### **Make Money Work For You: Pursuing Financial Freedom Without Your Day Job** - Bruce Walker

□78 Percent of Workers are Living From Paycheck-to Paycheck□ We spend one-third or more of our days at work. Work defines us as people, when we aren't happy at work, other areas of our life will suffer. Yet close to more than 80 percent of workers say they don't feel satisfied with their job. This is a serious matter if we look at it from a long-term perspective. It's understandable that it takes courage to leave a job and its security. For a lot of people, we need that paycheck to sustain our living. But when an individual is in a job that lacks growth and is fostering complacency, there is a lack of worth, we'll feel innate that our value is not as high as we would like. "This can make us feel trapped." Working/doing something you don't like or enjoy can feel like a waste of your precious time, but if we have a plan and know how to have money working for you. It would be a total game changer. In this book, we'll take a closer look at exactly where you are financially and how you can quickly get to financial independence from where you are currently.

*HER NAME IS HOPE - LIFE FORCE* - Nick Armbrister 2013-12-08

This is Nick Armbrister's third collection of poems and his fourth book. It has poems that didn't make his first two collections due to a variety of reasons. He didn't think some of his early poems were up to standard; these he edited and rewrote; some poetry was too personal in nature, like relationship ones. Also, poetry that repeated the same subject matter never made the first two books. In later years, after re-reading his poetry, Nick decided to bring all of his remaining unpublished work together in this new volume - poems written during the years 1996-2008. The work changes in depth, quality and subject matter and most of the poems have never been published before. Nick continues his passionate, multi-emotional and often left-of-centre work in these poems. Nick has always been drawn to the weird and wonderful. While his poems are

often simple and brittle, they make a graphic and powerful impact that cuts like broken glass.

**The Educated Street Boy** - Sam Rogeni 2013-09-12

The book is based on a true story on how a father, Athur Kingoina, mistreats his youngest son, Maxwell Ratemo who had just graduated from Nairobi University with a B.Com degree. His father occasionally, receives some money from his other three children who are studying in the US and thinks that the one at home should have a job and may be, be in a position of giving him money too. His girlfriend, Rosalina, is not kind either. She jilts him for another man whom he meets with her at Uhuru Park enjoying their time. The good thing was that he didn't confront them. This tough life makes him to run away from home to even a tougher life of being a street boy in Nakuru town after searching for a job in vain. A road accident one evening which nearly took his life, changed everything. When all these events were happening in the life of Ratemo, politicians were campaigning in preparation for the general elections which was scheduled to take place at the end of the year; Dec.27.2007. When the time reached and the electorates cast their votes, chaos erupted after the tallying had been done and the incumbent president was declared the winner. The results were disputed which sparked the violence. A great destruction was done to both human lives and properties. Business operations were disrupted for two months. This impacted negatively to jobs, especially into those foreign companies which had ventured to do business in the country. The majority of them, wound up their business ventures and re-located to other countries which were politically stable. Ratemo's company, DIMA investment was no exception. After the lull of the big storm of violence, the company found that it had made unsurmountable loss, it laid off almost all the workers and later on wound its business rendering many employees jobless.

**Iniquitous Connections** - J Langston 2012-08

Craig Lewis Lewis has returned from WWII in 1945. He and his wife, Claire settle near Atlanta, Georgia. They already have a daughter, Karen Ann, born in 1942, while he was in training as a medic. Craig was deployed to North Africa, then to Sicily and finally to Italy. They soon have another daughter, Susie, born in May, 1947. Claire becomes terminally ill. How Craig handles her illness, eventual death, and their children, is a story repeated all too often even today. If only he would have looked to Providence for his help instead of a bottle, his life and that of his daughters', would have turned out differently. It is the lack of inner strength drawn from a loving family, or from God, that throws his and his childrens' lives into turmoil and violence. His youngest daughter, Susie is catapulted into a life of alter personalities unknown to her until she totally collapses. The dark cloud that has followed her all her life, finally consumes her and wreaks total havoc and insanity in her life and that of her family. Her path through depression and quagmire of multiple personalities is long, disruptive, and harrowing.

*I Kissed my Girlfriend's Little Sister?! Volume 1* - Riku Misora 2022-03-15

"We'd better not let my sis see us like this..." My girlfriend's younger twin sister has somehow become my new stepsister?! "You sound really nervous right now. You're just so adorable, bro." It's been a month since I've started dating Haruka, my first ever girlfriend. We even finally reached first base today—holding hands! "What a bad boyfriend you are. To think you're daydreaming about your little sister while you're holding hands with your girlfriend, of all people!" Today's also special for a different reason—my dad's getting remarried, which means I get a new stepsister. Her name is Shigure, and she's pretty much the spitting image of Haruka. That's no surprise though, given that she's actually Haruka's long-lost twin sister! Due to family circumstances, they were split up at birth. "It's okay, bro. I look exactly like sis does, right down to... well, you know. I don't blame you at all." Her presence adds a new, twisted form of love that tangles itself into our protagonist's passionate love life! He can't possibly tell his girlfriend what's been going on! Be sure to check out this saucy romcom with a raunchy and rather needy stepsister!

**Why Men Should Never Chase Women, Why Most Women Do Not Offer Value To Men As A Girlfriend Nor As A Wife, Why Men Are The Prize In The Relationship With Their Partner, How To Successfully Live The MGTOW Life, And The Benefits Of Living The MGTOW Life** - Dr Harrison Sachs 2021-05-04

This essay sheds light on how to how to receive unlimited money and unlimited benefits for a lifetime without ever working a single day in your life, elucidates how to receive far more wealth than a millionaire without ever working a single day in your life, and explicates how becoming a welfare aristocrat can improve every facet of your life. Furthermore, the ample causes of extreme poverty are demystified and how attending school causes extreme poverty is delineated in this essay. Moreover, how to generate extreme wealth online on social media platforms by profusely producing ample lucrative income generating assets is elucidated in this essay. Additionally, the utmost best income generating assets to create for generating extreme wealth online in the digital era are identified, how to become a highly successful influencer online on social media platforms is demystified, and the plethora of assorted benefits of becoming a successful influencer online are revealed in this essay. Furthermore, how to attain extreme fame leverage is demystified and how to earn substantial money online so that you can afford to eminently enrich every aspect of your life is meticulously expounded upon in this essay. In a controlled market economy, it is viably possible to receive unlimited money and unlimited benefits for a lifetime without ever working a single day in your life. In the digital era, the unemployment rate hovers around 90%-95% and is slated to amplify to an unprecedented height in the pending future as more and more people exit the workforce. In the digital era, only 5%-10% of population work real private sector jobs based on voluntary demand and that employed demographic cohort continues to perpetually diminish as more and more exit the private sector workforce. The 90%-95% of the population who are unemployed and refuse to work in any capacity have been able to thrive, prosper, and flourish through their lifetimes since all their wants and needs have been met without them ever having to work for even a single day in their life to be able to finance their wants and needs. Additionally, the 90%-95% of the population who are unemployed and refuse to work in any capacity are even able to receive significantly more money than people who work real private sector jobs based on voluntary demand earn since unemployed people who refuse to work in any capacity are able to receive unlimited money and unlimited benefits for a lifetime even though they refuse to work in any capacity. Most people are deterred from working in any capacity since doing so could potentially disqualify them from being able to receive unlimited money and unlimited benefits for a lifetime. People would prefer to never work a single day in their life so that they can perpetually receive unlimited money and unlimited benefits. People are able to receive unlimited money in the form of handout payments and unlimited benefits in the form of handout benefits without working a single day in their life. The unlimited money and unlimited benefits that people receive allows them to become welfare aristocrats and indulge in experiencing the utmost highest standard of living since they are able to have all their wants and needs effortlessly met without them ever having to work for even a single day in their life for anything that they receive. In this controlled market economy, people who work real private sector jobs based on voluntary demand subsidize the unlimited incomes and unlimited benefits of welfare aristocrats. Welfare aristocrats receive

handout payments that provide them with unlimited incomes and also receive handout benefits which provide them with unlimited benefits for those who qualify to receive them. Welfare aristocrats are more than capable of working, but choose not to work in any capability. In other words, welfare aristocrats are able to retire without ever having worked a day in their life. Even though they have never worked a day in their life.

[How to be Happy without Money, Drugs or Alcohol](#) - Angel Lim 2013-09

This book is designed to be short and sweet so that everyone can read through it quickly and remember the principles easily and quickly so as to be able to apply them in their daily lives. How many times have you bought a book but left it on the shelf because it has way too many pages? I myself have bought two bookcases of books, many of which were left unread. This book is designed for you to be able to finish reading quickly so everyone can start applying these basic principles of happiness. When read thoroughly, these principles can be comprehended quickly. When applied, they can be very effective in serving their purpose. It is my joy and my hope that everyone will apply these principles and help each other and everyone around them lead a happy, loving, and blessed life. This book is an antidote for bottled-up anger, suppressed depression, and stifled expression of one's emotions. It is the ultimate solution that I hope will be much more effective and better than any drug or any gun-control measures (even though that is necessary too), far better than any depression pills one can take. It solves the root of the problem from the inside out, clearing bottled-up anger, uncontrollable depression, and stifled emotions. It is a very effective solution to marital problems in prevention of a pending divorce and as a secret to a happy family. These principles, when applied to our daily lives, could be the ultimate solutions for our social problems that cost the society much more money and lives than one can even think of. Without them, we are all robbing ourselves of the joy of livelihood, the ultimate living in this happy world. If applied, this world could be a much happier place to live in the ultimate goal for everyone, the rich and the everyday person who is always striving to succeed. If applied, we will not be wasting our money and time on taking drugs or drinking alcohol just to drown our sorrows so we can feel better for that small moment of time drugs and alcohol can bring. My antidote is natural and free; it will save you a lot of money and bring you a lot of happiness in many years to come. Joy and happiness will soon be a part of your family life and part of your daily living so that not many can comprehend how one can even achieve this kind of happiness without money, drugs, or alcohol. This book brings everlasting joy and happiness from the inside out, hence helping to solve our social problems such as gun killings, murder due to anger, suicides caused by depression, and also marital problems and divorces.

**Voices of the Undocumented** - Val Rosenfeld 2015-10-26

America is in the midst of a daily debate about the issue of undocumented workers. It seems that every day there is another controversy about immigration in the news. Most Americans read these articles and look upon the undocumented immigrants as an undifferentiated block of people. Few seem to truly understand them as individuals, how they got here and their personal stories. This non-fiction book, *Voices of the Undocumented*, tells the stories of nine undocumented individuals, their struggles as day workers, how their lives are in limbo and their hopes for a better future. This is not a political book. The purpose of these life stories is to give these faceless people a voice. From the heartbreaking story of Salvador (an illiterate

Mexican farm worker who entered the U.S. illegally four times), to Ernesto (an educated Peruvian womanizer), to the amazing accomplishments of Rocío (a graduate of a prestigious university), *Voices of the Undocumented* relates poignant accounts of the undocumented workers' lives. One must know the stories to truly know the people.

Keywords: Undocumented, Illegal, immigrant, Mexican, Immigration, Border, Green card, Amnesty, Citizen, Latino

**Topographies of Popular Culture** - Maarit Piipponen 2016-08-17

*Topographies of Popular Culture* departs from the deceptively simple notion that popular culture always takes place somewhere. By studying the spatial and topographic imaginations at work in popular culture, the book identifies and illustrates several specific tendencies that deserve increased attention in studies of the popular. In combining the study of popular texts with a broad variety of geographical contexts, the volume presents a global and cross-cultural approach to popular culture's topographies. In part, *Topographies of Popular Culture* takes its cue from recent theorisations of spatiality in the field of critical theory, and from such global transformations as the processes and after-effects of decolonisation and globalisation. It contemplates the spatiality of genre and the interactions between the local and the global, as well as the increasing circulation and adaptation of popular texts across the globe. The ten individual chapters analyse the spaces of popular culture at a scale that extends from an individual's everyday experience to genuinely global questions, offering new theoretical and analytical insights into the relation between spatiality and the popular.

[My Girlfriend, the Witch-Queen](#) - M. P. Smythe 2023-05-01

All I wanted was help for our village. Sure, she's cute--gorgeous, even--funny, and a bit of a nerd, but she's also the Witch-Queen. For heaven's sake she conquered the world with her legions of daemons and now rules it with an iron fist. And I'm just a lumberjack from what was once Tennessee. I'm just here to get her to come save our village from a rogue daemon. I'm into fungi and anime, not wealth and ruling the world. But after a chance encounter entwines our lives, she makes me her official boyfriend. Crazy, right? I'm starting to wonder if I love her. Or if she loves me. Join Mike and Lynn as they navigate assassins, scheming princes, conspiracy-obsessed childhood friends, and powerful entities from beyond our four-dimensional spacetime. This blush-free romance has adult language and some trauma in the past.
