The pain, grief, and emotions that come with the loss can be overwhelming, and it can be challenging to find comfort and hope amidst the pain. When I lost my father, I was struggling to find solace in anything. It was as if the world had stopped, and I was left alone, lost and confused. Surviving Widowhood Sharon Engram 2022-01-06 "Perhaps you're holding this book, thinking, I don't need more sadness in my life. I get it. But this book doesn't focus on sadness. It focuses on hope and comfort, strength, and peace." -Steve Engram, senior pastor, Desert Springs Community Church in Goodyear, Arizona You may have lost your husband suddenly, had only a few months to say goodbye, or were a caregiver for several years. And most widows don't have capacity for a book about moving through the trenches of grief or grappling with day-to-day life. That's why this mother-daughter author team chose to write short bite-sized devotions of hope from their own journeys through grief. Daughter Lori's husband of twenty-one years died of a neurological disorder, and mother Sharon's husband of sixty years passed away from an unexpected aggressive cancer. Both women understand grief, and they extend warm, comforting words of love from Jesus to other widows in their times of deep loss. With each tender devotion

and enough space for journaling your thoughts, their messages will help you: Lean into Jesus and His love Seek personal self-care Accept comfort from others Guide children through the grief process Make important life and daily decisions Celebrate the holidays and special events In *Surviving Widowhood: 40 Devotions of Hope*, your grieving heart will be comforted, your tears will be seen, and your soul will be nourished.

Grieving God's Way Margaret Brownley 2012-07-09 The loss of a loved one is devastating, and the grief that follows is often crippling. While modern Western culture has adopted an aren't-you-over-it-yet? attitude toward death and the grief it brings, the grieving process can take years. Weeks and months go by with no visible improvement. We might even wonder if God has forsaken us. Then one day it happens: We laugh. We feel connected, restless, maybe even hopeful. We're no longer consumed by our loss, and our thoughts turn outward. These are the first signs of healing. Though the tendency in our fast-paced society is to suppress our grief or ignore it all together, Grieving God's Way inspires a different course of action. In this 90-day devotional Margaret Brownley provides the framework for a methodical grieving process that follows God's plan. Grieving God's way requires us to trust that He will lead us through the darkness, heal our pain, take away our weariness, and fill our hearts with hope, peace, and new purpose. From defining what grief is to validating its importance, Brownley gives us the components necessary to find God within our sorrow and grieve with Him. Divided into four sections, Grieving God's Way offers insight into healing our grieving body, soul, heart, and spirit. Infused with scriptures and inspirational haiku by Diantha Ain, this book motivates us to shift our grieving from man's way to God's way. . . slow and often invisible but with truly amazing results. So how long does it take to grieve? As long as it takes God to heal.

The Good Grief Devotional Brent D. Christianson 2019-02-01 A wise, honest companion for the journey through grief Whether you are struggling with your own grief or walking with a friend or family member who is grieving, you know the journey is not smooth or straightforward. The Good Grief Devotional offers wise, honest companionship to those who are struggling with the death of a loved one, a divorce, the loss of a job, or another major life transition. Pastor Brent D. Christianson's fifty-two devotions follow the ten stages of grief outlined in Granger Westberg's helpful book Good Grief, published in 1968. Millions of people have found in it validation for their grief, understanding of their feelings, and a way to live through grief and into a new reality. Christianson begins each stage with a reflection on that aspect of grief and then considers what the stage means for the reader's self-understanding and relationships with other people, creation, and God. Each devotion ends with questions to think about and talk about with another person, healing actions one might take, and a prayer. The Good Grief Devotional provides pastoral care, faces the reality of loss, and points the way to hope. Readers will want to return to this collection year after year as they are changed by their journey.

When Your Family's Lost a Loved One Nancy Guthrie 2013-01-25 All families eventually face the loss of a loved one. When it happens, it can place great strain on a marriage, as well as on other relationships. That's partly because we don't know what to do with our feelings and partly because every family member grieves in his or her own way. In this book, Nancy and David Guthrie explore the family dynamics involved when a loved one dies—and debunk some myths about family grief. Through their own experiences of losing two young children and interviews with those who've faced losing spouses and parents, they show how grief can actually pull a family closer together rather than tearing it apart.
