The New I Do - Susan Pease Gadoua 2014-09-23

If half of all cars bought in America each year broke down, there would be a national uproar. But when people suggest that maybe every single marriage doesn't look like the next and isn't meant to last until death, there's nothing but a rash of proposed laws trying to force it to do just that. In *The New I Do*, therapist Susan Pease Gadoua and journalist Vicki Larson take a groundbreaking look at the

modern shape of marriage to help readers open their minds to marrying more consciously and creatively. Offering actual models of less-traditional marriages, including everything from a parenting marriage (intended for the sake of raising and nurturing children) to a comfort or safety marriage (where people marry for financial security or companionship), the book covers unique options for couples interested in forging their own paths. With advice to help listeners decide what works for them, *The New I Do* acts as a guide to thinking outside the marital box and the framework for a new debate on marriage in the 21st century.

Investigating Shrek - T. Nieguth 2011-08-14

An exploration of the social significance of Shrek from a variety of theoretical perspectives, this book pursues two different, yet intertwined objectives. The first is to present Shrek as pedagogical tool that could be usefully employed in a number of different disciplines. Shrek is approached from a political science angle, a sociological perspective, and applied to the tenets of evolutionary psychology. The second objective is concerned with outlining some of the ways in which Shrek is actively bound up with various aspects of social reality - such as capitalism, power relations, inequality, rule and resistance. This book analyzes the green ogre and his companions in a

way that is entertaining as well as informative.

Ulysses - James Joyce 2022-10-19
Loosely based on the Odyssey, this landmark of modern literature follows ordinary Dubliners in 1904. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor. A major achievement in 20th century literature.

Metamorphosis of Robin Daniels - Shooter3704 2016-04-30

(Met-a-mor-pho-sis (n) A marked or complete alteration in appearance, condition, character, or function.) In the thirty-eighth year of her life Robin Daniels made a life changing decision. She felt old

and she knew she was fat and soft. She was aware that she had to do something and she did. After six weeks in a southern California `fat farm` she was no longer fat and soft. She no longer felt old and then she had to reclaim her husband and her life. Especially her sex life which had gone into limbo. At the spa she was introduced to Liz, a call girl. Liz and her candor changed Robin`s way of thinking. Interracial sex had not even entered Robin`s mind until Liz came along. Now it occupied her every waking thought. She made another life changing decision and did something about that. Robin started down a long and winding road of self discovery and loved every twist and turn of it. As she became ensnared in interracial sex, so did her family and friends. Joe, Robin`s husband, and Rachel, their nineteen year old daughter, soon joined her on that discovery highway. Robin met and became involved with her black plumber, his brother and a man named Amos Black, a mover and shaker in the black

community. They all meet an attorney and his wife who are also on a mission of discovery. You get to meet all the interesting players in this metamorphosis of Robin Daniels

Spain, a Global History - Luis Francisco Martinez Montes
2018-11-12

From the late fifteenth to the nineteenth centuries, the Hispanic Monarchy was one of the largest and most diverse political communities known in history. At its apogee, it stretched from the Castilian plateau to the high peaks of the Andes; from the cosmopolitan cities of Seville, Naples, or Mexico City to Santa Fe and San Francisco; from Brussels to Buenos Aires and from Milan to Manila. During those centuries, Spain left its imprint across vast continents and distant oceans contributing in no minor way to the emergence of our globalised era. This was true not only in an economic sense—the Hispano-American silver peso transported across the Atlantic and the Pacific by the Spanish fleets was arguably the first global currency, thus facilitating the creation of a

world economic system—but intellectually and artistically as well. The most extraordinary cultural exchanges took place in practically every corner of the Hispanic world, no matter how distant from the metropolis. At various times a descendant of the Aztec nobility was translating a Baroque play into Nahuatl to the delight of an Amerindian and mixed audience in the market of Tlatelolco; an Andalusian Dominican priest was writing the first Western grammar of the Chinese language in Fuzhou, a Chinese city that enjoyed a trade monopoly with the Spanish Philippines; a Franciscan friar was composing a piece of polyphonic music with lyrics in Quechua to be played in a church decorated with Moorish-style ceilings in a Peruvian valley; or a multi-ethnic team of Amerindian and Spanish naturalists was describing in Latin, Spanish and local vernacular languages thousands of medicinal plants, animals and minerals previously unknown to the

West. And, most probably, at the same time that one of those exchanges were happening, the members of the School of Salamanca were laying the foundations of modern international law or formulating some of the first modern theories of price, value and money, Cervantes was writing Don Quixote, Velázquez was painting Las Meninas, or Goya was exposing both the dark and bright sides of the European Enlightenment. Actually, whenever we contemplate the galleries devoted to Velázquez, El Greco, Zurbarán, Murillo or Goya in the Prado Museum in Madrid; when we visit the National Palace in Mexico City, a mission in California, a Jesuit church in Rome or the Intramuros quarter in Manila; or when we hear Spanish being spoken in a myriad of accents in the streets of San Francisco, New Orleans or Manhattan we are experiencing some of the past and present fruits of an always vibrant and still expanding cultural community. As the reader can infer by now,

this book is about how Spain and the larger Hispanic world have contributed to world history and in particular to the history of civilisation, not only at the zenith of the Hispanic Monarchy but throughout a much longer span of time.

Gage "Backwoods bypassed cerebral instincts and went straight to my lap." -Out in Print

Bluebeard's Wife - Selena Kitt
2008-11-14

Tara's husband has never shared a fantasy with her, or even masturbated--that she

knows of. However, this curious wife discovers a phone bill full of phone calls to sex lines and realizes her husband has been living a double life! Instead of getting mad, Tara's curiosity leads her to begin listening in on John's steamy conversations in hopes of finding out what he really wants in the bedroom. After several failed attempts at bringing fantasy to reality, however, a frustrated Tara turns to her much more adventurous best friend, Kelly, for help. A quick psychology 101 diagnosis from Dr. Kelly marks John as having a classic "madonna/whore" complex, and she quickly sets about making plans to rectify this situation. Tara goes along for the ride, hoping that Kelly may have the answer to bridging the seemingly ever-growing gap in her marriage?-----Warnings: This title contains erotic situations, graphic language, sex, ménage a trois (MFF threesome), lesbian sex and some naughty daddy/daughter role play, too!-----
EXCERPT: "Seeing you dancing

out there with Kelly—you don't know how sexy you are, do you?" he asked, leaning over to me, his hand running up from my knee to my thigh. His breath was warm on my face, and I could smell the 7&7's he'd been drinking all night. My own head was still swimming with wine. "You two rubbing up against each other, seeing your red little dress riding up and up," he whispered, his hand pushing my dress up further as he sought higher ground on my leg. "You looked just like you do when you come, with your eyes half closed and your mouth open and your legs quivering." I moaned, tilting my face up to him, and then he was kissing me, his tongue forcing its way past my teeth, down my throat, as he pressed me into the door. "I wanted to fuck you right there on the dance floor," he growled against my neck, biting and sucking at my flesh. "I wanted to fuck you both." I gasped, his hands groping me in the dark, everywhere at once. My dress was pushed up to my waist

now, his fingers rubbing fast and hard between my legs. We kissed, our mouths meshing together as he leaned over the gearshift to get to me. When he pulled my panties aside and plunged his fingers into me, I hissed, putting one foot up onto the dashboard to give him better access. He was trying to climb over onto me but there wasn't enough room—not in his little Roadster. When I whispered that fact to him, he grunted, pulling his hand away from me and moving to open his door. A moment later, he was opening mine, and I was still sitting there with my panties askew, my heels off, and my dress shoved up to my waist, struggling with the seatbelt. He leaned over me and popped the button, pulling me out of the car and crushing me to him, his tongue digging deep into my mouth. I clung to him, wrapping my arms around his neck, feeling his hands roaming over my ass, squeezing and lifting me, pressing my crotch to his. I could feel how hard he was through his trousers. Then he

was turning me around, pressing me over the hood of the car, shoving my dress up higher on my waist. His hands moved over my ass, my thighs, and I heard his zipper and the felt his cock pressing against my panties. He shoved those aside, his fingers finding me again, moving in and out of my wetness—and I was wet, soaking wet, my panties moist with my heat. He didn't bother to take them off, he just replaced his fingers with his cock, shoving himself deep inside me with a growl. I moaned, pressing my cheek to the metal, the engine still ticking as he started to fuck

me, my hands out in front of me, just letting him take me. I could see the Christmas lights of the neighbor's house across the street, a blurred red and green glow as he rocked me against the Beemer's electric blue hood.
