The End of Gender - Debra Soh 2020-08-04

International sex researcher, neuroscientist, and columnist Debra Soh debunks popular gender myths in this research-based, scientific examination of the many facets of gender identity. Is our gender something we're born with, or are we conditioned by society? In The

End of Gender, neuroscientist and sexologist Dr. Debra Soh uses a research-based approach to address this hot-button topic, unmasking popular misconceptions about the nature vs. nurture debate and exploring what it means to be a woman or a man in today's society. Both scientific and objective, and drawing on original research and carefully conducted interviews, Soh tackles a wide range of issues, such as gender-neutral parenting, gender dysphoric children, and the neuroscience of being transgender. She debates today's accepted notion that gender is a social construct and a spectrum, and challenges the idea that there is no difference between how male and female brains operate. The End of Gender is a conversation-starting work that will challenge what you thought you knew about gender, identity, and everything in between. Timely, informative, and provocative, it will arm you with the facts you need to come to your own conclusions about gender identity and its place

A 21st CENTURY LOVE STORY BETWEEN TWO STAR STRUCK LOVERS DESPERATELY TRYING TO BRIDGE THE SACRED AND THE PROFANE

An out of luck American born French Escort-Interpreter living in France is brought into a windstorm that involves an international precious stones contraband ring in support of

the Zionist Cause. This, after a young corporate lawyer's satchel is stolen that contains an envelope given to her in Venice, Italy. What starts out to be a banal theft, culminates in a murder that ultimately pits an Irish-American FBI agent and a Jewish-American CIA analyst, and the role played by both agencies since the end of World War Two. An intellectual battle is drawn between Catholicism and Judaism as to what it truly means to be God's Chosen People. Written in 2002, the present Bush Administration's wish to 'liberate' Iraq serves as backdrop in the understanding American Foreign Policy, which from the country's inception has been shaped by its singular vision of democracy and freedom. It is a tale of the non-Politically Correct underside of American-European relations and how religion has influenced this troubled alliance from its very beginnings. Has 'One World' hegemonic economic interests reawakened nationalism to the detriment of our most precious liberties, as

**Trinidad Noir** - Earl Lovelace 2017-05-02  
"To travel through the 19 works of poetry and prose in this remarkable anthology is to experience Trinidad and Tobago through a kaleidoscopic lens." —Publishers Weekly, starred review Two of Trinidad's top writers masterfully curate this literary retrospective of the nation's best writing over the past century from authors who were largely part of the literary wave that swept in with Trinidadian Independence in 1962. Though *Trinidad Noir: The Classics* encompasses a variety of moods and themes, it winds up capturing the uniquely Trinidadian character. Influenced by the waning days of the colonial world—an era rife with crime, violence, enslavement, and

indentureship—the selections highlight the often heroic individuals of the underclass. In this anthology, you'll find reprints of classic stories and poems by C.L.R. James, Derek Walcott, Samuel Selvon, Eric Roach, V.S. Naipaul, Harold Sonny Ladoo, Michael Anthony, Willi Chen, Earl Lovelace, Robert Antoni, Elizabeth Nunez, Ismith Khan, Lawrence Scott, Wayne Brown, Jennifer Rahim, Elizabeth Walcott-Hackshaw, Sharon Millar, Barbara Jenkins, and Shani Mootoo. "Lovelace and Antoni offer a 'subversive' take on island culture . . . Whether history repeats itself or progress is stalled by people's infinite capacity to get in their own ways, these 19 reprinted tales offer a bittersweet perspective on the cussedness of human nature." —Kirkus Reviews "Holds strong appeal for fans of noir and literary writing."

**Deborah's Song** - Deborah De Clue 2018-01-22  
Where was Christ between the ages of thirteen and thirty? This book will document the truth, along with, where is The Ark of The Covenant?

Where is The Holy Grail? The list goes on. In Mark 13, Christ says, I have foretold you all things. You just have to know where to look. I was led to the answers, and I want to lead you to that information gold mine, under His wing of truth. At the tender age of eight the visions began, first from Heaven then from Hell. My life was predestined for you to know the truth of what I lived through, and what Our Lord wanted to make clear to you. I was led by Our Lord, to a Scholar of The Original Manuscripts from the Library in England, where the King line made it possible for us to receive The Scriptures in English, through King James in 1611. But it was very hard for the translators to bring it to our true understanding, they even wrote a letter to the King telling him, and the readers, to go back to the Original Manuscripts to understand it fully. The Scholar taught chapter by chapter, and verse by verse with explanation, and proving what he taught every step of the way. He brought me understanding and clarity, that's

when all my visions made sense to me. So much so, I felt compelled to tell you how my visions fit perfectly with The Scriptures for the end times. The Tapestry of my life is a message for everyone from Our Lord. Do you have a Destiny? Don't discard it. Magnify The Lord with it, in the upcoming battle for our very souls. This book also contains a description of Jesus Christ, written by Pontius Pilate, to Julius Caesar, just after Christ's crucifixion. Psalm 41:1-2 Blessed is he (or she) that considers the poor; The Lord will deliver him in times of trouble. The Lord will preserve him and keep him alive and he shall be blessed upon the earth; and Thou (Our Lord) will not deliver him into the will of his enemies.

Thank You Lord.

*Lube Jobs* - Debra Macleod 2007-06-21

A straight-talking women's guide to tending to a partner's unrequited libido and reigniting the sexual sparks in a long-term relationship. Many couples are all too familiar with the classic bedroom balancing act-managing His and Her

sex drives. As men clamor for more action and women grumble for more sleep, the topic of "maintenance sex"-those dutiful two minutes to "get it over with"-invariably arises to divide and conquer a couple's sex life. Yet as Don and Debra Macleod reveal in *Lube Jobs*, maintenance sex can be an exciting and loving way to jumpstart a stalled sex life. And if it's done right, it can be fun for both parties. Indeed, just as the sleekest luxury car requires routine tune-ups for smooth performance, a long-term relationship requires regular lube jobs for a friction-free love life. Part saucy sex manual, part relationship survival guide, *Lube Jobs* includes a provocative menu of twenty ready-made "lube jobs" consisting of naughty sex scenarios, bedroom-toy tips, sexual techniques, and erotica. Each lube job inspires a woman to embrace maintenance sex as a critical aspect of her committed relationship, and shows her how to infuse it with spontaneity and affection.

Throughout are poignant, sometimes hilarious,

**In His Grace** - Debra Wallace 2022-08-24

For women experiencing the shame and secrecy that often accompanies sexual betrayal, Debra Wallace points them towards hope, healing, and embracing their worth. Her own experience of a husband's same-sex betrayal caused her to question her faith, blame herself, and believe lies regarding her value. Debra presents a simple yet profound ten-chapter book revealing what helped her heal and topics necessary for moving forward after sexual betrayal. In His Grace interweaves personal stories and scriptures, including chapters on questioning God, grounding techniques, identity, the four 'C's", seeking support, triggers, broken trust, abuse, establishing boundaries, healthy detachment, grief, forgiveness, and self-care to maximize growth and healing. For those believing "life is over" after betrayal, Debra's example proves them wrong. One can and will

experience joy again, whether a marriage survives or not. APSATS trained, Debra gently guides, assisting the hurting wife with a trauma informed approach, pointing them to Jesus, the ultimate healer. As a writer, mentor, and peer group facilitator, having walked in betrayal trauma shoes herself, she gives women a voice when theirs is lost, an empathetic ear when others don't understand, and a heart that hugs weary souls on a recovery journey that often feels like an emotional roller coaster. Equipping others in their transformational process, she is passionate about ensuring no one walks this road alone. Excellent read for the woman experiencing betrayal, as well as for friends, family, and clergy who desire to express empathy, understanding, support and encouragement amid their loved one's trauma. *Come as You Are Sexbook Practical Guide* - Deborah Shark 2020-05-08

**Oh Shit! I'm Over 50 and Single** - P. A. Brook  
2017-11-17

You might think I am a psychiatrist, or perhaps a guy Dear Abby, to write a book about what it's like to be single in your 50s. Nope. I was just single in my 50s. And I needed help. Over time and trial and error of many approaches to dating (and lots of therapy), I began to figure things out. Single-dom in middle-age should not be a death sentence to your sex life or happiness. Think Steve Carell's character from Crazy, Stupid Love--when most men find themselves

bald, significantly uncool, and suddenly dumped, they don't have a Ryan Gosling to usher them through this next phase in life. That's where I come in. Oh Shit! I'm Over 50 and Single is any man's--and woman's--answer to that first morning of waking up alone. It gets better. Only slightly, but it does. From chapters like "To V Or Not to V" to "Sprechen Sie Deutsch?" this guide touches on everything from the little blue pill to dating foreign women to sex toys to menopause with a robust selection of personal stories. "I enjoyed your very authentic honesty and your sense of humor. Having been married three times myself (the third being a keeper), I can empathize with the large group of people you're writing for, both men and women. You're a good storyteller and you offer fair and hard-won advice." -- George "Brook's tongue in cheek guide to after-50 dating packs a wallop of handy tips for the dating weary and dating wary!" -- Kathryn ..".very entertaining. It is information, funny, realistic, and well written. The book is
