Franklin Square - Louis Rohr 2007-08

Harry is an unsuccessful clerk, a wife beater, an oddball who disagrees with everybody, and he's possessed with the idea of moving out of his basement apartment and into his father-in-law's home. He plans to kill his father-in-law, his wife, and let their kid live. His wife will inherit the home; he'll take it away from her. His wife Wanda is a patient woman. She tries to get along with her husband, knowing her father and mother hate him, deeply regret her marriage. She doesn't know her father is searching for someone to kill Harry. Wanda's father, Frank Giordano, and husband Harry focus on Cherry Killgallon as a hit man. Cherry spent twenty years in prison for killing his adopted parents. He stabbed them while under the influence of a drug given to him by Harry. In prison, Cherry realized Harry was no friend, ignored him when he was in trouble. Cherry planned to kill Harry, but an elderly black man changed his mind. He'd stay out of trouble. That proved difficult, as an ex-convict, he couldn't locate work. Eventually, two opportunities came to him: One from Harry, the other from Frank. He didn't want to kill anyone, but he needed money. Cherry decides to kill Harry when he met Cathy, a beer barrel delivered and a heavy girl from Ireland. The conflict between Cherry and his conscience, the fight between Harry and Frank Giordano, and the wisdom displayed by Wanda, is the story of Franklin Square.

Of Songs and Seashells - T.M. Franklin 2022-05-15

Get swept away in this action-packed supernatural adventure from Young Adult author, T.M. Franklin! An immortal woman. An ancient curse. A deadly pact. Lily has roamed the earth for centuries, unable to die but also unable to truly live, lest her secret be discovered. Unfortunately, saving a young boy from an almost-deadly accident attracts a handsome stranger's rapt attention. He sees her in a way few others have before, putting them both at risk and awakening an ancient curse. After years of searching and nearly losing all hope, Lily's finally found something—and someone—to live for. But will that be enough to save them from what is coming? Equal parts puzzle and page-turner, Of Songs and Seashells is a modern continuation of the classic fairy tale The Little Mermaid. We promise you've never read anything quite like it before.

[God, a Woman, and Me](#) - Calvin D. Franklin 2011-07-27

Filled with words of love, adoration, and of the pain of passion, I reflect my sentiments toward my life journey. The greatness that I see in God and the splendors I see in all His creation are made manifest through words from my heart. At times, when I was spiritually exhausted, the Lord Himself inspired me and gave me words of comfort which I was compelled to record on paper. And when my flesh began to get the best of me, I was constrained to write in order to release that which was burning inside. Living the life in which God has placed me has in some instances been a struggle. On other occasions, living has felt like an on going achievement. But to make every moment worth while, God gave me a perfect means of expression; poetry.

Girl, Get Your Lyfe - KJ Franklin 2020-09-26

This book was written to bring awareness to women who have wondered why so many of their relationships have failed. It is for the woman who has exhibited feelings of grief, depression, or anxiety in or about relationships. The book follows several women who live worldly lives, but the masses can relate because it addresses the lifestyles of today. Biblical scriptures accompany each woman's story to remind women that the bible tells us to seek God first, and that we are in our current situations because we have followed our own plan and not God's plan for our lives. Girl, Get Your Lyfe!!! KJ Franklin is a born leader, educator, mediator, life/ wellness coach, wife and mother. Franklin is able to stay calm in any situation and her open-minded approach to life allows her to see situations from all sides and offer sound advice. Her main objective in life is to serve those in her community. Her versatility and objective mind frame allow people to pour their souls out in her presence. Her gift of insight is definitely a blessing from God, who chose her for this spiritual task.

Cooperative Game Theory and Applications - Imma Curiel 2013-03-14

In this book applications of cooperative game theory that arise from combinatorial optimization problems are described. It is well known that the mathematical modeling of various real-world decision-making situations gives rise to combinatorial optimization problems. For situations where more than one decision-maker is involved classical combinatorial optimization theory does not suffice and it is here that cooperative game theory can make an important contribution. If a group of decision-makers decide to undertake a project together in order to increase the total revenue or decrease the total costs, they face two problems. The first one is how to execute the project in an optimal way so as to increase revenue. The second one is how to divide the revenue attained among the participants. It is with this second problem that cooperative game theory can help. The solution concepts from cooperative game theory can be applied to arrive at revenue allocation schemes. In this book the type of problems described above are examined. Although the choice of topics is application-driven, it also discusses theoretical questions that arise from the situations that are studied. For all the games described attention will be paid to the appropriateness of several game-theoretic solution concepts in the particular contexts that are considered. The computation complexity of the game-theoretic solution concepts in the situation at hand will also be considered.

Relative Values - Sarah Franklin 2002-02-01

The essays in *Relative Values* draw on new work in anthropology, science studies, gender theory, critical race studies, and postmodernism to offer a radical revisioning of kinship and kinship theory. Through a combination of vivid case studies and trenchant theoretical essays, the contributors—a group of internationally recognized scholars—examine both the history of kinship theory and its future, at once raising questions that have long occupied a central place within the discipline of anthropology and moving beyond them. Ideas about kinship are vital not only to understanding but also to forming many of the practices and innovations of contemporary society. How do the cultural logics of contemporary biopolitics, commodification, and globalization intersect with kinship practices and theories? In what ways do kinship analogies inform scientific and clinical practices; and what happens to kinship when it is created in such

unfamiliar sites as biogenetic labs, new reproductive technology clinics, and the computers of artificial life scientists? How does kinship constitute—and get constituted by—the relations of power that draw lines of hierarchy and equality, exclusion and inclusion, ambivalence and violence? The contributors assess the implications for kinship of such phenomena as blood transfusions, adoption across national borders, genetic support groups, photography, and the new reproductive technologies while ranging from rural China to mid-century Africa to contemporary Norway and the United States. Addressing these and other timely issues, *Relative Values* injects new life into one of anthropology's most important disciplinary traditions. Posing these and other timely questions, *Relative Values* injects an important interdisciplinary curiosity into one of anthropology's most important disciplinary traditions. Contributors. Mary Bouquet, Janet Carsten, Charis Thompson Cussins, Carol Delaney, Gillian Feeley-Harnik, Sarah Franklin, Deborah Heath, Stefan Helmreich, Signe Howell, Jonathan Marks, Susan McKinnon, Michael G. The Meeting Place - Lewis Franklin 2004-10

A must for the baby boomer generation *The Meeting Place* is a modern-day romance about a man and woman who have persevered through failed relationships to get ahead in life. Sean and Maria—two middle-aged professionals—master their bond of love and friendship while working to fulfill their dream. Sean Foley was a very successful professional that lost his position after September 11, 2001. He searched for another job but really wanted to open his own pub with his companion—Maria Pulaski. This would be a special pub where folks from all walks of life could come, enjoy and get away from the worries of their lives. Sean knew the blend of personalities between he and Maria would make it a success but they needed help. He turned to some of his close friends to be his partners. But one of these friends—Alexander—brought along a dark personality that threatens to destroy the dream. Now Sean must work to pay back the debt and salvage his relationship with Maria.
