Dating Tips from a Woman's Point of View - Elizabeth Meadows

2014-09-24

If you are looking for how to get laid on the first date, that's easy, take her to a bar, get her drinking, but not to the point of throwing up. After she's pretty intoxicated, giggling at everything you say, try a few advances, touching her arm, or shoulder, and see if she responds. Dance with her, and do a little grinding, and see if she grinds back. If the answers to these are yes, then offer her, since she can't drive, to come back to your place. Once she's at your place, continue with just a little more alcohol for the nerves. Don't mix alcohol. If she was doing shots at the bar, don't give her beer or wine coolers at your place, or she'll be spending the night with your toilet, not you. Give her just a few more shots, and then do the final move with a kiss. The kiss will tell it all. If she pushes you away, and doesn't take your advances, don't get discouraged, you still have a chance. Offer her to put a movie on, get a pillow and a blanket, if you have a pull out couch, great, or one big enough for you two to snuggle on. If not, let her lay back to watch the movie. Let her put her feet on your lap. I don't know many woman who would turn down a foot massage. Massaging is a great way to lead to sex. After both feet, work your way up to her calves. Hint: use lotion. It makes her feel more like it's a massage, not you just trying to grope her up. If when you get to her calves, and she's still allowing you to massage, continue on, and then get the thighs. I'm pretty sure you know where to go from there.

What about My Feelings? - Qalandar Nawaz 2016-08-10

It isn't that easy to get a girl in this era; actually getting one is easy but maintaining a relationship is not! Because it's too expensive! One girl would cost half of your salary and most of your time; it's obvious that to make a girl fall in love with you, you have to give her time and you have to spend money on her. For every occasion she comes across in her life you need to spend—it could be her birthday, anniversary of your relationship, Valentine's day, Women's day, etc. What is worse is that you should celebrate even her dog's birthday, her friend's birthday, etc. On her friend's birthday of course just be with her, but don't ever flirt with her best friends. But still she expects you to buy gifts for her friend on her birthday, which has to be given on behalf of you both and what not! As far as I know Rahil has been doing all of these!

Putting Her in Her Place - Ryan Hale 2016-10-24

Girls are hardwired to obey and submit. The problem is men and women have reversed gender roles. This is causing men to become feminized and women to become masculinized. I can prove this. You don't see many girls wearing dresses any more, do you (?), because they are all out wearing what men wear; namely: pants, teeshirts, etc. I mean come on, SERIOUSLY! If you want to have the best possible relationship with a

girl, where she obeys and submits like a good little girl, then you have to train her back to childhood obedience. You must instill the fear of God in her, letting her know that you are in control of her, and that she must obey you. The more you train her, the more she will start to fall in love with you. The more she will start to accept you as her dominant master. The more she will submit to you and obey you in everything you tell her to do. The less she will try and make decisions on her own. The more she will accept your punishments when she has wronged you. I am not a misogynistic man. I don't want you reading this thinking I am. I am a man who has a wonderfully loving relationship with my girl, who learned this secret and now want to share it with you. I watch too many of my male friends go through the pain and torment of relationships with girls. They don't know how to train a girlfriend, so they keep getting hurt, fucked, and you whatever other adjective you want to fill in the blank with. It doesn't have to be this way. It should not be this way. This book will help you fix it. I don't let my girl do anything adult. She has to play and do childlike activities. I am the adult, she is the little girl. I make her color, fingerpaint, journal in a diary (that I get to read), make her stand in a corner when she acts up, make her take a nap when she's tired, and withhold privileges from her when she doesn't want to comply with my instructions. She loves me, let me assure you. She will never leave me, because she knows I am her answer and have her best interest at heart. She yearns to be taken care of and protected by me. She loves submitting and being dominated. The sex is amazing, let me share. You can have the same. Read this book. Do what it instructs you to do. Start training your girl today. You will win in the end, I promise. Start reading and taking notes! This is more than a book, it's a course! Grab Your Copy Now

MIXED NUTS - Rick Cormier 2016-04-21

"Highly irreverent, but filled with wisdom and infused with deep caring, Mixed Nuts is a memoir of a life working in psychotherapy." "Some people assume that all therapists are new-agey hand-holders who just listen and nod like bobbleheads, then suggest an astrology reading, a gluten-free diet, and your choice of complimentary love flower or

polished healing stone on your way out the door. That's not me. My job is to help fix what's broken." Speaking to the layperson and the practitioner alike, even Rick's signature humor can't hide his deep understanding of mental illness, his desire to help heal it quickly and effectively, and his pragmatic and often creative approach to treatment."

13 Things Mentally Strong Women Don't Do - Amy Morin 2019-01-10

The emergence of the #MeToo and #TimesUp movements have awakened society and encouraged women to find their voice and claim back their power. Contending with a host of difficult issues that demand psychological strength - in this crucial book, prominent psychotherapist and licensed clinical social worker Amy Morin gives women the techniques to build mental muscle in 13 steps. Delving into critical issues like sexism, social media, social comparison, and social pressure, Amy offers thoughtful, intelligent advice, practical tips, and specific strategies; combining them with her personal experiences, stories from former patients, and both well-known and untold examples from women from across industries and pop culture. Throughout, she explores the areas women - and society at large - must focus on to become (and remain) mentally strong. Amy reveals that healthy, mentally tough women don't insist on perfection; they don't compare themselves to other people; they don't see vulnerability as a weakness; they don't let self-doubt stop them from reaching their goals. Insightful, grounded, and extremely timely, 13 THINGS MENTALLY STRONG WOMEN DON'T DO can help every woman flourish - and Amy will take readers on this journey with her, every step of the way.

Don't Let a Break-Up Break You Down - Cassandra Mack 2018-03-04
Breaking up sucks. Your ex dumped you. You cut him off. You both agreed to go your separate ways, even though you really didn't want to. When it's all said and done, it doesn't even matter. The feelings that follow are basically the same. You can't stop crying. You can't stop thinking about him. And you can't stop wondering: Where did we go wrong? One minute you hate him. The next minute you miss him desperately. The days drag on and the nights are absolutely torturous. You find yourself waiting by the phone hoping he calls. With the compulsion of a telemarketer, you check your email hoping he reaches out to say how sorry he is and that letting you go was all a big mistake. Lately you don't know whether you're coming or going. You're angry, depressed and confused, all at the same time. And you're starting to wonder if you'll ever feel happy again. Every love song reminds you of him. Every romantic movie reinforces how lonely you feel. Your heart is aching. Your head is spinning. And every fiber of your being longs to be with him again. No matter how much you tell yourself that you need to move on, you just can't seem to pull yourself out of this slump. Your friends are tired of hearing about him. Between your play-by-play relationship reruns and your never ending phone rants that begin and

end with: Do you think he still cares? You are driving your friends completely nuts. Deep down, you know you need to move on. But you just can't find the wherewithal to get on with your life. And nowadays with the advent of Facebook and Twitter, getting over a break up is increasingly hard to do. This is where, *Don't Let A Break-Up, Break You Down*, comes in. It's a break-up survival guide designed to help you get through your break-up with your self-respect and dignity intact because as sad and as bad as you feel right now, this break-up doesn't have to break you down. The hard cold truth is as sad as you feel right now surviving a break-up has more to do with your mindset and willingness to move forward than it has to do with your mood and emotions. In no way am I downplaying your break-up, because the pain that comes with the end of a relationship hurts like hell, no matter who ended it. Be that as it may, the longer you hold on to an ex who doesn't want to be with you or who is unwilling or unable to give you what you need, the more you prolong your heartbreak and keep yourself trapped in relationship purgatory. So why not get in the driver's seat of your break-up by turning your break-up into a break-over. After all, a smart girl like you doesn't want to waste a whole lot of time moping over a guy who has chosen to call it quits or who has treated you so poorly that he's left you with no alternative than to kick his sorry ass to the curb. With that said here's what's going to happen in this book: you'll receive my break-up survival rules which are bite-sized strategies designed to help you do three things: put your situation into perspective, refuse to get trapped in relationship purgatory and take proactive steps to move forward. Also included are the Crazy Pages, which are blank pages specifically designed for you to put the crazy on paper so that you don't bring your crazy onto the job, out in cyberspace or on your ex's front lawn. Let me be clear here: Reading this book does not mean that you won't miss your ex, have occasional crying spells or that you won't feel sad and lonely sometimes. You will. Not only that, you will still go through the gamut of emotions that come with the end of a relationship. The difference is you will go through with a survival guide that will help you get to the other side. Here's the other piece: even if you feel a little sad initially what will

happen over time is day by day you will start to feel better. What's more, you will fast forward the healing process. You will also come to realize that you have the strength to move on and become hopeful about your future.

Ten Stupid Things Men Do to Mess Up Their Lives - Laura Schlessinger
2002-12-03

For every woman who wants to know what her man is thinking. Internationally syndicated radio superhost and columnist, controversial psycho-therapist, and author of the break-out New York Times bestsellers *How Could You Do That?! and Ten Stupid Things Women Do to Mess Up Their Lives*, Dr. Laura Schlessinger is back with *Ten Stupid Things Men Do to Mess Up Their Lives*. In ten vital, compelling chapters, Dr. Laura speaks her mind on: Stupid Chivalry By getting involved with the wrong woman (weak, flaky, damaged, needy, desperate, stupid, untrustworthy, immature, etc.) you think that your love will save/transform her. Stupid Independence Unwilling to admit "need" for bonding and intimacy, you hide in excesses of work, play, drink, drugs, porn, and meaningless sex. Stupid Ambition Unable to comfortably and proudly accept your inherent importance to society and family as husband and father, you bow to the false idols of money, toys, power, and status. Stupid Strength Uncomfortable with feeling weak, vulnerable, useless, powerless, or rejected, you use intimidation, force, or passive-aggressiveness to regain control. Stupid Sex Taking an attraction, opportunity, or erection as a "sign," you measure your masculinity and power by sexual conquests, infidelities, and orgasms. Stupid Matrimony Lacking a mature sense of the purpose, meaning, or value of marriage, you realize too late you've gone down the aisle with the wrong woman for the wrong reasons and feel helpless to "fix it." Stupid Husbanding Thinking that marriage is the honorable discharge from loving courtship,

you continue to live as though you were single and your "mommy-wife" will take care of everything else. Stupid Parenting Believing that only women/mothers nurture children, you withdraw from hands-on parenting to assert your masculine importance, missing out on the true "soul food" of a child's hug. Stupid Boyishness Having not yet worked out a comfortable emotional and social understanding with your mother, you form relationships with women that become geared to avenge, resolve, or protect you from your ties to Mommy. Stupid Machismo Understanding the true and meaningful difference between being male and a man, you can become a man.
