Modern Romance Aziz Ansari 2015-06-16 The #1 New York Times Bestseller “An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives.” —Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of *Master of None* and one of this generation’s sharpest comedic voices At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it’s wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. “Why did this guy just text me an emoji of a pizza?” “Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!” “My girlfriend just got a message from some dude named Nathan. Who’s Nathan? Did he just send her a photo of his penis? Should I check just to be sure?” But the transformation of our romantic lives can’t be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for *Modern Romance*, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world’s leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we’ve seen before. In *Modern Romance*, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

Becoming Michelle Obama 2019-08-13 “... bersama, di apartemen kami yang sesak, Ayah dan Ibu mengajari melihat nilai-nilai dalam setiap kisah kehidupan kami ... bahkan saat kisah itu tidak indah atau sempurna ...” Dunia Michelle kecil adalah sebuah apartemen sempit di South Side, Chicago, tempat dia dan saudaranya, Craig, dibesarkan dan dididik untuk menjadi pemberani dan tidak takut bicara. Namun kemudian, kehidupan membawanya jauh melangkah, mulai dari Universitas Princeton—tempat dia belajar merasakan menjadi satu-satunya perempuan kulit hitam di sebuah ruangan—hingga ke kantor pengacara tempat dia bekerja dan bertemu Barack Obama, yang kemudian menjadi suaminya. Pertemuan yang mengubah semua rencana hidupnya. Dalam buku ini, untuk pertama kalinya, Michelle Obama menggambarkan tahun-tahun pertama pernikahannya, ketika dia berjuang menyeimbangkan pekerjaan dan keluarganya dengan karier politik suaminya yang bergerak cepat. Dia juga mengungkapkan drama pencalonan suaminya sebagai presiden hingga perannya sebagai tokoh yang populer, sekaligus sasaran kritik. Dengan narasi yang anggun, penuh humor, dan keterusterangan, Michelle menuturkan kisah di balik layar kehidupannya selama delapan tahun di Gedung Putih yang membuatnya tak hanya dikenal, tetapi juga semakin mengenal negaranya. Melalui *Becoming*, sebuah memoar yang jujur dan berani, Michelle Obama menggugah kita untuk bertanya: Who are we and who do we want to become? Abundance Pablo J. Boczkowski 2021 Information overload is something that humans have dealt with for millennia. During different historical eras, massive increases in what was available to know has motivated the creation of systems for sorting, indexing, and compiling information as well as concerns that the abundance of information might cause cultural anxiety or even drive people to madness. The digital age has renewed concerns

about information overload and the detrimental effects it has on our ability to sort through the stream of online data, decide what is most important, or even to train our attention on it long enough to make sense of it. In *Abundance*, Pablo J. Boczkowski builds upon what we know about the historical and contemporary scholarship to develop a novel framework on the experience of living in a society that has more information available to the public than ever before, focusing on the interpretations, emotions, and practices of dealing with this abundance in everyday life. Drawing on extensive fieldwork and survey research conducted in Argentina, *Abundance* examines the role of cultural and structural factors that mediate between the availability of information and the actual consequences for individuals, media, politics, and society. Providing the first book-length account of information abundance in the Global South, Boczkowski concludes that the experience of information abundance is tied to an overall unsettling of society, a reconstitution of how we understand and perform our relationships with others, and a twin depreciation of facts and appreciation of fictions.

Clap When You Land Elizabeth Acevedo 2020-05-05 The stunning New York Times bestselling novel from the 2019 Carnegie Medal winning, Waterstones Book Prize shortlisted author of *THE POET X*. 2020 Goodreads Choice Award Winner of *CLAP WHEN YOU LAND*. Camino Rios lives for the summers when her father visits her in the Dominican Republic. But this time, on the day when his plane is supposed to land, Camino arrives at the airport to see crowds of crying people... In New York City, Yahaira Rios is called to the principal's office, where her mother is waiting to tell her that her father, her hero, has died in a plane crash. Separated by distance - and Papi's secrets - the two girls are forced to face a new reality in which their father is dead and their lives are forever altered. And then, when it seems like they've lost everything of their father, they learn of each other. In a dual narrative novel in verse that brims with both grief and love, award-winning and bestselling author Elizabeth Acevedo writes about the devastation of loss, the difficulty of forgiveness, and the bittersweet bonds that shape our lives.

Make Him Yours Mark Rosenfeld 2019-12-12 How much more time will you waste with the wrong men? If you already have the perfect man in your life or are consistently meeting great men dating, this is NOT the book for you. But if you're like the majority of other good women out there who have had a run of men who don't respect you, don't care for you or don't put effort into you, then this book is absolutely for you. Deep down you know true, fulfilling love is out there for you. But after enough low-value relationships or dates, who's to blame you for starting to doubt it will ever happen for you. The result is you spend nights stuck in your head wondering if there is something wrong with you. You linger about why men can't or won't see your value. You look around and see all your friends in relationships while you are perpetually single, even when you have so much going for you. Mark Rosenfeld has coached thousands of women across the world. His life-changing videos have received over 50,000,000 views and he has become Australia's leading dating and relationship coach for one reason - he gets results. This Girl Colleen Hoover 2013-04-30 From the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, Colleen Hoover's bestselling *Slammed* series comes to its gripping conclusion. There are two sides to every love story. Now hear Will's. Layken and Will's love has managed to withstand the toughest of circumstances, and the young lovers, now married, are beginning to feel safe and secure in their union. As much as Layken relishes their new life together, she finds herself wanting to know everything there is to know about her husband, even though Will makes it clear he prefers to keep the painful memories of the past where they belong. Still, he can't resist his wife's pleas, and so he begins to

untangle his side of the story, revealing for the first time his most intimate feelings and thoughts, retelling both the good and bad moments, and sharing a few shocking confessions of his own from the time when they first met. In *This Girl, Will* tells the story of their complicated relationship from his point of view. Their future rests on how well they deal with the past in this final installment of the beloved *Slammed* series.

The Driveway Rules Marc Sander 2020-01-28 *The Driveway Rules* is my book of memoirs. It focuses on my struggles when it comes to dating but also has fun entries about various adventures in my life. I am introspective and have learned a lot about my struggles through the years. The point of our struggles is to use them as an opportunity for growth and perhaps to help others later in life. This book is poignant, philosophical and humorous. Next to penicillin laughter is the best medicine.

[A Girl for Her](#) Annora Rose 2017-07-20 *Story Of Two Young Women, Destined To Be With Each Other...* Seeing her as more than just a friend would drive my heart wild, she is special to me in every way. Jana has no idea what she makes me feel inside. I have known her a little over two years, but feels like forever even when we talk every day. It's not like we haven't planned to see each other again, it has been in my mind to finally be in love with a woman, and she's the closest to my heart for years. Jana and I have the same thoughts and beliefs of a happy couple. She's never been with another woman, so this is my chance to show her the love I feel but take it slowly and thoughtful as possible. I believe Jana can be happy with the right person as though it might be scary at first but what woman isn't when they go for someone new? A love story of Jana & Angel!

Get Over Yourself! Patti Novak 2008-12-30 True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

[India, that is Bharat](#) J Sai Deepak 2021-08-15 *India, That Is Bharat*, the first book of a comprehensive trilogy, explores the influence of European 'colonial consciousness' (or 'coloniality'), in particular its religious and racial roots, on Bharat as the successor state to the Indic civilisation and the origins of the Indian Constitution. It lays the foundation for its sequels by covering the period between the Age of Discovery, marked by Christopher Columbus' expedition in 1492, and the reshaping of Bharat through a British-made constitution-the Government of India Act of 1919. This includes international developments leading to the founding of the League of Nations by Western powers that tangibly impacted this journey. Further, this work also traces the origins of seemingly universal constructs such as 'toleration', 'secularism' and 'humanism' to Christian political theology. Their subsequent role in subverting the indigenous Indic consciousness through a secularised and universalised Reformation, that is, constitutionalism, is examined. It also puts forth the concept of Middle Eastern coloniality, which preceded its European variant and allies with it in the context of Bharat to advance their shared antipathy towards the Indic worldview. In order to liberate Bharat's distinctive indigeneity, 'decoloniality' is presented as a civilisational imperative in the spheres of nature, religion, culture, history, education, language and, crucially, in the realm of constitutionalism.

[What's Up Down There?](#) Lissa Rankin, MD 2010-09-28 In this funny, outrageous and empowering book, Dr. Lissa Rankin answers all the secret gynecological questions that most women wonder about, but have always been afraid to ask. Suppose you had a wise, warm, funny best friend-who just happened to be a gynecologist. You're out with the girls for cocktails and the conversation turns to sex, and then to girly parts. One by one, you start asking her all the questions you've secretly wondered about-and discover that you have a lot in common. If you were to write those questions down, then you'd have *What's Up Down There?*, a life-changing little book that answers: - Do old ladies have saggy vaginas? - How do male gynecologists have a sex life without feeling like they're stuck at the office? - Is it normal for your inner labia to hang out of your outer labia? - Can the baby feel its mom having sex during pregnancy? - How common is it for one's boobs to be two totally different sizes? And so much more! As outrageously funny as it is empowering, this book reveals how to love yourself and your body-and will have you recommending it to every woman you know. From off-the wall sex questions to serious topics of women's sexual health, *What's Up Down There?* provides answers to women of all ages and stages.

The Art of Asking Amanda Palmer 2014-11-11 Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress, she wordlessly asked thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for-as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of *The Art of Asking*. Part manifesto, part revelation, this is the story of an artist struggling with the new rules of exchange in the twenty-first century, both on and off the Internet. *The Art of Asking* will inspire

readers to rethink their own ideas about asking, giving, art, and love.

Ask the Dog Joanne Hinds 2019-06-25 *Ask the Dog* is a little children's book with a big message, aimed at helping parents and children understand when to stroke a dog. It encourages children to make sure any dogs they encounter are happy to be touched, and how to recognise signs that a dog may not want to be approached. The message is delivered in the form of a poem. Colourful, simple illustrations to draw in young readers and help to underline the points made in the text.

Sunshine Girl Julianna Margulies 2021-05-04 Known for her outstanding performances on the groundbreaking television series *The Good Wife* and *ER*, Julianna Margulies deftly chronicles her life and her work in this deeply powerful memoir. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY GOOD HOUSEKEEPING • "At once a tender coming-of-age story and a deeply personal look at a young woman making sense of the world against a chaotic and peripatetic childhood."—Katie Couric As an apple-cheeked bubbly child, Julianna was bestowed with the family nickname "Sunshine Girl." Shuttled back and forth between her divorced parents, often on different continents, she quickly learned how to be of value to her eccentric mother and her absent father. Raised in fairly unconventional ways in various homes in Paris, England, New York, and New Hampshire, Julianna found that her role among the surrounding turmoil and uncertainty was to comfort those around her, seeking organization among the disorder, making her way in the world as a young adult and eventually an award-winning actress. Throughout, there were complicated relationships, difficult choices, and overwhelming rejections. But there were also the moments where fate, faith, and talent aligned, leading to the unforgettable roles of a lifetime, both professionally and personally—moments when chaos had finally turned to calm. Filled with intimate stories and revelatory moments, *Sunshine Girl* is at once unflinchingly honest and perceptive. It is a riveting self-portrait of a woman whose resilience in the face of turmoil will leave readers intrigued and inspired.

A Bump in the Road Elle Wright 2021-04-29 The second book from the Sunday Times bestselling author 'Honest, open, emotional and powerful... in this book, once more, her heart is laid bare' Giovanna Fletcher 'Beautifully emotional and healing' Genelle Aldred 'Heartbreaking yet uplifting... I was truly holding my breath' Cat Strawbridge, The Finally Pregnant podcast ***** 'It turns out there are plenty of us: the unlucky ones. The women whose journey into motherhood, or whose yearning for more children, has yet to be fulfilled by the universe. I am certain that in so many parts of my story I really am not the only one to have gone through it, so it makes sense to write it all down. For all of us - and for any parents who might go through some of what we did in the future too. So here it is, our journey to a rainbow. A story of fertility, trying again and, above all, hope.' After the death of her three-day-old son Teddy in 2016, Elle Wright never expected what came next - that the path to bringing home a living child could be so winding. Elle's loss was followed by three and a half years of endless waiting. She and her husband waited for test results, hospital appointments and so many new procedures to help with their experience of secondary infertility. This wait included friends announcing their happy news whilst Elle was experiencing three rounds of IVF and the loss of three more babies. Months and years slipped by, of immense physical and emotional toll, and still those two lines were just out of reach. Faced with constant questions, drugs, negative tests, tears, loss, frustration and so many more tears, throughout it all Elle managed to still believe that one day it would happen for her, somehow... *A Bump in the Road* reflects the reality of becoming a parent for thousands of people like Elle who have difficulty conceiving in the UK today. It captures Elle's journey to a rainbow, comforting through her beautifully written words with a story of fertility that might just reflect yours, too.

Innecity Girl Like Me Sabrina Bernardo 2009-10-27 After being abused by her uncle, G Child goes to live with her grandmother in the Central downtown area of Winnipeg. There, she is surrounded by kids who roam the apartment blocks, smoking and drinking and doing drugs. she meets Jessica and Gina, who become her best friends, and gets to know Gina's older brother, Roland, founder of the Central outfit of the Diablos gang. As a young teen she is initiated into the Diablos and starts joining their campaign against the rival gang, the street Ryders (so named because they make their money pimping out girls). embracing the solidarity of gang membership, G Child feels loved and part of a family. But the stakes rise when the street Ryders kill a friend, and as G Child gets in deeper, moving in with her fellow gang girlfriends and selling crack to make money, she finds herself questioning her lifestyle. When someone she trusts reveals a dark, abusive streak, G Child knows it's time to get out. But can she escape gang life before it kills her? A compelling read based on real-life experience, *Innecity Girl Like Me* is a brutally authentic look at gang life in Canada.

This Way Out Tufayel Ahmed 2022-07 It's time everyone knew the truth, and what better way to announce you're getting married (and gay) than on your family WhatsApp group? Amar can't wait to tell everyone his wonderful news: he's found The One, and he's getting married. But it turns out announcing his engagement on a group chat might not have been the best way to let his strict Muslim Bangladeshi family know that his happy-ever-after partner is a man--and a white man at that. Amar expected a reaction from his four siblings, but his bombshell sends shockwaves throughout the community and begins to fracture their family unit, already fragile from the death of their mother. Suddenly Amar is questioning everything he once believed in: his faith, his culture, his family, his mother's love--and even his relationship with Joshua. Amar was sure he knew what love meant, but was he just plain wrong? He's never thought of his relationship with Joshua as a love story--they just fit together, like two halves of a whole. But if they can reconcile their differences with Amar's culture, could there be hope for his relationship with his family too? And could this whole disaster turn into a love story after all?

The Wrenchies Farel Dalrymple 2014-09-16 Sherwood and Orson should never have gone into that cave. That day, a door was opened from our world into a dark and profane realm...and earth's destiny was changed forever. In this demented future, whatever life remains on earth is oppressed by the evil shadowmen. Only a gang of ruthless and powerful children called the Wrenchies can hope to stand against them. When Hollis, a lonely boy from our world, is magically given access to the future world of the Wrenchies, he finally finds a place he belongs. But it is not an easy world to live in, and Hollis's quest is bigger than he ever dreamed of. Farel Dalrymple brings his literary and artistic powers to bear in this sprawling science fiction graphic novel about regret, obsession, and the uncertainty of growing up.

The Guyde Howie Reith 2016-11-19 *The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. *The Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
