The Magic of Burrows Bay - Lorri Moulton
This is the first book in a serialized story about family and friendships...that also includes a little magic.

Maggie McCrae knew her granddaughters were not ready for the legacy she must leave them. The house, the grounds and everything that went with it would now be theirs. She vowed she would do all she could to

protect them and hopefully, give them the time they needed to fulfill their destiny. Gabriella and Moira must learn to trust themselves and each other as they discover the true magic of Burrows Bay.

[The Alcoholic Soldier](#) - Mayank 2023-07-25

Do you also believe that life in the Army is all about soldiers fighting the enemy and their families praying for their safety around the clock? Meet Alok, who is soon to become Lieutenant Alok. He thinks along similar lines too. Not much unlike yourself, he too is unaware of what's in store for the young officer. Welcome to the world of the young and the restless, where one never gets old and there is no place for sulkers. Quite literally as they put it, it is indeed a life less ordinary. Real men; who live and love like no other... So, what do these men do when fate backs them up against a wall? Let's find out.

New York Magazine - 1982-11-15

[The Guyde](#) - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

[Locating the Field](#) - Simon Coleman 2020-09-09

Are reports of the death of conventional fieldwork in anthropology greatly exaggerated? This book takes a critical look at the latest developments and key issues in fieldwork. The nature of 'locality' itself is problematic for both research subjects and fieldworkers, on the grounds that it must now be maintained and represented in relation to widening (and fragmenting) social frames and networks. Such developments have raised questions concerning the nature of ethnographic presence and scales of comparison. From the social space of a cybercafe to cities in India, the UK and South Africa among others, this book features a wide range of ethnographic studies that provide new ways of looking at the concepts of 'locality' and 'site'. It shows that rather than taking key fieldwork processes such as globalization and mobility for granted, anthropologists are well-placed to examine and critique the totalizing assumptions behind these notions.

[Superdate](#) - Tracey Cox 2008-05

Sixty - Five Per Cent Of All Human Communication is through non - verbal body language, so if you don't know what you're doing, you're probably doing it wrong! A cheeky, chatty but oh - so - informative guide to

body language and flirting, Superdate takes you through body language gesture by gesture. It ups your confidence quotient, taking you through all the essential moves to get you that crucial date. Once there, it shows you how to entice and intrigue your partner and tells you when to employ those killer skills.

Superdate not only makes you the hottest date on the block, it reveals their body language secrets so you know what their body is saying before they've even crossed the room. Try on the gesture before you use it. Check your feelings while you do it to see if it's really you. Then choose from the selection of gestures, tailoring your body language to find the gesture that fits. "Three degrees of flirtation " offers a scale of advice that turns even the laziest lounge into an armchair expert.

[Unwrapping Mr. Wright](#) - Michele Dunaway 2013

Lauren Brown has had it with being a "gal pal," and she's taking matters into her own hands. Slinky black lingerie and a complete makeover ought to wake up the apparently oblivious Jeff Wright to the fact that she's really a femme fatale. Her seduction is a runaway success. But there's one little problem-she arouses Jeff's identical twin instead! Dangerously attractive, Justin Wright is best known for his revolving-door relationships and uncanny ability to annoy Lauren, which he does every day as her overbearing boss. Unfortunately, Lauren isn't sure how to handle things when the wrong Mr. Wright turns up again-next to her Christmas tree with a tag that reads "Open me first."

She's Come Undone - Wally Lamb 2012-12-11

Meet Dolores Price. She's thirteen, wise-mouthed but wounded. Beached like a whale in front of her bedroom TV, she spends the next few years nourishing herself with the chocolate, crisps and Pepsi her anxious mother supplies. When she finally rolls into young womanhood at 257 pounds, Dolores is no stronger and life is no kinder. But this time she's determined to rise to the occasion and give herself one more chance before really going belly up. In his extraordinary coming-of-age odyssey, Wally Lamb invites us to hitch an incredible ride on a journey of love, pain, and renewal with the most heartbreakingly comical heroine to come along in years. At once a fragile girl and a hard-edged cynic, so tough to love yet so inimitably loveable, Dolores is as poignantly real as our own imperfections.

[Shanghai Girls](#) - Lisa See 2010-03-29

Shanghai, 1937. Pearl and May are two sisters from a bourgeois family. Though their personalities are very

different - Pearl is a Dragon sign, strong and stubborn, while May is a true Sheep, adorable and placid - they are inseparable best friends. Both are beautiful, modern and living a carefree life ... until the day their father tells them that he has gambled away the family's wealth, and that in order to repay his debts he must sell the girls as wives to two 'Gold Mountain' men: Americans. As Japanese bombs fall on their beloved city, the two sisters set out on the journey of a lifetime, one that will take them through the villages of southern China, in and out of the clutches of brutal soldiers, and even across the ocean, through the humiliation of an anti-Chinese detention centre to a new, married life in Los Angeles's Chinatown. Here they begin a fresh chapter, despite the racial discrimination and anti-Communist paranoia, because now they have something to strive for: a young, American-born daughter, Joy. Along the way there are terrible sacrifices, impossible choices and one devastating, life-changing secret, but through it all the two heroines of this astounding new novel by Lisa See hold fast to who they are - Shanghai girls.

Ask a Manager - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

Practical Strangers - Nathaniel Henry Rhodes Dawson 2017

These letters chronicle the wartime courtship of a Confederate soldier and the woman he loved--a sister-in-law of Abraham Lincoln. As a romantic pair, Nathaniel Dawson and Elodie Todd had no earlier history; they had barely met when separated by the war. Letters were their sole lifeline to each other and their sole means of sharing their hopes and fears for a relationship (and a Confederacy) they had rashly embraced in the heady, early days of secession. The letters date from April 1861, when Nathaniel left for war as a captain in the Fourth Alabama Infantry, through April 1862, when the couple married. During their courtship through correspondence, Nathaniel narrowly escaped death in battle, faced suspicions of cowardice, and eventually grew war weary. Elodie had two brothers die while in Confederate service and felt the full emotional weight of belonging to the war's most famous divided family. Her sister Mary not only sided with the Union (as did five other Todd siblings) but was also married to its commander in chief.
