting in an age of anxiety and the vulnerability of connection and relationships.
