SignMates Bernie Ashman 2012-07-08 Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You

may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

The Legacy of Two Gemini Knights Geoff Logan 2014-03-17

Occasionally, a tale comes along that has been lost in the mists of time. Often the story starts out as just another mundane event in daily life until something else comes out from behind the shadows. And when it does, nobody can escape the fire storm that follows, especially when the masked one demands so much of our attention. Because in the end, the consequences of his actions eventually consume all of those in its path. William McBride was such a person in the early 14th century, when he came in contact with the Logan brothers of Lanark, who were also known to the locals as the Gemini Knights. These brothers were Templar Knights of the Scottish Order and they carried out a number dangerous exploits in their time. And as William McBride found out in later life, the times he spent with the brothers would eventually place him on a path that could have a profound impact on the City of Jerusalem at the end time. To some, this story may appear to be just another old wives tale, worthy of a good read and then placed on the book shelve to gather dust from now on. However, to others the story of the Gemini Knights has more than just a ring of truth to it in some kind of old fashioned way. Enough, to engage the mind in more than a simple observation of the material that William McBride collected over his life time. So, if you have an inquisitive mind and want to gain a glimpse into

the future, the only question you have to ask yourself is. 'Do I have the courage to read the book and judge for myself?'

Astrology for Real Relationships Jessica Lanyadoo 2019-12-31

A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars?

Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.
