Let Me Be Frank - Tracy Dawson 2022-05-10

In this entertaining and eye-opening collection, writer, actor, and feminist Tracy Dawson showcases trailblazers throughout history who

disguised themselves as men and continuously broke the rules to gain access and opportunities denied them because they were women. "This book will surprise, astonish, and hopefully anger you on the lengths women have had to go to pursue their dreams. Tracy has such a gift for storytelling and making history leap off the page. Her book has a wit that suggests it was written by a man since everyone knows women aren't this funny."—Kay Cannon, writer, producer, director (the Pitch Perfect films, Cinderella) "A smart, funny journey through history that introduces us to the rule breakers who made history worth traveling through."—Patton Oswalt, comedian, actor and author "I came up with Tracy as a fellow sketch comedian on the vomit-soaked stages of the Toronto comedy scene. And like the brilliant, resourceful, rule-breaking, damn-well-stubborn sisters in Let Me Be Frank, Tracy is someone who gets the job done, and gets it done well."—Samantha Bee, Full Frontal with

Samantha Bee Let Me Be Frank illuminates with a wry warmth the incredible stories of a diverse group of women from different ethnicities and cultural backgrounds who have defied the patriarchy, refusing to allow men or the status quo to define their lives or break their spirit. An often sardonic and thoroughly impassioned homage to female ingenuity and tenacity, the women profiled in this inspiring anthology broke the rules to reach their goals and refused to take “no” for an answer. These women took matters into their own hands, dressing—sometimes literally, sometimes figuratively—as men to do what they wanted to do. This includes competing in marathons, publishing books, escaping enslavement, practicing medicine, tunneling deep in the earth as miners, taking to the seas as pirates and serving on the frontlines in the military, among many other pursuits. Not only did these women persist, many unknowingly made history and ultimately inspired later generations in doing so. This compendium is an

informative and enthralling celebration of these revolutionary badassess who have changed the world and our lives. Let Me Be Frank is filled with more than two dozen specially commissioned, full-color illustrations and hand-lettering by artist Tina Berning, whose multi-award-winning work has been published in numerous publications and anthologies worldwide, and is designed by Alex Kalman. WOMEN PROFILED INCLUDE: Jeanne Baret * Anne Bonny and Mary Read * Christian Caddell * Ellen Craft * Catalina De Erauso * Louise Augustine Gleizes * Hatshepsut * Annie Hindle and Florence Hines* Pili Hussein * Joan of Arc * Rena “Rusty” Kanokogi * Margaret King * Dorothy Lawrence * Tarpé Mills * Hannah Snell * Kathrine Switzer * Maria Toorpakai * Dr. Mary Edwards Walker * Cathay Williams

The Man's Guide to Women - John Gottman
2016-02-02

A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's

workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

Retribution - Anne Marie Erskine 2021-10-15
Retribution By: Anne Marie Erskine Retribution focuses on the lives of six female bullies, the harm they cause, and the ironic twist they themselves create for their demise. While the subject of the novel itself is serious-bullying-the characters and their deserved endings are, in many ways, exaggerated dark comedies that will surprise and delight the reader, especially those readers who have suffered from the torment of a bully. Retribution presumes that all choices have

consequences; that innocents must be protected at all costs; that people have the power, the right, and the duty to stand up for and protect innocents no matter the cost. The hero, Gemini Jones, is a sensitive but strong and resolute character who shows how to help Justice deliver its rightful reckoning. She is a role model for all heroes who desire to bring good and light to the world. Retribution is a novel of hope and satisfaction for those who have been bullied and know that evil must be punished and defeated. It is a novel for all who believe in Justice and want to see it prevail. In the end, Justice always reigns when GOOD fights for it.

sometimes complex, relationships between girlfriends through an in-depth astrological analysis of each Sun sign. Dixon-Cooper shows readers what makes their friend tick on a soul level, revealing each friend's inner character, friendship style, love style (including what to do or not do if a pal picks a loser), and party style. She offers suggestions on the best gifts to buy your friend, how to calm her down, cheer her up, and return the unconditional support and love that she gives you. Readers will discover why their Gemini buddy changes her mind so often, why the Virgo gal pal sweats the small stuff, why a Scorpio girlfriend sometimes seems distant, and why the Leo chum needs frequent headpats. They'll also learn why a Pisces pal should never be forced to make a snap decision, why a Capricorn girlfriend might seem too serious for her own good, the truth about a Taurus friend's hidden anxieties, the competitive side of an Aries chum, what causes Cancer pal's emotional train wrecks, why the Aquarius buddy has a rebellious

side, and why the Sagittarius girlfriend has occasional angry outbursts. "Dixon-Cooper reveals what every astrologer knows but none has dared say. (She) takes us on a seriously humorous ride through the land of truth and consequences. I highly recommend it." --Suzanne White
