Astrology for Real

Relationships - Jessica

Lanyadoo 2019-12-31

A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin.

Illuminating and accessible,

Astrology for Real

Relationships includes a primer on basic zodiac

knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional

wellness are balanced, you can be empowered in your

relationships, including: •

Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that

you see yourself? • Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with

yourself about how you feel and what you really need from a partner? • Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong

connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

Friends on a Rotten Day -

Hazel Dixon-Cooper

2008-05-01

It's about time for Friends on a Rotten Day, the first astrology book to focus entirely on friendships. After all, lovers come and go, but our girlfriends sustain, nurture, and protect us from cradle to grave. Friends on a Rotten Day explores the supportive, uproarious, and sometimes complex, relationships between girlfriends through an in-depth astrological analysis of each Sun sign. Dixon-Cooper shows readers what makes their friend tick on a soul level, revealing each friend's inner character, friendship style, love style (including what to do or not do if a pal picks a loser), and party style. She offers suggestions on the best gifts to buy your friend, how to calm her down, cheer her up, and return the unconditional support and love that she gives you. Readers will discover why their Gemini buddy changes her mind so often, why the Virgo gal pal sweats the small

stuff, why a Scorpio girlfriend sometimes seems distant, and why the Leo chum needs frequent headpats. They'll also learn why a Pisces pal should never be forced to make a snap decision, why a Capricorn girlfriend might seem too serious for her own good, the truth about a Taurus friend's hidden anxieties, the competitive side of an Aries chum, what causes Cancer pal's emotional train wrecks, why the Aquarius buddy has a rebellious side, and why the Sagittarius girlfriend has occasional angry outbursts. "Dixon-Cooper reveals what every astrologer knows but none has dared say. (She) takes us on a seriously humorous ride through the land of truth and consequences. I highly recommend it." --Suzanne White

Get Over Yourself! - Patti

Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature

straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for

We Live in Water - Jess Walter
2014-07-03

How To Get A Virgo Girlfriend Back

From Jess Walter, the bestselling author of *Beautiful Ruins*, comes *We Live in Water* - a darkly funny, utterly compelling collection of stories about the American family. *We Live in Water* brings to vivid life a world of lost fathers and redemptive con men, of personal struggles and diminished dreams, a world marked by the wry wit and generosity of spirit that has made Jess Walter one of America's most talked-about writers. In 'Thief', a blue-collar worker turns unlikely detective to find out which of his kids is stealing from the family vacation fund. In 'We Live in Water', a lawyer returns to a corrupt North Idaho town to find the father who disappeared thirty years earlier. In 'Anything Helps', a homeless man has to 'go to cardboard' to raise enough money to buy his son the new Harry Potter book. In 'Virgo', a local newspaper editor tries to get back at his superstitious ex-girlfriend by screwing with her horoscope. The final story transforms slyly from a portrait

of Walter's hometown into a moving contemplation of our times. 'A ridiculously talented writer' *The New York Times* 'One of my favourite young American writers' Nick Hornby 'Darkly funny, sneakily sad, these stories are very, very good' *Publisher's Weekly* 'A witty and sobering snapshot of recession-era America' *Kirkus* [John Virgo: Say Goodnight, JV - My Autobiography](#) - John Virgo 2017-11-02

Famous for his hilarious impersonations of snooker's biggest stars, JV is a household name thanks to his razor-sharp BBC Snooker commentary and the much-loved quiz show *Big Break*. A fascinating insight into British sporting life, taking readers from John's childhood in Salford, through smoky snooker dens, to tournaments and championships all over the world, as he relives travelling on Concorde, rubbing shoulders with royalty and much more. Admirably nicknamed 'Mr Perfection', John tells how he overcame adversity to become UK champion, yet also reveals how

gambling wrecked his dreams of becoming World Champion, and almost bankrupted him. An affectionate reminder of a time when Britain - and sport - took themselves a little less seriously.

Bulletproof God's - Tysha Jordyn
2016-12-27

Miami...the city of sun, sex, money, and power. The streets never sleep and the block is always on the come-up, but only one name send chills up the spine of the entire east

coast--DiBiasi. Street kings by birth, the three brothers are Cuban royalty, and the next generation of a dangerous dynasty that has brought the city of Miami to its knees for decades--there is no Miami without the DiBiasi boys. Zeus, the eldest brother, rules with a power so brutal that he can issue a kill order without uttering a single word. As the true leader of the DiBiasis, every king needs his queen, right? Zeus has just that in his fiercely loyal wife, Xiomara--Zo to her family. A true mafia princess who's been down for him since their first kiss, Zo is even more ill with an AK than Zeus, but her venomous bloodthirst has taken a back seat as she plays dutiful wife and doting mother to their two daughters. One contraction away from giving birth to the first male and next heir in the DiBiasi dynasty, Zo is something that the streets least suspect--Zeus' secret weapon. Titan is every bit the boss as his older brother. A more than meets the eye kind of guy, his flawless combination of book

and street smarts make him a force to be reckoned with. A believer in death for dishonor, he moves with a tech-savvy stealth so brutal that you feel his wrath long before you see him. Titan's only weakness is the elusive love he feels for Zipporah, big sister to Zo and the one that got away. Affectionally known as Po to her family, she refuses to bow down to the DiBiasi domination as long as Titan is playing house with India, his live-in girlfriend. Po puts Titan on notice that it's her way or no way, but Titan has a trick up his sleeve that just might force her to submit to his stroke. Ares is the baby and wild card of the family. Arrogant, cocky, and the true muscle of the DiBiasis, he thrives on the dangerous path that his reckless temper seems to lead him down on the daily. Ares doesn't believe in a clean shot and would much rather leave a trail of bodies for even breathing too hard in his direction. Guys wish to end him, and chicks long to feel him get in, but he's got a

ruthless energy that fuels his motto: smash and pass. He's on a mission to bed as many chicks and dead as many enemies as possible to keep his family on top. Every hustler in Miami knows their role and place, and the DiBiasis have ruled the city with ease, but that all comes to a screeching halt when they trip and fall headfirst into an unexpected war with a ruthless Mexican cartel. Small things to a giant, though, and the DiBiasi boys plan to prove just why they're the undisputed bulletproof gods of Miami.
