Run Like a Girl 365 Days a Year - Mina Samuels 2019-07-09

No matter how hard it is to get out the door, it's on the road that we meet our strengths and weaknesses, have the space to contemplate our hopes and dreams and ultimately find what makes us happy. Not every workout is an epiphany. Instead, each time out on the road—no matter how much of a battle it was to get there—is an exercise in getting to know ourselves a little bit better. It's on that road that we learn our strengths and weaknesses, ponder our hopes and dreams, and ultimately discover what makes us happy. For women who draw even a portion of their strength from being active, *Run Like a Girl 365 Days a Year* serves as a Book of Days. It's practical, inspirational, and personal, with a dash of the existential and neurotic, it's a fresh take on the popular thought-a-day books, geared toward women athletes. Containing 365 entries for a full year of running inspiration, *Run like a Girl 365 Days a Year* revels in the joys we discover as we greet our athletic selves each new day, and confront the obstacles thrown in our way by the world, by our bodies and, most importantly, by our minds. Some of the topics include balance, body image, the battle of the sexes, sisterhood, and aging. Light-hearted, honest, and authentic, *Run Like a Girl 365 Days a Year* is an inspiring daily reminder of every woman's strength and potential.

Girl from the North Country - Conor McPherson 2017-11-20

"The idea is inspired and the treatment piercingly beautiful . . . Two formidable artists have shown respect for the integrity of each other's work here and the result is magnificent." —Independent "Bob Dylan's back catalogue is used to glorious effect in Conor McPherson's astonishing cross-section of hope and stoic suffering . . . It is the constant dialogue between the drama and the songs that makes this show exceptional." —Guardian "Beguiling and soulful and quietly, exquisitely, heartbreaking. A very special piece of theatre." —Evening Standard "A populous, otherworldly play that combines the hard grit of the Great Depression with something numinous and mysterious." —Telegraph Duluth, Minnesota. 1934. A community living on a knife-edge. Lost and lonely people huddle together in the local guesthouse. The owner, Nick, owes more money than he can ever repay, his wife Elizabeth is losing her mind, and their daughter Marianne is carrying a child no one will account for. So when a preacher selling bibles and a boxer looking for a comeback turn up in the middle of the night, things spiral beyond the point of no return . . . In *Girl from the North Country*, Conor McPherson beautifully weaves the iconic songbook of Bob Dylan into a show full of hope, heartbreak and soul. It premiered at the Old Vic, London, in July 2017, in a production directed by the author. Conor McPherson is an award-winning Irish playwright. His best-known works include *The Weir* (Royal Court; winner of the 1999 Olivier Award for Best New Play), *Dublin Carol* (Atlantic Theater Company) and *The Seafarer* (National Theatre). Bob Dylan, born in Duluth, Minnesota, in 1941, is one of the most important songwriters of our time. Dylan was awarded the Nobel Prize for Literature in 2016. He released his thirty-ninth studio album, *Triplicate*, in April 2017, and continues to tour worldwide.

Running Like a Girl - Alexandra Heminsley 2013-10-08

The inspiring, hilarious memoir of a "Bridget Jones-like writer" (The Washington Post) who transforms her life by learning to run, with stories of miserable defeat, complete victory, and learning to choose the right shoes. When Alexandra Heminsley decided to take up running, she had hopes for a blissful runner's high and immediate physical transformation. After eating three slices of toast with honey and spending ninety minutes creating the perfect playlist, she hit the streets—and failed spectacularly. The stories of her first runs turn on its head the common notion that we are all "born to run"—and exposes the truth about starting to run: it can be brutal. *Running Like a Girl* tells the story of getting beyond the brutal part, how Alexandra

makes running a part of her life, and reaps the rewards: not just the obvious things, like weight loss, health, and glowing skin; but self-confidence and immeasurable daily pleasure, along with a new closeness to her father—a marathon runner—and her brother, with whom she ultimately runs her first marathon. But before her first marathon, she has to figure out the logistics of running: the intimidating questions from a young and arrogant sales assistant when she goes to buy her first running shoes, where to get decent bras for the larger bust, how not to freeze or get sunstroke, and what (and when) to eat before a run. She's figured out what's important (pockets) and what isn't (appearance), and more. For any woman who has ever run, wanted to run, tried to run, or failed to run (even if just around the block), Heminsley's funny, warm, and motivational personal journey from nonathlete extraordinaire to someone who has completed five marathons is inspiring, entertaining, practical, and fun.

Abby Rogers has been on health kicks before - they involve eating one blueberry muffin for breakfast instead of two. But since starting her own business, after watching one too many episodes of *The Apprentice*, the 28-year-old's waistline has taken even more of a back seat than her long-neglected love life. When Abby is encouraged to join her sporty best friend's running club - by none other than its gorgeous new captain - she finds a mysterious compulsion to exercise. Sadly, her first session doesn't go to plan. Between the obscenely unflattering pink leggings, and the fact that her lungs feel as though they've been set on fire, she vows never to return. Then her colleague Heidi turns up at work and makes a devastating announcement, one that will change her life - and Abby's - forever. Full of warmth, friendship, fun and laughter, *Girl on the Run* is a novel to devour! One for anyone who feels inspired to run, or who wants to run, but sometimes curling up on the couch with a good book feels like a better idea than Couch to 5k...!

Uncover your brilliance and thrive at life. A guide to unlocking your female potential. 'Like a girl' was used as an insult growing up. You throw like a girl, you run like a girl, you cry like a girl. It transpires as I grew up I did run like a girl and I won most of my races, I played soccer like a girl and as a result was better than most boys in my class but still not allowed to play on the school team. Throughout my career in personal development I've met many amazing, beautiful, talented women who feel like they're not enough, witnessing female leaders try to be more like men to succeed, doubt their abilities and think they need to be someone else when all they need to do is be more like themselves - like a girl. Girl Running - Annette Bay Pimentel 2018-02-06

* "A bright salutation of a story, with one determined woman at its center."--Kirkus Reviews, starred review
The inspiring story of the first female to run the Boston Marathon comes to life in stunningly vivid collage illustrations. Because Bobbi Gibb is a girl, she's not allowed to run on her school's track team. But after school, no one can stop her--and she's free to run endless miles to her heart's content. She is told no yet again when she tries to enter the Boston Marathon in 1966, because the officials claim that it's a man's race and that women are just not capable of running such a long distance. So what does Bobbi do? She bravely sets out to prove the naysayers wrong and show the world just what a girl can do.

Women Who Run with the Wolves - Clarissa Pinkola Estés Phd 1995-08-22

NEW YORK TIMES BESTSELLER • One million copies sold! "A deeply spiritual book [that] honors what is tough, smart and untamed in women."—The Washington Post Book World Book club pick for Emma Watson's *Our Shared Shelf* Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society's attempt to "civilize" us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.
