## **Dark Mermaid Song** - J.R. Rogue 2016-11-25

"If fairytales were written for adults in riddles and poems, it would go something like this." —Isabelle Kenyon, Fly On The Wall Poetry "My bleeding heart, my open vein, a feast for the gulls of this storm born world. & I weep openly, for if they read my tears they will know I am real." Inspired by sirens, mermaids, sea witches, and seduction, Dark Mermaid Song offers a distinctly different voice than Rogue's previous publications. If you have ever experienced loss, heartbreak, love, or joy, reading this poetry will bring back a shocking wave of emotions. Dark Mermaid Song was previously published as Le Chant Des Sirènes: Poems. It has been expanded in this new edition.

## I'm Not Your Paper Princess: Poems - J.R. Rogue 2019-10-24

J.R. Rogue has self-published five novels and ten poetry collections. Several of her poetry collections have become bestsellers, including Tell Me Where It Hurts, La Douleur Exquise, and Exits, Desires, & Slow Fires, two of which were also Goodreads Choice Nominees for poetry. In her latest book of poems, I'm Not Your Paper Princess, the author focuses on love, heartache, and continuously discovering old truths in new ways.

## *I Like You, I Love Her* - J. R. Rogue 2020-09-21

Severin It feels like I've been in love with Bryan Winthrop my entire life. Before he kissed me in front of the entire school. As he danced with her the night of our senior prom. After his younger brother, Ben, made me smile through my tears. "It'll never work with him. He will never leave her..." It's been more than ten years since I let myself fall for the boy whose heart wasn't mine. And the Prom King's lips are finally mine to kiss. "When I came back here I wasn't expecting to see you, and when I did, I felt this tumble..." But he's still keeping me in the shadows. As his

younger brother breaks me open in the day. Ben You shouldn't covet whom your brother desires. Our pastor father would say he taught me better than that. But I knew over ten years ago my brother didn't deserve her. And nothing's changed since she came back into both our lives. "You think what you felt for my brother back then was love, but what I felt can't be the same?" I'm still the one who makes her laugh-- the one who challenges her. And he's still the one treating her like a dirty little secret. "You really are a watercolor, Severin Thompson. I can read you..." You shouldn't covet whom your brother desires. This summer, I'll remind him of that.

## **Kiss Me Like You Mean It: Inspired By A True Story** - J.R. Rogue 2018-03-22

My love is poison. His kiss is mine. "The first time he saw me I was shattered glass, and he was a shadow. If I had stayed, he would have just faded away." It's strange how easy it is to tell our stories to a stranger's eyes. The truth about Connor Stratford and I had always been a sad tale. Over ten years of chasing, tears, lies, vows, and leaving. Two people who never loved each other at the same time, but couldn't let each other go. Now here I was telling our story over drinks midday in an airport bar with my old diary clutched in my hand. Telling some version of our story, anyway. I left him once with no goodbye. Now I was returning home to give him what he needed to move on. "It's important. It's what you're thinking." I knew what his message meant, sent in the middle of the night after I woke from a fever dream. He was finally ready, and so was I. I just needed to finally give him the kiss he begged for. The one that meant goodbye.

*I Like You, I Love Her* - J. Rogue 2021-01-09

In a lot of ways, I was one of the lucky ones. My high school crush liked me back. It should have been magic and fire, but it was tragic and brutal. I wrote it that way, anyway. His name was Bryan Winthrop. He was our high school basketball star. The prom king. The most beautiful boy I had ever laid eyes on. He liked me--the theatre geek who never should have caught his eye--but he loved her. It's been more than ten years since the homecoming dance. Since the night he kissed me, breaking both our hearts for the first time. After the scandal, after graduation, I left our small town and made a name for myself on Broadway, then in Hollywood. I didn't mean for the play I wrote about our high school affair to blow up. I didn't mean for it to reach all the way back to my roots, wreaking havoc, wrecking families. Bryan Winthrop and I were not friends, not lovers. But I'm back. And for one summer--if she lets us--maybe we can be.

*Daddy Issues* - J.R. Rogue 2022-10-19

"This collection cut close to my soul." —Kat Savage, USA Today bestselling author "How can you love a monster when so much was taken?" In *Daddy Issues*, three-time Goodreads Choice Awards nominated poet J. R. Rogue examines how fathers—absent, abusive, violent—can shape our minds and hearts during our formative years and beyond. Wading into the dark waters of familial trauma, this collection reopens wounds closed, scarred, and fresh, and is dedicated to fathers breaking cycles and mothers playing both roles.

*The Words I Wish You Heard* - J. R. Rogue 2022-03-08

typewritten work posted on Instagram, Facebook, and Pinterest. In this collection, you will find writing touching on varying topics such as love, loss, heartache, hope, and tenderness. Take a trip back to the beginning with this collection chronicling the height of social media poetry. *The Words I Wish You Heard* is a combination of never before published poems and the following previously published collections: *An Open Suitcase & New Blue Tears*, *Rouge*, *Apus*, and *I Have Sold a Beautiful Lie*.

*I Love You, I Need Him* - J.R. Rogue 2020-10-22

Brooklyn I learned early in life to build walls around my heart. After my mother died. Before my father went to jail. "I'd give anything to make sure the people I love know it..." So when my boss hires a tall, tattooed Irishman to work alongside me, I vow to keep things professional. Especially when I find out he's a widower. But when my violent past threatens my future, I find myself closer to Declan than I planned to be. "...you want to sleep in my bed?" The walls around my heart are high... but the arms around my body are strong. And I've convinced myself he can save me from the coming storm. Declan I escaped New York for Tennessee to have a clean slate. From my vices. From my ghosts... But my new boss has the kind of eyes you can't look away from. And the kind of laugh that threatens to pull you from the dark. "It's just chemical, what you're feeling right now..." I tell myself I'm just being a good friend when I let her stay in my room. But the lies we tell ourselves are the hardest to overcome. "I thought I knew what it was like to be haunted by someone. I was wrong. I don't know shit..." My attempt at starting over has led me to my greatest fear. Love can never make me weak again. And I can't fall for a girl who looks like the sun when I'm the goddamn storm.

*Poems for the Moon* - J.R. Rogue 2020-01-23

"you cannot know who you'll be when you will be so many different versions of yourself in this lifetime. you cannot find the road you are craving, not yet. it's waiting for you to pave it." In her Letters to the Universe Series, Goodreads Choice Nominated poet J.R. Rogue shares intimate poems written lovingly for her readers. Take a journey through the eyes of author and reader as Rogue shares a glimpse into the private

task of writing poetry dedicated to readers worldwide. Poems for the Moon: Vol 2 is book 2 in the Letters to the Universe series. Each poem in this collection is a custom piece written for a J.R. Rogue reader.

*Breaking Mercy* - J.R. Rogue 2021-11-30

"I want to find someone the world needs to know. I want to find someone in the shadows and bring them to the light." Mercy Isbell has one chance left—one chance to prove to her father she can bring talent to the family record label, one chance to make her late grandmother proud, and one chance to prove to herself that her dreams are reachable. So, when her best friend drags her to the family bar to scout for talent, she treats the mission like it's do or die. And the young man who graces the stage that night catches more than her eye. "You'd be surprised how much material you can get out of wanting someone you can never have." Grayson Wilder has a dream—the former drummer longs to be at the front of the stage. So he escaped his small town for Nashville to start over, and the dark-haired woman he meets at the renowned Mercy's Bar might be the key to making those long-secret desires come true. "I'm going to ruin my chances for a record deal so I can kiss her." What started as a business relationship quickly burns hot. And when their growing attraction jeopardizes both of their futures, Mercy and Grayson realize all's fair in love and music, and some decisions live on forever.

*Blind Melody* - J.R. Rogue 2020-08-27

I'm not a song. I don't have blue eyes like the girls you sing about. I have a blue soul. Sonnet Rosewood needs a new chapter—the kind that doesn't remind her of anything she's leaving behind in the Ozarks. So, when opportunity beckons to escape to the Great Smoky Mountains for a writing retreat, she answers with a firm yes. But the arrival of a decade-old and short-lived fling at the cabin changes everything. How quickly we push past the barriers we erected between ourselves for years." Recognizing the beautiful voice of the unexpected guest reminds her of his name, Hunter Hart: the man she wrote as forgettable, who vowed to show her he was anything but if given a second chance. Maybe you want the challenge more than you want the girl. What started as Sonnet's attempt to escape her past thrusts her straight into the responsibilities of

another's, making their future sound more and more like the sad songs they've been writing together. While their passion is undeniable, their happily-ever-after is not. The single father's rules leave little room for a different kind of love. And Sonnet has rules of her own—to never again wait for a man to open his heart to her. *Blind Melody* is Book 3 of the *Muse & Music Series*. It can be read as a standalone.

*I Like You, I Hate Her* - J.R. Rogue 2022-01-27

Jo I'm not bad; they just write me that way. That's what I tell myself—the lie I peddle in interviews. If they want a bad girl, I can be their bad girl. Their villain. "Everyone loves a scandal. And you're the queen of scandals.." Years ago, I broke the heart of the biggest pop star in the world. And then I became the Sexiest Man Alive's biggest regret. I am not that venomous girl anymore. But I know a life-changing role when I see one. "At his name, my heart stills. The man I hate and want. The bane of my existence..." Being Tristan Kane's on-screen love interest will be good for my career. And bad for my heart. For him? I aim to devastate both. Tristan The world thinks it's easy being the son of Hollywood royalty. But they don't know the burdens I wear. Or the regrets in my chest—that all say her name. "We will be nothing more than co-stars. Not friends. Not anything more..." Loving Josephine Ouellette goes against my late father's wishes. Fits into my meddling manager's plans. And pisses my sister off. "...forget the world, they can't have this moment. This is our story, and no one gets a say in it." But I'm tired of living in his shadow. Living for their games. I fell in love with a villain. And no one loves harder than the scorned.

*La Douleur Exquise* - J. R. Rogue 2018-11-18

"What happens when you meet your soul mate at the wrong time? What happens when you meet your soul mate but you aren't theirs?" *la douleur exquisite* the exquisite pain of loving some unattainable. "Rogue is focused, deliberate, and seasoned in her latest release that is a

mix of poetry and prose...a wordsmith. Her command of the poetic language is unparalleled and sets her apart from other contemporary poets.” —Alicia Cook, Bestselling author of *Stuff I’ve Been Feeling Lately* “It’s going to hit you below the belt. You’re going to reach for the closest stand-in lover you can find & you’re going to make a home in their body & you’re going to pretend your childhood memories are hung in his chest & you skinned your knee tripping over the curve of his arm & you have always been here.” In *Exits, Desires, & Slow Fires* Goodreads Choice Nominated poet J.R. Rogue shines bright. With heartbreaking language, the bestselling author revisits unreturned love like only she can. Unforgiving pain, wanting, longing, fierce betrayal, and sweet lies feel like a second skin in this collection about love and loss.

**The Return** - J.R. Rogue 2023-06-27

In the idyllic town of Cherry River, secrets simmer beneath the surface, threatening to unravel the lives of those entangled in a web of love and betrayal. Lyrics never lie. And some lovers never let go. For singer Sloan Callow, returning to his lake house marks a desperate bid to shield his orphaned sister from the clutches of their dangerous brother, Nathan. Little does Sloan know that fate has a different plan in store. You broke my heart before I knew your first name. Reunited with Sofie Belle—Nathan's former flame and the object of his hidden desires—Sloan's world ignites with passion and danger. But, as their forbidden connection deepens, Nathan's sinister threats escalate, casting a shadow over their blossoming secret romance. I was in love with the idea of you when I was a kid. Now I’m in love with all of you. As darkness descends upon the idyllic lake house, an unforgiving enemy sets its sights on capturing young Adélaïde—thrusting Sloan and Sofie into a harrowing battle for their lives. With the relentless motorcycle gang closing in and buried family secrets surfacing, they must forge an unbreakable bond to safeguard all they cherish.
