

# Get Down Woman

*Before Honor* - Dave Herr

2018-03-21

In a day when the church's voice is increasingly silenced by the world's opposition, a call to stand for the good fight of faith must be made. But in God's call to His people, He asks them to stand up by first kneeling down. In an address to Solomon, God said: "If my people who are called by my name shall humble themselves...then will I hear from Heaven and forgive their sin and heal their land." The first motion toward the awesome, sovereign God is downward, in humility. The title of the book, *Before Honor*, is taken from a verse from Solomon's Proverbs: "Before honor is humility." Before a hearing from heaven and preceding any honor to God or from Him is humility. The author of the book confirms this principle of humility with a

plethora of Biblical evidence.

Using a Biblical overview, the writer demonstrates the continuity of the theme from Genesis to Revelation, thus supporting the claim that humility is a fundamental attribute of God and the only attitude a follower can have that exalts and glorifies Christ. Though pride, the inverse of humility, is a destructive force, humility is a beneficent one. Humility is the hope of revival for all God's people.

**I AM WOMAN, HEAR ME ROAR** - Sidney St. James

2020-08-18

Our story has its quiet beginning at a convention in Seneca Falls, New York, in 1848. Susan B. Anthony attended, and it was here her legacy began. This convention launched the suffrage movement. This novel is based on actual events in history, although it is written as

creative fiction. There are two parts to this Victorian Romance, Women's Rights, and State's Rights. It gets underway after the convention in the summer of 1860 with four young women, known throughout the reading as the four musketeers, who are all single and graduate from the Hampton Women's College in Virginia. It follows their courtship with handsome men from all walks of life, Colonel Richard 'Dick' Jackson, Reverend Russell James Keiner, Brett Meyer, and an Italian opera star, Carlos Orsi. The lead character in the novel is Dianne Jenkins, who is portrayed as man-hater... but is she really! The rights usually enjoyed by women were often taken away when she married. As a matter of fact, a woman gave up so many civil and property rights upon walking across that threshold that she was said to be entering a state of "civil death." One such woman who would not stand for this inequality was Dianne Jenkins. She loves Reverend Russell Keiner with all her

heart but hates him with all her mind. Her moving speech as Magna Cum Laude at Hampton's College describes her feeling toward inequality while not pulling any punches. Married women were not allowed to make contracts, devise their last will and testament, or take part in other legal transactions. Women, once married, were not in control of the wages they earned. In our story, Dianne Jenkins is an outspoken woman. She disliked the fact that women were expected once they married to do the maintenance of the family from sewing a pair of socks to doing the laundry to cooking the meals and, of course, bearing as many children as she could until it killed her. Because the laws were written by men, a married woman was supposed to remain home and take care of the cooking, cleaning, and getting pregnant every time she hung her husband's pants on the clothes' line. As the first of this two-volume novel unfolds, we find our four women standing beside their

fathers while our country splits, and they fight for the glory of the 'Star-Spangled Banner' in State's Rights. Or, do they take up arms with the Confederacy? At the same time, one of our women fights not to be controlled by a man she so dearly loves. The problem is that she loves him and desires him with her heart, but something from her past keeps her mind from letting him into her heart! Some quotes from women during this story: "The best protection any woman can have is courage." - Elizabeth Cady Stanton "I distrust those people who know so well what God wants them to do because I notice it always coincides with their own desires." - Susan B. Anthony "There shall never be another season of silence until women have the same rights men have on this green earth." - Susan B. Anthony "I never doubted that equal rights were the right direction. Most reforms, most problems are complicated. But to me, there's nothing complicated about ordinary equality." - Alice Paul

**City Publics** - Sophie Watson  
2013-02-01

Some cities have grown into mega cities and some into uncontrolled sprawl; others have seen their centres decline with populations moving to the suburbs. In such times, questions of the public realm and public space in cities warrant even greater attention than previously received. Concerned with the borders and boundaries, constraints and limits on accepting, acknowledging and celebrating difference in public, Sophie Watson, through ethnographic studies, interrogates how difference is negotiated and performed. Focusing on spaces where to outside observers tension is relatively absent or invisible, Watson also reveals how the boundaries between the public and private are being negotiated and redrawn,

and how public and private spaces are mutually constitutive. Through her investigation of the more ordinary and less dramatic forms of encounter and contestation in the city, Watson is able to conceive an urban public realm and urban public space that is heterogeneous and potentially progressive. With numerous photographs and drawings City Publics not only throws new light on encounters with others in public space, but also destabilizes dominant, sometimes simplistic, universalized accounts and helps us re-imagine urban public space as a site of potentiality, difference, and enchanted encounters.

**Border Healing Woman** - Jewel Babb 1994

The story of Jewel Babb, from her early years as a tenderfoot ranch wife to her elder years as a desert healing woman, has enthralled readers since *Border Healing Woman* was

first published in 1981. In this second edition, Pat LittleDog adds an epilogue to conclude the story, describing the mixed blessings that publicity brought to Jewel Babb before her death in 1991.

*The Organization* - Renault Patrick 2019-03-12

In this unpredictable sci-fi adventure, it's the year 2051, and Jordan Salvador has a dilemma. He begins to question the faith in which he was raised. In the process of trying to discover whether or not Alphaeus is the true God, his new friend Maeko reveals an important document to him, which leads to another problem—a problem of epic proportions and worldwide consequences. Jordan is assisted by Coach Wallace and Topher. Along the way, there is still some time for comic relief and romance.

*The Role of Sisters in Women's Development* - Sue A. Kuba  
2011-04

Psychological theory has traditionally overlooked or minimized the role of siblings in development, focusing instead on parent-child attachment relationships. The importance of sisters has been even more marginalized. Sue A. Kuba explores this omission in *The Role of Sisters in Women's Development*, seeking to broaden and enrich current understanding of the psychology of women. This unique work is distinguished by Kuba's phenomenological method of research, rooted in a single prompt: "Tell me about your relationship with your sister." Rich in detail, the

responses (many of which are reproduced at length within the book) provide a complex picture of sister relationships across the lifespan. Integrating these stories with current literature about gender and family composition for sisters of difference (disabled and lesbian sisters) and ethnic sisters, this book provides useful recommendations for therapeutic understanding of the significance of sisters in everyday life, integrating diverse perspectives in order to address the ways clinicians can enhance psychological work with women clients. A valuable contribution to the field of mental health, *The Role of Sisters in Women's Development* is highly recommended for therapists who wish to broaden their inquiry into the sister connection, as well as anyone who wants to further understand the importance of sisterhood.

[Black Woman's Emotional Truth](#) - Jane Uzochukwu  
2014-06-12

In life there are so many truths

we tend to hide. So many emotions we will never let out. Veronica would never tell her husband the truth behind his lost money or her supposed attack. Neither will Richard tell his wife that he still has other children outside the marriage. It is not their place to tell, they will try to convince themselves. If fate hides it for them why should they exhume it? Neither will I ever tell Dafe that the reason why I proposed to him is because my supposed prince charming, the man I thought was the answer to my prayers ended up being a broke pimp who lived off a wealthy single mother. Abbey will never tell Ashe` that he may never stop dating Lillian as long as he remained working in his present company even though he swears he really does love her. And maybe he does. Veronica has gained a new voice that spurs her on to fight for her liberation and self actualization. This voice has given her the valour, profound strength, and prowess to balance her life in order to make her marriage work and to

seek peace and tranquillity. She has learnt a new truth what she felt before and what she feels afterwards may never be revealed to the world. She might smile, she might scorn, but her true emotions and feelings will always remain protected, locked and hidden within. For that is the black woman's emotional truth, she most often never lets it show.

Dark. Daunting. Unforgettable.  
 Survival adds a demanding  
 edge to love in the wilds.

Urban fantasy romance laced  
 with myth and magic. Book

Description: Alphas in the Wild

is an urban fantasy romance  
 collection that contains three  
 full-length books. Hello

Darkness: Earth magics collide,  
 forcing Moira Shaughnessy to  
 take a chance on a man who  
 hurt her so badly she never  
 forgave him. A ranger for the  
 U.S. Park Service, Moira is in  
 serious trouble. Fleeing from  
 her cheating husband, who's a  
 Native American shaman, she

stumbles into the arms of a  
 man she never thought she'd  
 see again. He hurt her once by  
 choosing his magic over her.  
 Would she be a fool to take a  
 chance on him now? Alpine  
 Attraction: Tina made a pact  
 with the devil seven years ago.  
 It's time to pay the piper—or  
 die. Independent to the nth  
 degree, Tina meets everything  
 in her life head-on—except  
 love. Caught between  
 misgivings and need, Tina  
 signs on as team doctor for one  
 of Craig's climbing trips to the  
 Andes. Though he was the love  
 of her life, she pushed him  
 away years before to keep him  
 safe. Even if he doesn't love  
 her anymore, there's still no  
 one she'd rather have by her  
 side in the mountains. And if  
 she's going to die, she wants to  
 make things right between  
 them. A Run For Her Money:  
 Sara's day begins like any  
 other. A routine extraction in  
 tandem with a local Search and  
 Rescue team. Routine crashes  
 to a halt when she ends up  
 trapped in a hut, high in the  
 Sierras. Four days later,  
 running out of food for herself

and her dog, she makes a bold dash for safety. Jared's walking the Muir Trail when all hell breaks loose. After hunkering beneath a boulder pile for days, he dares a difficult cross-country route, hoping it'll put him into position to approach a backcountry ranger station. He locates the station, but it's locked tight. He's packing up to leave when a helicopter lands, with Sara at the helm. There's no time to trade war stories. It takes a leap of faith, but they throw in their lot together. Can they face the impossible and come out the other side unscathed? PRAISE FOR THE ALPHAS IN THE WILD COLLECTION: "I love books with Magic in them and I loved how this book came at it from a completely different angle than I have read before, making this book a completely refreshing read. You honestly cannot stop reading once you have started!" Goodreads review "Alpha's in the Wild takes you on a wild ride through 4 very different, fast paced and complex love stories." Goodreads review

"WOW! OMG! This is a collection of stories that are a perfect blend of sexiness, drama, mystery and second chance love."
