

How To Tell Her I Love You Without Saying It

Beef Cake - Smartypants Romance 2020-03-17

If opposites do actually attract, then Gunnar Erickson and Frankie Reeves take the cake. Frankie Reeves is complicated, even though she won't admit it. She fills her days working as an ER nurse, taking care of her mom, and searching for the father she never knew. Anything else has no place in her perfectly compartmentalized, purposefully simple life. Attachments? No thank you. She has no time for that. Gunnar Erickson recently moved to Green Valley to train at Viking MMA with his brother Cage. Being the youngest of the Erickson clan, he's always felt like he has something to prove, and now that he's finished with college, it's his time to shine. But before he can step into the ring, a freak accident sends him to the ER and into the care of one Frankie Reeves. While he's immediately smitten, she pretends to be unfazed by this six-foot-three, two hundred and thirty-pound beef cake. Gunnar sets out to prove to Frankie that, not only does she like him more than she wants to admit, but he's not the uneducated, brute she assumes he is. To Frankie, he's the worst kind of complication, but that doesn't make it easy to stay away. 'Beef Cake' is a full-length contemporary romance, can be read as a standalone, and is book #4 in the Donner Bakery series, Green Valley World, Penny Reid Book Universe.

In the Name of Love - Aharon Ben-Ze'ev 2008

"A major case study of the book concerns men who have murdered their wives or partners allegedly 'out of love'. It is estimated that over 30% of all female murder victims in the United States die at the hands of a former or present spouse or partner. How can murdering a loved one be associated with the assumed moral and altruistic love? Not only is love intrinsically ambivalent, but it can also give rise to dangerous consequences. Some of the worst evils have been committed in the name of love."--

Love Is The Answer - Sharon Cheney
 2018-07-24

Discover the Power of Love to Heal and Transform Your Life. Love is universal, and every human craves it. Regardless of age, sex, race, status, or any other factor, we all need love to survive and thrive. But getting the love you want and letting it in is easier said than done. This book will make you fall in love with yourself again, transforming your relationships and allowing you to live an extraordinary life. The Search for Love That Never Ends. The word "love" is so overused and misused today that many of us are left wondering what it really means when someone says "I love you." But spiritual seekers and quantum physicists alike know that love is the driving force of the universe. It is the stuff that all human beings crave, and it exists in many forms and manifestations. Sharon illustrates the irony of a culture that idealizes love when so many people fail to love themselves. We hunger for what we don't have and constantly look for love outside of ourselves. She has packed the book with helpful advice on how you can learn to love and accept yourself unconditionally, allowing you to experience all the love you need without having to chase it or sacrifice your values in order to get others to like or love you. Love is the Answer looks at the many faces of love - from romance, friendship, and family relationships to love of humanity and self-love. You'll discover the incredible impact love has on our lives (and how the lack of love can wreak havoc in your life in mysterious and terrible ways). If you've experienced trauma, addiction, or recurring destructive patterns in relationships, love is the transformational key to breaking through and overcoming the chains that have been holding you back from living your dream life. Through radical self-love, you'll discover a new relationship with yourself and the people in your life. During her career as a relationship coach, author Sharon Cheney found that many people suffer from a lack of self-love, causing them to continually search for love and acceptance from

others. This constant search for love leaves us starved and isolated, and can often cause us to pursue unfulfilling goals and relationships. When you feel stuck grasping at goals and relationship ideals that seem unattainable, love is what you're really looking for. The inspiration for Love is the Answer came from a remarkable event that happened in 2010. Sharon had an unusual experience: an opening of her heart, after which she became much more sensitive to the feelings of others, and could instantly experience everything they felt. She became aware of how her words impacted others and how we affect each other in our daily interactions. The experience changed Sharon's life so much that she wanted to share her newfound knowledge so others could enjoy the benefits of transformation through love. In this, her third book, she offers practical guidance on how we can learn to love and accept ourselves unconditionally. The book is filled with fascinating observations and practical advice on how to master self-love to attract the love we all want in life. For a better life and a better world, love truly is the answer. Scroll up and click "buy now" to bring more love into your life and our world.

All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she

provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

You Belong Everywhere - Dushka Zapata
2019-05-05

I fell out of a tree once. I like to climb and survey the view and leaned on the wrong branch. Falling hurt a lot but that view gave me good reason to climb trees every chance I got. I fell off my bike too, many times before and after learning how to ride it. I have a big scar on my left arm that hurt so much I saw stars. The times I ride a bicycle I feel free. An ex inadvertently taught me how unhealthy it was to allow my life to be all about my relationship. It hurt a lot to break up with him but in doing so I found myself. Here is what I can tell you with certainty: anything worthwhile will make you suffer. "Potential pain" is not sound criteria for whether or not to try something. Because, you might risk missing out on everything.
