HAVE YOU EVER FELT ALONE? Be honest. Have you ever had that feeling of emptiness that comes when you feel powerless after being rejected once again by another woman? Maybe you also asked yourself "What's wrong with me?" "Why don't women understand me?" Well, if you also asked yourself these questions at least once in your lifetime... don't worry, I know perfectly how you feel. That's because I asked myself these questions before you. Believe me when I tell you that I spent many nights crying, wondering what was wrong with me, asking myself why I had no friends or girls, wondering if I would ever get out of that hell. Well, sit down because now I'll tell you the story of how from a true "loser", I managed to have dozens of relationships with incredible girls, while also improving my life

radically in terms of self-esteem and confidence. What you will learn in this book: How to APPROACH a girl EVERYWHERE AND ANYTIME, REGARDLESS OF YOUR APPEARANCE AND YOUR WEALTH How to use BODY LANGUAGE to seduce and attract a girl How to MAINTAIN engaging and endless CONVERSATIONS How to HAVE MORE CONFIDENCE and LESS STRESS BEFORE APPROACHING How to CHAT effectively to get a date as fast as possible (with PRACTICAL EXAMPLES) How to use the Social Circle Game to PASSIVELY ATTRACT ANY WOMAN without having to put too much effort in it How to CREATE AND MANAGE A GROUP so that EVERYBODY LOVES YOU, and you'll be able to have a lot of girls at your feet How to CONSTANTLY MEET NEW PEOPLE How to THROW AN EPIC PARTY without having to pay too much How to CREATE A GROUP FROM SCRATCH with new people and friends EVEN IF YOU DON'T KNOW ANYBODY in a new city or in a new place How to BECOME A LEADER, by also becoming the most popular I've spent my last 5 years experimenting in the field with the principles that you'll find in this book, and believe me when I tell you that I've tried them all. How to "get out of your own head" and make confident, natural approaches to any woman...even if you're terrified of rejection right now The cold approach is the scariest part of dating and pickup. Are these feelings familiar? "What if she laughs at me?" "What if I get

rejected?" "What if someone sees me getting rejected?" Before we go any further - this short guide is not your typical "pickup artist" type book You won't be memorizing ridiculous and force lines, or clowning around in front of women. It's a natural way to approach and see if there's a connection there. Which you can use even if you're shy, socially anxious and introverted. A way which immediately takes the pressure off, and allows you to relax. Here's just a fraction of what you'll learn: The #1 thing you can do to get over your fear of rejection (most typical "pickup" programs miss this completely...which is why they rarely deliver results) How to use your body language to give an impressions of coolness The best time to be direct in a conversation Why "just making conversation" is the worst way you can approach a woman you have romantic intentions with The "female wing man" secret to breaking down a woman's barrier 2 men you should study for body language tips You're rich, good looking, jacked? Never mention those in a first time conversation. And what to talk about instead 4 places you should never approach a woman (doing this is sure to end in rejection...or possibly worse) This short guide, written in plain English is easy to read in one sitting. It's short enough so can read in the morning, and start approaching in the afternoon. The Easiest Way to Meet and Pick Up Girls-Ever!! - Dusty White 2006-07-27

As of January 2014 I am taking this book off of the market forever. I stated when I wrote this that it was not for mass public distribution. This book was always to be limited to under 10,000 copies. Sales have been astounding (far more than I ever imagined) and it is time to let the existing copies wear out, and return this information back to the few people who actually do it well. I have unpublished all digital versions of this book and they will not return either. This book will not be sold again. Thank you to everyone who read--and used it--when you did. That was an interesting period in my life. But that was then, and this is not then. This book takes all of the guesswork out of meeting

women. It is not about relationships or raising a family, and it is not another hokey book on how to have some mysterious "secret power" over women. This book teaches you how to get a date tonight-without having to spend any money. Anyone can do this. You will approach women any time, anywhere, instantly getting them interested in knowing you, without feeling nervous or having to resort to pick-up lines. You will know what to say first, what to say after that, how to grab her attention and focus it exclusively on you-and get her number or a date on-the-spot. The first section of this book analyzes every possible way you could approach women. The second section of this book reveals a secret, devious way to pick up almost every woman you meet without her even guessing that you are working your magic on her. Subsequent sections provide help and troubleshooting guides. We won't make you a "guru of getting girls." We will get you "dates." The biggest problem most men have in getting dates is knowing how to approach attractive girls they see every day of the week (at the office, gas station, standing in line anywhere). Too many men rely on nightclubs, bars, and personal ads to get dates, ignoring the women they see e-v-e-r-y d-a-y.

[How to Attract and Approach a Woman](#) - Roman G. Turkowsky 2012-04-04

Picture this. If you are a guy that has spent any time in any place at all trying to talk to a woman, you know how this scene goes. You see the woman of your dreams. Okay, this may be a little exaggeration. But you see a pretty woman somewhere. Of course, when you see her, you naturally want to go talk to her. Thus far, you haven't done a thing wrong. You walk over to her and say hi. She greets you back, not incredibly interested. As pretty as she is, there is no doubt that she has been randomly approached by men that look just as good, if not better than you on a regular basis. This is just to be expected, no matter how good you think you look, or actually do. She is just used to it. You introduce yourself and offer your hand to shake. She accepts your hand and tells you her name. Once again, you are doing just fine. This is where the story starts to go downhill, though. There is an awkward pause as she looks at you expecting you to say something else. After all, you approached her. You try desperately to think of something to say. All that comes out is three strikes in a single question because you have nothing better to say. She answers you absently, and looks around for someone that she knows to talk to, greeting them from across the room. She smiles and takes off, politely casting a "nice to meet you" over her shoulder as she runs off with

her friends, planning to talk about you when she gets over there and not talk to you for the rest of the night. And you have failed. Now, your question or statement, whatever it was, can be one of many different things. No matter what you said to her or asked her, the message portrayed was the same exact thing. And she read the message loud and clear. What was the message? It is simply: I have nothing to say. That is why she walked away from you without any interest whatsoever. That is why she will not remember your name in fifteen minutes, if she remembers it that long. And that is why you are going home alone.

[How To Attract Women With Humor](#) - Leonard Bustos 2013-09-16

I'm going to show you how fun and exciting it is to approach practically any woman, practically anywhere, and have an immediate humorous connection with her. Women are actively looking for those men who have the ability to unlock the code to their natural instinctive desires, and your going to learn how to develop those "Attractor Factors" that tap into a woman's primal needs and desires. I'm going to let you in on a little secret. Real men want to have sex with as many beautiful women as they possibly can. I know you're probably shocked at this astonishing revelation, but don't be alarmed. It's not your fault, and it's nothing to hide or be ashamed of. In fact, if your ancestors didn't feel the same way, you wouldn't be here. It's important to add that most honorable men in a relationship generally restrain themselves from acting on this primal desire mostly because of love and respect and to avoid hurting their partners. However, that doesn't mean this powerful urge still doesn't exist. To this day learning to control this instinctive impulse tends

to be the ultimate male dilemma. Guess what? Women desire and crave sex too. The problem is, too many guys are either too passive and conceal their sexual interest in women, or they act like aggressive idiots and drive them away. There is a very cool and natural way to approach and attract women so they become interested in you first, and I'm going to show you how to do it. There's no doubt that women want to be sexually attractive and wanted by men. They are actively looking for those men who have the ability to unlock the code to their natural instinctive desires. This book is going to teach you how to develop those traits and skills that tap into a woman's primal needs and desires. You will become in so many words - simply irresistible. Attraction is not a choice. These are natural biological reactions embedded in our DNA developed over tens of thousands of years. Just as men have these responses to attractive women, so do women have similar reactions when they observe men with certain masculine traits. We often think of the male as competing with other males for the prize of mating with the female, but women, of course, also compete for the opportunity to mate with the male who has the most desirable traits. I'm going to teach you what those masculine traits are and how you can develop and use them so that you become more attractive and irresistible to women. I'm happy to report that some of you guys will be very relieved to know that looks aren't at the top of the list of attraction for women. I'm just saying.... If you want to experience life's ultimate pleasure of falling in love and being in love - with all of the benefits that come with it - like incredible sex, great companionship, having someone to laugh with, someone to be there for you through good times and bad - and just having a partner to share and experience life with; then I promise to show you how to connect with her if you are willing to take the necessary steps I'm about to share. I can't think of a more important decision in life that you will ever make regarding your happiness than with whom you choose to share your life. Finding a quality woman all begins with meeting her, and in order to meet her, you'll need to know how to approach and cause her to be attracted and interested in you.
