Women Don't Ask - Linda Babcock 2021-01-05

The groundbreaking classic that explores how women can and should negotiate for parity in their workplaces, homes, and beyond. When Linda Babcock wanted to know why male graduate students were teaching their own courses while female students were always assigned as assistants, her dean said: "More men ask. The women just don't ask." Drawing on psychology, sociology, economics, and organizational behavior as well as dozens of interviews with men and women in different fields and at all stages in their careers, *Women Don't Ask* explores how our institutions, child-rearing practices, and implicit assumptions discourage women from asking for the opportunities and resources that they have earned and deserve—perpetuating inequalities that are fundamentally unfair and economically unsound. *Women Don't Ask* tells women how to ask, and why they should.

**How to Attract and Approach a Woman** -

Roman G. Turkowsky 2012-04-04

Picture this. If you are a guy that has spent any time in any place at all trying to talk to a woman, you know how this scene goes. You see the woman of your dreams. Okay, this may be a little exaggeration. But you see a pretty woman somewhere. Of course, when you see her, you naturally want to go talk to her. Thus far, you haven't done a thing wrong. You walk over to her and say hi. She greets you back, not incredibly interested. As pretty as she is, there is no doubt that she has been randomly approached by men that look just as good, if not better than you on a regular basis. This is just to be expected, no matter how good you think you look, or actually do. She is just used to it. You introduce yourself and offer your hand to shake. She accepts your hand and tells you her name. Once again, you are doing just fine. This is where the story starts to go downhill, though. There is an awkward pause as she looks at you expecting you to say something else. After all, you approached her. You try desperately to think

of something to say. All that comes out is three strikes in a single question because you have nothing better to say. She answers you absently, and looks around for someone that she knows to talk to, greeting them from across the room. She smiles and takes off, politely casting a "nice to meet you" over her shoulder as she runs off with her friends, planning to talk about you when she gets over there and not talk to you for the rest of the night. And you have failed. Now, your question or statement, whatever it was, can be one of many different things. No matter what you said to her or asked her, the message portrayed was the same exact thing. And she read the message loud and clear. What was the message? It is simply: I have nothing to say. That is why she walked away from you without any interest whatsoever. That is why she will not remember your name in fifteen minutes, if she remembers it that long. And that is why you are going home alone.

**Nice Girls Don't Get the Corner Office** - Lois P. Frankel 2014-02-18

Before you were told to "Lean In," Dr. Lois Frankel told you how to get that corner office. The New York Times bestseller, is now completely revised and updated. In this edition, internationally recognized executive coach Lois P. Frankel reveals a distinctive set of behaviors--over 130 in all--that women learn in girlhood that ultimately sabotage them as adults. She teaches you how to eliminate these unconscious mistakes that could be holding you back and offers invaluable coaching tips that can easily be incorporated into your social and business skills. Stop making "nice girl" errors that can become career pitfalls, such as: Mistake #13: Avoiding office politics. If you don't play the game, you can't possibly win. Mistake #21: Multi-tasking. Just because you can do something, doesn't mean you should do it. Mistake #54: Failure to negotiate. Don't equate negotiation with confrontation. Mistake #70: Inappropriate use of social media. Once it's out there, it's hard to put the toothpaste back in the tube. Mistake #82:

Asking permission. Children, not adults, ask for approval. Be direct, be confident.

**There's a Boy in the Girls' Bathroom** - Louis Sachar 2010-12-06

The wonderfully funny and richly warm novel by the bestselling, award-winning author of *Holes*. Meet Bradley Chalkers. He's the oldest child in the class. He tells ENORMOUS lies. He picks fights with girls. The teachers say he has 'serious behaviour problems'. And no one likes him ... Except Carla, the new school counsellor. She thinks Bradley is kind and generous, and she even enjoys his far-fetched stories. Carla knows that Bradley could change, if only he weren't afraid to try. Sometimes the hardest thing in the world is believing in yourself. A heartwarming story of bravery and acceptance from Louis Sachar, the bestselling author of *Holes* and *Fuzzy Mud*.

[Get Over Yourself!](#) - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about

having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

**How to Talk to Nice English Girls** - Gretchen Evans 2018-10

In the aftermath of The Great War, everything is changing. But not for Marian Fielding. Marian's life is quiet and predictable in the solitude of the English countryside, where she plans to remain and care for her parents. But Marian's world is turned upside down when she meets brash, confident Katherine Fuller. Katherine arrives at the Fieldings' estate for the wedding of Marian's sister and immediately shakes things up. Instead of keeping an eye on the ill-mannered American girl and keeping her out of trouble, Marian finds herself magnetically drawn to Katherine's vivacious nature, and they are swept into a whirlwind romance that will change both of their lives. But will Katherine's unconventional behavior ruin their chance at happiness? Can Marian leave her old life behind? Will two women from different worlds find a way to be together against all odds and expectations?

[Secret to Attracting Woman: How to Meet Your Perfect Girl and Make Her Beg to Be Your Girlfriend](#) - Pamela Paul 2012-11

Meeting new girls isn't easy and having the courage to talk to them isn't exactly as simple as it is in the movies. Even then, the shuttering thought of being rejecting is one that most men would try to avoid at all cost. Rejection bounces from left and right and the good ones are usually hard to find. Most men worry about being stuck in the friend zone and other men worry about being straight up rejected without being given a chance to show who they are. In addition, the thought of constantly looking for someone new isn't as pleasing as it sounds, especially when you're too shy to approach them. Though the thought might sound frightening, you have nothing to lose. If you want to know how to attract the woman that you've been interested in then you have to take the first step into talking to her. For the methods that comes afterwards, feel free to look inside this book.

The first book to offer cutting-edge research that explains how the brain works when two people first meet, start to date, fall in love, and then move into long-term, real love.

For colored girls who have considered suicide/When the rainbow is enuf - Ntozake Shange 2010-11-02

In celebration of its highly anticipated Broadway revival, Ntozake Shange's classic, award-winning play centering the wide-ranging experiences of Black women, now with introductions by two-time National Book Award winner Jesmyn Ward and Broadway director Camille A. Brown. From its inception in California in 1974 to its Broadway revival in 2022, the Obie Award-winning *for colored girls who have considered suicide/when the rainbow is enuf* has excited, inspired, and transformed audiences all over the country for nearly fifty years. Passionate and fearless, Shange's words reveal what it meant to be a woman of color in the 20th century. First published in 1975, when it was praised by *The New Yorker* for "encompassing...every feeling and experience a woman has ever had," *for colored girls who have considered suicide/when the rainbow is enuf* will be read and performed for generations to come. Now with new introductions by Jesmyn Ward and Broadway director Camille A. Brown, and one poem not included in the original, here is the complete text of a groundbreaking dramatic prose poem that resonates with unusual beauty in its fierce message to the world.

**How to Talk to Girls** - Jonathan Toussaint 2011  
Talking to girls an exciting part of a boy's life - well, exciting and potentially agonising... This book gives a realistic picture of the challenges and choices that face boys today when they're talking to girls. Written by a highly experienced counsellor and educator, it provides a clear and informative guide to help boys through obstacles like shyness and awkwardness. Featuring 'uncut' individual comments from boys, this book links their ideas about their ability to develop girls as friends and looks at what is needed to further a friendship into a relationship. It's all about talking, listening and asking the kinds of questions that lead to healthy friendships and relationships. It's not rocket science!

**Women Talking** - Miriam Toews 2019-04-02

The basis of the Oscar-winning film from writer/director Sarah Polley, starring Rooney Mara, Claire Foy, Jessie Buckley, with Ben Whishaw and Frances McDormand.  
INTERNATIONAL BESTSELLER "This amazing, sad, shocking, but touching novel, based on a real-life event, could be right out of *The Handmaid's Tale*." -Margaret Atwood, on Twitter  
"Scorching . . . a wry, freewheeling novel of ideas that touches on the nature of evil, questions of free will, collective responsibility, cultural determinism, and, above all, forgiveness." -New York Times Book Review, Editors' Choice  
One evening, eight Mennonite women climb into a hay loft to conduct a secret meeting. For the past two years, each of these women, and more than a hundred other girls in their colony, has been repeatedly violated in the night by demons coming to punish them for their sins. Now that the women have learned they were in fact drugged and attacked by a group of men from their own community, they are determined to protect themselves and their daughters from future harm. While the men of the colony are off in the city, attempting to raise enough money to bail out the rapists and bring them home, these women—all illiterate, without any knowledge of the world outside their community and unable even to speak the language of the country they live in—have very little time to make a choice: Should they stay in the only world they've ever known or should they dare to escape? Based on real events and told through the "minutes" of the women's all-female symposium, Toews's masterful novel uses wry, politically engaged humor to relate this tale of women claiming their own power to decide.

*Like a Girl* - Lori Degman 2019

Once upon a time, "like a girl" was an insult. Not anymore! In every walk of life, girls are demonstrating their creativity, perseverance, and strength. From civil rights activist Rosa Parks, who stood up for her beliefs by staying seated, to astronaut Sally Ride, the 24 women profiled here took risks, broke barriers, and transformed the world. This tribute to girl power will inspire young women everywhere.

---

A bitingly honest, darkly funny debut about love, sex, power and desire, by a major new British talent Anna is struggling to afford life in London as she trains to be a singer. During the day, she vies to succeed against her course mates with their discreet but inexhaustible streams of cultural capital and money, and in the evening she sings jazz at a bar in the City to make ends meet. It's there that she meets Max, a financier fourteen years older than her. Over the course of one winter, Anna's intoxication oscillates between her hard-won moments on stage, where she can zip herself into the skin of her characters, and nights spent with Max in his glass-walled flat overlooking the city. But Anna's fledgling career demands her undivided attention, and increasingly - whether he necessarily wills it or not - so does Max...

*The Guyde* - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself.

There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish

I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

**MATCHED** - Zac Miller

————— Need Some Help Attracting Women on Dating Apps?

————— You've come to the right place! Hi, my name is Zac Miller, and I've come up with a guide that will get you the matches, responses, and dates so you can finally find the girl of your dreams! We start at the beginning with fine tuning your profile, going over case studies on the perfect photos to employ to increase your matches. We then go over what and when to message girls so they want to talk to you. We go over how to get their number and Snapchat, and ultimately how to get them out onto a date. I even show you what to do after the date! Everything you need is included in this book! Here's What You'll Learn In This Book:

- Why meeting girls on dating apps makes dating a much easier, more enjoyable experience than going to a bar or club.
- Inexpensive ways to immediately improve your appearance.
- The most attractive male body

type females are attracted to (hint: it's not abs).

- A major college study found doing this one thing in your photo makes you appear more attractive to females.
- Many men make this mistake, which makes them appear uncertain and fearful in their photos.
- A website where others can judge your photos, so you have the best ones displayed on your profile.
- Don't put any of these in your bio or risk alienating potential matches.
- 5 ways to increase the number of matches you are currently getting.
- Should you use super likes?
- The many types of girls and guys found on Tinder (and other dating apps) and the one type of guy who girls are most drawn to.
- The reasons most guys don't do well on Tinder.
- The two qualities which attract partners to each other.
- Tips for sending the first message, as well as a list of 80 message openers you can immediately start using.
- What is the dating app staircase?
- How to easily keep quality conversations going with girls.
- The #1 thing girls like to talk about which releases "feel good" chemicals in their brain.
- How to ask for her Snapchat ID or phone number.
- Indicators which show she is interested in you.
- How to ask for the date.
- And So Much More!

————— As a complimentary bonus, only for book buyers, you'll receive my special report titled *Subconscious Attraction*, which includes 3 subconscious techniques that attract females. This report is not available to the public; it exists solely as a "thank you" to buyers of this book.

————— What are you waiting for? Click the "Buy Now" button at the top of this page and get your copy of **MATCHED** right now!
