

How To Get A Woman Pregnant Fast Video

Nutrition Education Resource Guide - 1991

Getting Pregnant - Niels H. Lauersen 2010-06-15
Whether you are young and fertile, over 40 and having trouble conceiving, or anywhere in between, here is the best resource to help you get pregnant. The only must-have fertility book, *Getting Pregnant*, completely revised and updated, not only addresses the needs of those who cannot conceive but serves as the ultimate guide for anyone planning to have a baby, now or in the future. Addressing the newest, state-of-the-art medical treatments for infertility, *Getting Pregnant* gives you all the latest news on: eight brand-new fertility drugs donor eggs and donor sperm a new 15-minute in-office surgery that

can double conception odds breakthrough technologies for preventing chronic miscarriage how both sex and lifestyle factors affect fertility, including the "Nine to Five" guide for protecting your reproductive health on the job *Getting Pregnant* also provides a wealth of practical information about the exercises, foods, and supplements that encourage a faster, healthier conception, as well as brand-new, all-natural techniques that influence the gender of your child. You'll also find a helpful six-month personal pregnancy planner that addresses all of your pre-conception health and medical needs. Don't miss the new chapters that focus on protecting, increasing, and extending fertility, while new frontiers in both the treatment of

male fertility and the science of motherhood are explored.

Getting Pregnant Faster - Marilyn Glenville
2012

As women, we spend most of our reproductive lives trying not to get pregnant and it can seem so unfair that when we want to have a baby it doesn't happen. From many years of helping couples to get pregnant, Dr Glenville knows that the best approach is a well-structured plan that is tailored to the individual, in order not to waste time. She advises on nutrition, lifestyle, medical issues, age, environmental and occupational hazards and emotional concerns that are relevant to you and your circumstances.

Whether you have recently decided you want to have a baby, or have been trying for a while without success, this book can help you to boost your fertility and increase your chances of conceiving.

The Kama Sutra of Vatsyayana - Vatsyayana
2021-08-29

The Kama Sutra of Vatsyayana Vatsyayana - The Kama Sutra of Vatsyayana by Richard Francis Burton is an edition of the ancient Indian text on sexuality and emotional needs. Vatsayana was an ancient Indian philosopher who lived during the second or third century. Although it is often thought of as a sex manual, it is much more, with guides on living well, the nature of love, and finding a partner. Indeed, Vatsyayana says himself: 'This work is not to be used merely as an instrument for satisfying our desires'. Burton did not in fact translate the Kama Sutra - it was translated by the Indian scholar Bhagwan Lal Indraji. It was edited by Burton to suit prevailing British attitudes to sex, but was still banned in England and the United States until 1962. Other criticisms levelled at Burton's translation is that instead of using English words for the sex organs, he uses the words 'lingam' and 'yoni', despite those words not appearing in the original work. This was seen as an attempt to distance them and make them 'other', rather

Downloaded from
legacy.opendemocracy.net on 2021-04-08
by guest

than about English people's sexual organs. He also removes the agency of women, and where in the original, women's words are direct quotes, in the Burton translation, women's words are removed and put into the passive state (i.e., A woman saying 'Stop!' becomes 'She continually utters words expressive of prohibition'). Despite all this, it has been such an influential translation that even modern editions in the Hindi language are re-translations of the Burton version. The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an

aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life.

The Fertility Diet: Groundbreaking Research Reveals Natural Ways to Boost Ovulation and Improve Your Chances of Getting Pregnant - Jorge Chavarro 2007-11-28

The first fertility-boosting guide to feature the cutting-edge research results on fertility from the Nurses' Health Study More than 6 million women in the United States alone experience infertility problems User-friendly, medically approved advice clearly explained in 10 nutritional guidelines from two of Harvard Medical School's top voices in nutrition

The Impatient Woman's Guide to Getting

Pregnant - Jean M. Twenge 2012-04-17

Comforting and intimate, this “girlfriend” guide to getting pregnant gets to the heart of all the emotional issues around having children—biological pressure, in-law pressures, greater social pressures—to support women who are considering getting pregnant. Trying to get pregnant is enough to make any woman impatient. The *Impatient Woman’s Guide to Getting Pregnant* is a complete guide to the medical, psychological, social, and sexual aspects of getting pregnant, told in a funny, compassionate way, like talking to a good friend who’s been through it all. And in fact, Dr. Jean Twenge has been through it all—the mother of three young children, she started researching fertility when trying to conceive for the first time. A renowned sociologist and professor at San Diego State University, Dr. Twenge brought her research background to the huge amount of information—sometimes contradictory, frequently alarmist, and often discouraging—

that she encountered online, from family and friends, and in books, and decided to go into the latest studies to find out the real story. The good news is: There is a lot less to worry about than you’ve been led to believe. Dr. Twenge gets to the heart of the emotional issues around getting pregnant, including how to prepare mentally and physically when thinking about conceiving; how to talk about it with family, friends, and your partner; and how to handle the great sadness of a miscarriage. Also covered is how to know when you’re ovulating, when to have sex, timing your pregnancy, maximizing your chances of getting pregnant, how to tilt the odds toward having a boy or a girl, and the best prenatal diet. Trying to conceive often involves an enormous amount of emotion, from anxiety and disappointment to hope and joy. With comfort, humor, and straightforward advice, *The Impatient Woman’s Guide to Getting Pregnant* is the bedside companion to help you through it.

problem and women who are planning or undergoing IVF, Marisa's powerful techniques, which are not to be found anywhere else, lie in the process of reading the book. Trying to Get Pregnant (and Succeeding) is an exciting book that enables any women struggling to get pregnant to deliver a healthy baby, even if they've been told they were infertile. It works on multiple levels using techniques including powerfully affecting exercises, subtle repetition and straightforward questionnaires to break negative blocks about pregnancy and birth whilst improving your fertility. An effortless process, the reader's progress through the book is a hypnotherapy treatment in itself. Marisa Peer was voted Britain's Best Therapist and is listed in The Tatler guide to Britain's very best Doctors and specialists she has a unique ability to help people with fertility problems. Written in the highly engaging style she is renowned for, Marisa speaks to you on an extremely personal level and tailors her proven methods in boosting

conception to your unique needs. Unlike other books, not only does her programme naturally boost fertility but it can do so by your next cycle. If you want to have a baby the most important tool to boost your fertility is your mind. This book offers hope for all women with fertility issues, so if you are struggling with unexplained infertility or secondary infertility Marisa's brand new book shows you how to get pregnant fast. With Marisa's proven programme you can increase your fertility, improve your ability to conceive naturally, or with IVF, and then carry your perfect baby to full term.

[Is Your Mind Fertility-Friendly?](#) - Jackie Brown
2015-10-28

Failure to conceive can cause immense pain and suffering and the purpose of my book is to help women become aware that stress and negative emotions can have a detrimental effect on their fertility and to help them to do something about it.

Video Cowboys - Yolanda Joe 2010-06-15
Bestselling author Yolanda Joe brings back savvy Chicago reporter Georgia Barnett in a novel that moves to the beat of the newsroom and pulses with wit and intrigue. She's calling the shots. Georgia is at the center of a chaotic scene, but not as a TV reporter breaking an incredible story. She and her partner, Zeke, are taken hostage when a bomb-wielding gunman holds up a bank. He doesn't want money, though. He wants national media to focus on the story of his

missing daughter. In exchange for access to the airwaves, Georgia can walk. Zeke, however, is going nowhere fast. She's dodging the bullets. With her tough cop boyfriend away on assignment, Georgia's taking help where she finds it. Enter the Video Cowboys, a rough-and-tumble camera crew hungry to ride with Georgia on a nail-biting, action-packed investigation that leads them all over Chicago. With a trigger-happy police force facing off against a desperate father, Georgia is under the gun to find the missing girl and save Zeke from the crossfire. And time is running out. . . .

Communities in Action - National Academies of Sciences, Engineering, and Medicine
2017-04-27

In the United States, some populations suffer from far greater disparities in health than others. Those disparities are caused not only by fundamental differences in health status across segments of the population, but also because of inequities in factors that impact health status,

so-called determinants of health. Only part of an individual's health status depends on his or her behavior and choice; community-wide problems like poverty, unemployment, poor education, inadequate housing, poor public transportation, interpersonal violence, and decaying neighborhoods also contribute to health inequities, as well as the historic and ongoing interplay of structures, policies, and norms that shape lives. When these factors are not optimal in a community, it does not mean they are intractable: such inequities can be mitigated by social policies that can shape health in powerful ways. Communities in Action: Pathways to Health Equity seeks to delineate the causes of and the solutions to health inequities in the United States. This report focuses on what communities can do to promote health equity, what actions are needed by the many and varied stakeholders that are part of communities or support them, as well as the root causes and structural barriers that need to be overcome.

Having The Cowboy's Baby - Judy Duarte

2016-01-01

'I'm...pregnant?' How can that be? Well, Carly Rayburn knows how - but she'd been told she could never have children. Even more shocking is returning to her family ranch to tell the daddy-to-be, sexy cowboy Ian McAllister. Carly has dreams to reach country music stardom; he has his boots planted firmly in the Texas soil. But they share two things: undeniable heat...and, soon, a baby. Ian never forgot Carly, nor his plans to buy her ranch. There he envisions raising a family...with the right woman and at the right time. Till Carly drops her bombshell. When his head clears, he may be thrilled to be a daddy, but can he lasso the starry-eyed singer and become a husband?

Supernatural Childbirth - Jackie Mize

2010-05-25

Pregnancy and childbirth are often depicted as a time of sickness and mood swings for women followed by twelve to twenty hours of pain and

hard labor. Many women have been told they can never conceive. Others have suffered the pain of conceiving and miscarrying. Have you had enough of this picture? Supernatural Childbirth is a practical...
