**Astrology for Real Relationships** Jessica Lanyadoo 2019-12-31 A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, Astrology for Real Relationships includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

**Love Appraisal** Virgo Girl 2021-02-25 Cash Crawford appears to have it all. The looks, the charm, the money, and all the women he wants at his disposal. As one-third of the TLC Realty crew having two female best friends has given him a leg up in the ways of women. So why aren't his usual tricks working on his newest client? Not only are they not working, she seems to be purposely trying to make his life a living hell. He has no idea what he's done to make Rayven detest his entire existence, but it's clear that she has no plans on easing up. He's ready for her to choose a home already so he can be rid of the mysterious, infuriatingly stubborn woman that is bound to stress him out if she doesn't choose quickly. But, once their business is concluded, will a few chance encounters change the trajectory of this relationship? Rayven Milan has spent most of her life trying to be invisible. Raised by her Big Mama with the bare necessities and an identity she didn't fully understand, she's always made it a point not to draw attention to herself. After working and attending college full-time she was ready to blossom into the woman she'd always dreamed of becoming. Unfortunately, her grandmother fell ill so her plans were deferred so that she could care for the woman who'd raised her which she did until her dying day. Little did she know that Big Mama had a huge secret that would send her directly in the path of Cash "The Walking Cliché" Crawford. He gets under her skin in the worst way and in return, she dishes out her own brand of crazy. Will this unlikely pair become a thing or are they too different to ever see eye to eye? Find out in Love Appraisal! #fortheloverinyou
