"Thanks to Connor, Lev, and Risa, and their

high-profile revolt at Happy Jack Harvest Camp, people can no longer turn a blind eye to unwinding. Ridding society of troublesome teens and, in the same stroke, providing much-needed tissues for transplant might be convenient, but its morality has finally been brought into question. However, unwinding has become big business, and there are powerful political and corporate interests that want to see it not only continue, but expand, allowing the unwinding of prisoners and the impoverished. Cam is a teen who does not exist. He is made entirely out of the parts of other unwinds. Cam, a 21st century Frankenstein, struggles with a search for

identity and meaning, as well as the concept of his own soul, if indeed a rewind being can have one. When a sadistic bounty hunter who takes "trophies" from the unwinds he captures starts to pursue Connor, Risa and Lev, Cam finds his fate inextricably bound with theirs"--

The Magic Goes Away - Larry Niven 1982-01
Larry Niven created his popular "Magic Goes Away" universe in 1967, and it has been a source of delight and inspiration ever since. By asking the simple question, What if magic were a finite resource?, Niven brought to life a mesmerizing world of wonder and loss, of hope and despair. The success of his first story collection, "The Magic Goes Away, " birthed two sequel anthologies, "The Magic May Return" and "More Magic." All three volumes are collected here for the first time, with stories by Niven himself, as well as contributions by such luminaries of fantasy as Roger Zelazny, Fred Saberhagen, Steven Barnes, and Poul Anderson. Featuring a brand-new introduction by Larry Niven, "The

Magic Goes Away Collection" gives readers insight into the breathtaking world of Niven and Jerry Pournelle's "The Burning City" and "Burning Tower" and stands on its own as a landmark in fantasy fiction

Twelve Years A Slave, Illustrated Edition -

Solomon Northup 2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

An Inheritance of Ashes - Leah Bobet 2015-10-06
A teen faces the aftermath of a supernatural war in this "remarkably good . . . feast of pleasures . . . Beautifully written, and emotionally provocative" (Tor). The strange war down south—with its rumors of gods and monsters—is over. And while sixteen-year-old Hallie and her

sister wait to see who will return from the distant battlefield, they struggle to maintain their family farm. When Hallie hires a veteran to help them, the war comes home in ways no one could have imagined, and soon Hallie is taking dangerous risks—and keeping desperate secrets. But even as she slowly learns more about the war and the men who fought it, ugly truths about Hallie's own family are emerging. And while monsters and armies are converging on the small farm, the greatest threat to her home may be Hallie herself. "[A] superb fantasy . . . Bobet is an accomplished stylist . . . and she insightfully examines the corrosive dangers of sibling rivalry in a story filled with impossible choices and unknowable ambiguities."
