

How To Get The Relationship You Want

ALPHA MALE DATING The Essential Playbook - Sean Wayne

□ There's no reason in the world why you can't have that fine woman on the other side of the room. If you were aware of her body language and had you been prepared mentally, you'd know exactly how to seduce her □ If you had read *Alpha Male Dating The Essential Playbook*, you wouldn't be across the room right now, not way over there, staring at her like an imbecile. You'd know exactly what to do and you'd have all the confidence to turn a lonely night into an exciting evening, or a long-term relationship. No woman is too good for you. You've watched her, observed her moves and know exactly what to do. Now she's in your sights. What's more, she's

unaware that you're about to sweep her off her feet. You know all these things because you've been reading her body language, and you're aware she's into you because you've been reading her like a book. Here's just an excerpt of what you'll discover inside: □ There's no mystery how you're going to make initial contact, scoop her up and take her to the night of her dreams. □ You carry yourself like a man, like an Alpha Male, confident, assured and with purpose. □ There's no stutter step or miscue. She's simply astonished at how you came into her presence and maneuvered your way expertly into her full attention. □ You speak eloquently and you're respectful through and through. □ You're dressed well, full of interesting things to say. □

She's never met a man like you, a man who listens with intent and responds smartly. ☐ Moreover, you're respectful, know your boundaries and you know how to keep her attention. You're irresistible. ☐ You know all this because you know the Law of Attraction and Love Hypnosis. That's how you were able to sweep her off her feet then and now that you've been dating, she still can't get enough of you. All this because you read this essential playbook on dating and you are fully aware how to keep your relationship and take it to the next level; marriage ...if you want. Your relationship is full of confidence and awareness of her. She couldn't have been luckier that night, when you walked across the room and into her life. You've done all this because you know how an Alpha Male builds a relationship. You know all this because you know her interests and nobody makes her feel more like a queen than her king, you. But you didn't do this by being an alpha bully, you did all this by being aware and knowing how to

compromise without ever compromising yourself. Because you read this playbook, you know how to take your dating game to the home game that is never dull or without passion. ☐ You're her King and you make her feel like a Queen. ☐ You're not jealous, but confident, always. ☐ You're passionate but you don't overwhelm her. ☐ You know exactly how to touch her, reach her hot spots and after years of being together, making love to you is always fresh, fun and new. ☐ This is how an Alpha Male dates and builds his game into a long-term relationship, if he chooses, with confidence. You know what you want. You know how to get it. You know because you've read Alpha Male Dating The Essential Playbook ☐ Don't Hesitate! ☐ Scroll Up, Click "Buy Now" and Invest In Yourself Today! ☐

[The Angry Therapist](#) - John Kim 2017-04-18

Tackling relationships, career, and family issues, John Kim, LMFT, thinks of himself as a life-styledesigner, not a therapist. His radical new approach, that he sometimes calls “self-help in a shot glass” is easy, real, and to the point. He helps people make changes to their lives so that personal growth happens organically, just by living. Let’s face it, therapy is a luxury. Few of us have the time or money to devote to going to an office every week. With anecdotes illustrating principles in action (in relatable and sometimes irreverent fashion) and stand-alone practices

and exercises, Kim gives readers the tools and directions to focus on what's right with them instead of what's wrong. When John Kim was going through the end of a relationship, he began blogging as *The Angry Therapist*, documenting his personal journey post-divorce. Traditional therapists avoid transparency, but Kim preferred the language of “me too” as opposed to “you should.” He blogged about his own shortcomings, revelations, views on relationships, and the world. He spoke a different therapeutic language —open, raw, and at times subversive — and people responded. The *Angry Therapist* blog, that inspired this book, has been featured in *The Atlantic Monthly* and on NPR.
