Holmes' Own Story JD Crichton 2016 Eighty-seven (87) restored and sourced, rare historical illustrations and photographs. A fascinating look into the mind of one of America's first serial killers. Born as Herman Webster Mudgett, H. H. Holmes was a horrific killer featured in Erik Larson's popular book, *The Devil in the White City*. Holmes built a three story 'Murder Castle' in Chicago in the late 1800s with death on his mind. A doctor by trade, Holmes lured unsuspecting victims into secret rooms, vaults and gas chambers and made use of a dissection table in his basement. He preyed on travelers that came to Chicago for the World Columbian Exposition in 1893 by advertising rooms for rent and offering employment opportunities. No doubt about it, Holmes earned despicable nicknames such as Arch Fiend, Butcher, Modern Bluebeard, Swindler, and Moral Degenerate. Holmes was a monster in disguise as a doctor, a perfect ruse to lure his victims. After all, who would not trust a doctor? Learn what Holmes personality and thought process was like, straight from the mind of a killer. This three-part book includes Holmes' memoir and his confession of twenty-seven murders. It also has details about his death, unusual burial, and an odd story Holmes told about his reincarnation. Notes, illustration credits, and bibliography are included.

Tamed Emma Chase 2014-07-15 In the third unforgettable book by New York Times bestseller Emma Chase, Matthew Fisher—the best friend of Drew Evans from *Tangled and Twisted*—wants to settle down, but he'll have to overcome the mistrust of the colorful and unique Dee Dee Warren. Stop me if you've heard this one before: girl meets player, they fall in love, player changes his ways. It's a good story. But it's not our story. Ours is a lot more colorful. When I met Dee, I knew right away that she was special. When she met me, she thought I was anything but special—I was exactly like every other guy who'd screwed her over and let her down. It took some time to convince her otherwise, but it turns out I can make a convincing argument when sex is at stake. You might know where this story's headed. But the best part isn't where we ended up. It's how we got there.

The Starless Sea Erin Morgenstern 2020-08-04 NATIONAL BESTSELLER • From the bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells,

crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.

The Unlikely Yarn of the Dragon Lady Sharon J. Mondragón 2021-09-21 A knitting group's change of scenery changes lives in unexpected ways Margaret, Rose, Jane, and Fran had a good thing going: meet every week in the quiet of their peaceful chapel and knit prayer shawls. No muss, just ministry. That is, until their pastor boots them out of the church in his last-ditch effort to revive the dwindling congregation. Uptight Margaret isn't having it. Knitting prayer shawls where people can watch is the most ridiculous idea she's ever heard of, and she's heard plenty. Prayer belongs in the church, not out among the heathen masses. How are they supposed to knit holiness into these shawls if they're constantly distracted by the public? But with no choice, the others embrace the challenge. They pack their knitting bags and drag Margaret—grumbling the whole way—to the mall with them. She can't wait to prove them all wrong when it fails miserably, and show the pastor that she always knows best. Without the familiar mold the group has been stuck in, their own losses, pain, and struggles rise to the surface. And the people and situations they encounter every time they try to sit quietly and knit are taking them a lot further out of their comfort zone than they ever imagined. Can they find the courage to tackle the increasing number of knotty issues they learn about in the community--or will the tangle be too much to unravel? Sharon J. Mondragon's debut is warm and delightful, full of real laughter, grief, and personality. It beautifully illustrates the power of women across generations to reach people for Christ.
