God has left us with four different accounts of Jesus' victory over death. Here are all the words of all the Gospels about the last week of Christ and His resurrection. The orderly and harmonized reports about the passion of Jesus and His rising from the dead make an exciting story. It is completely Scripture with some commentary; but, now all of the accounts have been brought together to give the whole story. This makes a great gift for someone who is considering the claims of Christ. The gospel is clearly presented where the seeker will know what happened and what is required to become a follower of Jesus. The significance of the events is effectively explained.

Unger describes the main guidelines for such a religious vocation, showing the nature of this vocation and the manner of dedicating oneself to it. The author gives the history in the Church of consecrated celibate living, plus some basic helps in safeguarding purity in such a life.
