actress Clara Bow. Clara is a handful. The “It” Girl of the Jazz Age personifies the new woman of the 1920s onscreen, smoking, drinking bootleg hooch, and bursting with sex appeal. But her conduct off the set is even more scandalous. Hoping to impose a little order on Clara’s chaotic life, Paramount persuades Daisy to sign on as Clara’s personal secretary. Thanks to Daisy, Clara’s bank account is soon flush with cash. And thanks to Clara, Daisy can finally shake off her embarrassing past and achieve respectability for herself and her family. The trouble begins when Clara’s newest fiancé, cowboy star Rex Bell, wants to take over, and he and Daisy battle for control. Torn between her loyalty to Clara and her love for her family, Daisy has to make a difficult choice when she ends up in the county jail. Here, Daisy sets the record straight, from her poverty-stricken childhood to her failed marriage; from a father in San Quentin to her rollercoaster time with Clara, leaving out

Avoiding Politics - Nina

Eliasoph 1998-08-13

Nina Eliasoph's vivid portrait of American civic life reveals an intriguing culture of political avoidance. Despite the importance for democracy of open-ended political conversation among ordinary citizens, many Americans try hard to avoid appearing to care about politics. To discover how, where and why Americans create this culture of avoidance, the author accompanied suburban volunteers, activists, and recreation club members for over two years, listening to them talk - and avoid talking - about the wider world, together and in encounters with government, media, and corporate authorities. She shows how citizens create and express ideas in everyday life, contrasting their privately expressed convictions with their lack of public political engagement. Her book challenges received ideas about culture, power and democracy, while exposing the

hard work of producing apathy.

SEVEN COLORS OF LOVE -

Pramod Rajput 2021-03-18

Raj turned back to look at Gauri. Her hair was disheveled. Her face was not glowing as before. For the first time, he saw a common girl in her and no longer an angel. Gauri was unable to see the tears in his eyes from that distance. Raj cried his heart out all the way

home. The road was deserted except for his sobs which reverberated against the surrounding hills and rocks, turning into an echo that only his soul could hear. It was the echo of a broken heart that Raj heard for the first time.

Richard Mallinson's Fast

Fiction - Richard Mallinson
2013-01-24

At only a page each in length, Richard Mallinson's elegantly structured short stories are a pithy fast fiction for a modern multimedia age. A rapid succession of carefully worked observations, the stories read like a dynamic anthology of life's collisions and interactions, its projected plans and unexpected rotations.

There is a great joy in the subverted (the interviewer becomes the interviewee; the private detective becomes the conspirator) as well as an interest in the open-ended. Possibility abounds, for these are always tales of the present; the past is unclear and the future unwritten. Adhering to the strict one-page format, the writing is marvelously precise:

it is highly disciplined, but infinitely rich, conjuring the most unique and sharply observed characters with remarkably few words. If indeed “we read fiction . . . in order to meet individuals” as the character Tolson declares in Mallinson’s “Tolson’s Creed,” then in this anthology we are introduced to a plethora of distinct personalities, rendered all the more compelling by their relentless unpredictability.

But none of that is easy, as a not so unfamiliar stranger decides to enrol into the school...and guess what? She’s Kendall’s room-mate. And if there’s one thing Kendall has learned about sharing a room with a complete ‘stranger’ is that room-mates don’t kiss, right? Right? Get the Guy - Matthew Hussey 2013-01-31

How to Meet Broads - Jeff Cagney 2011-05-29

"Men, if all you're looking for is a woman who smokes, frequents bars and has sex with any man she likes, then you need to read this book." - Literary R&R Are you shy around beautiful women? Do you break out in a cold sweat at the thought of approaching that cute girl across the bar? Are you crippled by the fear of rejection? On those rare occasions when you do find yourself chatting with a girl you're attracted to, do you freeze up and spend several minutes babbling idiotically until she finally, mercifully concocts an excuse to leave? Do you frequently find yourself going home alone, putting on some sad music, cursing your miserable life and crying

yourself to sleep? Would you like to be that guy who walks into a bar by himself and exits shortly thereafter with the hottest broad in the room? If you answered yes to any of these questions, "How to Meet Broads: A Comprehensive Guide to the Art of Seduction" is here to help! Using the ground-breaking How to Meet Broads system, you can improve your look, boost your self-confidence and successfully seduce the girls of your dreams! "How to Meet Broads: A Comprehensive Guide to the Art of Seduction" offers a point-by-point process for becoming not only a man that women aspire to be with, but also one who is capable of sustaining a healthy relationship (when applicable). This process is elaborated upon in the form of letters written by the online readers of Mr. Cagney and his often-hilarious replies. Don't let the sarcasm and self-deprecation fool you, however... at its most basic, this is a book about respecting yourself and those around you, and you'll be surprised at just
