Deuteronomy (Brazos Theological Commentary on the Bible)

Telford Work 2009-02-01 Pastors and leaders of the classical church--such as Augustine, Calvin, Luther, and Wesley--interpreted the Bible theologically, believing Scripture as a whole witnessed to the gospel of Jesus Christ. Modern interpreters of the Bible questioned this premise. But in recent decades, a critical mass of theologians and biblical scholars has begun to reassert the priority of a theological reading of Scripture. The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret Scripture for the twenty-first century, just as the church fathers, the Reformers, and other orthodox Christians did for their times and places. In the eighth volume in the series, Telford Work presents a theological exegesis of Deuteronomy.

The God Who Loves and Is Loved Christian D. Kettler 2019-11-12

Can there be a greater folly than writing a book about love? But how can we avoid that most basic of all desires and commands? Yet we are very poor lovers, as our history demonstrates. If God is love, though, can we find help in considering the love of Jesus Christ, and the love of Jesus thought of in terms of what T. F. Torrance called “the vicarious humanity of Christ”? This would mean that we realize our inability and the Son of God’s ability to love on our behalf and in our place. Such a love mirrors the love of the Son for the Father in the Spirit, a love that reflects his

eternal triune love. Therefore, could we have new perspectives on our relationships, the love of ourselves, of God, and the neighbor? How essential is love to being human, and what kind of love? What does it mean to “love your enemies”? What is the relationship between justice and love? And what are the fruits of love, the evidence of genuine love? Christian D. Kettler explores these issues in the context of the living reality of the vicarious humanity of Christ.

Cosmic Commons John Hart 2013-11-14 Cosmic Commons explores terrestrial-extraterrestrial intelligent life Contact. It uses a thought experiment to consider the ecological-economic-ethical-ecclesial impacts of Contact, analyzing incidents around the world described by credible witnesses (two of whom are interviewed for the book), including Roswell and the Hudson River Valley. It discusses government and academic efforts to use ridicule and coercion to suppress Contact investigations, supports a scientific method to research ETI reports in a field that should excite scientists, and calls on academics to publicly disclose their Contact experiences. It traces Earth ecological and economic injustices to the European Enlightenment and the Discovery Doctrine by which European nations rationalized invasion of distant continents, genocide, and seizure of the territories and natural goods of native peoples. It advocates a change in humans' Earth conduct to avoid replicating in space the policies and practices that wrought economic injustice and ecological devastation on Earth, provides an innovative cosmological praxis ethics theory and practice toward that end, and develops a Cosmic Charter, based on UN documents, to guide humankind in space and in ETI encounters. Permeated by a profound sense of the sacred, Cosmic Commons explores a positive relationship between religion and science as humankind ventures into space.

of Jesus and informed by subsequent reflection upon him, which hopes to help shape a Christian identity characterized by "bounded openness." Don Schweitzer moves from the historical Jesus to the present in three parts. In the first part Schweitzer develops an understanding of Jesus as the Word of God, who became incarnate to give the goodness and beauty of God further expression in time and space. Second, he explores how various atonement theories articulate ways in which Jesus empowers people to further express this beauty and goodness in their own lives. And finally, Schweitzer explores how Jesus relates to people in the church, to the events and movements in history, to other religions, and to Christians in their dialogue with God in prayer.

**Married for her Beauty: Or A Bitter Atonement** Charlotte Mary Brame 2015-10-17 Diane Balfour was the only child of an artist who had begun life with high aspirations and ended it with disappointment. He had married young, while in France. He married a French girl, whose face was her only fortune, the daughter of an officer who died in Algiers--Diane de Lioncourt. He brought her to England, and although happy in his love and in his marriage, evil fortune seemed to pursue him. His health failed. He had genius, and if he had been strong would have left his mark on the age; the merits of Lawrence Balfour's pictures were not appreciated until after his death. He lived in France until after the birth of his daughter Diane, so named after her mother. Then they came to England and for six years remained in London. Then his wife died; and he betook himself to a wandering life. In his travels his daughter was his sole companion. Together they

would wander through the cities of Italy and Spain, through Switzerland and the Rhine land, the artist teaching his daughter, imbuing her with his love of beauty and art. Lawrence Balfour preserved his daughter from all evil, from all knowledge of harm; she had no friends except the artists who visited her father's studio, and who respected the child as they would have done the presence of an angel. She not only grew up retaining all her innocence, but she learned nothing of the world. They had a reverent way of talking, these artists, and next to religion, taught her to love art. Of the shows, tricks, frauds, treachery, the deceit men and women practice she knew nothing. No one in her presence had ever talked of flirtation, love, or marriage; at sixteen she was ignorant of these things; she had never thought of a lover or of love; her father and the world of beauty filled her heart and soul. Then Lawrence Balfour found his health failing fast. Some one told him to try the warm Devonshire air, and he determined to do so.

*God's Love Wins All* Ross Marshall 2018-02-20 All of Rob Bell's Questions Answered! Universal Salvation of All Mankind is the First Century Good News Gospel of the early Christians. The "other two" gospels we here about today are not. The purpose of this book is to introduce the reader to what is believed to be the original atonement teaching of first century Christianity. It is similar to traditional orthodoxy, but varies greatly in the "end result" or final destiny of humanity. A thorough view of the subject is presented with sufficient scriptural quotations and detailed commentaries. Emphasis is placed upon those concepts of immediate value to the student, pastors, theologians and other persons who are dissatisfied with contemporary doctrinal creeds and who are still seeking the truth. This book brings to light the "positive" good news ("well-message") as trumpeted by the angel of the Lord and leaves out the negative verses in the unveiling of Christ in these last days. Basic topics are explained sequentially and developed in order of importance. Many verses have been

given under each section to show the proper understanding to each particular biblical concept. The result is a reorganization of Christian teachings and a reinterpretation of atonement doctrine in support of the universal reconciliation of all mankind and the whole of creation. The conclusions are irrefutable and the gospel as presented is irresistible. It will benefit you to read this and it will challenge you to reconsider your beliefs in what Christ has done, is doing and will do. Christ is not only the propitiation of our sins, but of all mankind. This is the original orthodox truth of the early Christians because it is closer to the Biblical Greek text! **The Yearning of Yahveh** Jacob Van Zyl 2008-08 THE YEARNING OF YAHVEH In terms of man's morality, the Old Testament is an account of tragic failure. Israel strayed repeatedly from the path mapped out by God, and He corrected them repeatedly with tough-love discipline. From the viewpoint of God's love, the Old Testament is a journal of immense compassion. Despite Israel's failures, God kept yearning for their genuine trust and love. He refused to give up on them and called them back by His prophets who relentlessly declared, "Thus says the LORD." The LORD is a translation of the Hebrew name Yahveh, God's personal name He revealed to Moses at the burning bush. The Yearning of Yahveh takes the reader on an exciting one-page-per-day journey through the Old Testament. Join the tour and discover the gospel in the scrolls of Hebrew Scripture.

**Strange and Gaudy Fruit** Jeff Nicoll 2023-05-09 The history of Christianity includes many doctrines adopted (and actions taken) to meet immediate problems but which had unintended consequences; they are bad fruit (Matt 7:15-20). The oldest is antisemitism, which arose from the competition of the early church with early Judaism. It was built into the New Testament and was developed by the church fathers. Having learned to dehumanize, it was easy to apply the same techniques to other groups; the church became complicit with enslavement, misogyny, and other forms of oppression. One response to the bad fruit is to reject religion, in the manner of Christopher Hitchens.

However, the dogmas are part of our culture even if in secular form. If the roots of marginalization are not understood, they cannot be eliminated. This work uses a range of critics and defenders of traditional Western Christianity to identify poisonous fruits and detoxify them. The critical voices do not create a consensus. Nevertheless, a core can be perceived, what Erasmus called the “few truths.” Grounded in the religious tradition, they can be shared with secular people as a basis for an ethical, merciful, and respectful society. Although the history of Christianity is bloody, there are ways to go forward.

Book of Wisdom by John Gill James J Maccabee Company

2009-04 About the Author John Gill (1697 - 1771) was born in Kettering, Northamptonshire. In his youth, he attended Kettering Grammar School, mastering the Latin classics and learning Greek by age eleven. The young scholar also had a love for Hebrew which would follow him throughout his life. At about twelve years of age, Gill heard a sermon from his pastor, William Wallis, whose text came from Genesis 3:9, "And the Lord called unto Adam, and

said unto him, where art thou?" He reflected often on the message of Wallis' sermon and it eventually led to his conversion. It was not until seven years later, however, that young John made a public profession of his faith in Christ, when he was almost nineteen years of age. His first pastoral work was as an intern at age twenty one, and he later became a pastor in Southwark, England. His pastorate lasted 51 years. Gill was an English Bible scholar, and a prolific writer who authored among other things, an expository commentary on the entire Bible. John Gill was a profound scholar whose ministry in some fashion still touches millions of people worldwide. About this Book Unlike human wisdom, the Book of Proverbs is of divine inspiration. The Book of Wisdom is presented as a devotional from John Gill's commentary on these Proverbs. Book of Wisdom is a tribute offered by the James J. MacCabee Company to Pastor John Gills' lifetime of brilliant work. As Proverbs 8:1, "Doth not Wisdom cry?" This daily devotional is prepared for governmental leaders, leaders in the news and entertainment industries, clergy and laypersons; employees and employers; spouses, parents and children. In fact Wisdom is offered to "anyone who has ears to hear" (see Matthew 13:9). Those who receive such Wisdom as presented here will not be disappointed.
