[Training Your Girlfriend to Submit and Obey](#) Ryan Hale

2016-10-17 Making a girlfriend obey has several benefits.

Training her can be a long road when your desired outcome is the perfect girl who does as she's told, who worships you with all of her love, and who would never cheat on you or think of doing anything that displeases you. Please don't think this book is a book for misogynistic male archetypes who seek only to control their universe and who have mommy issues. This book is for the 'real' man who knows his place, his girlfriend's place, and who wants the world to be playground. A true man showers his girlfriend with love when she obeys and submits to him and punishes her when she disobeys and gets out of line. There has to be law and order in every relationship. There has to be someone who is in control, who has the upper-hand, and, let me suggest, if it's not you (the man in the relationship), then it is probably her. You must learn to dominate and this means teaching her to submit. If you don't, you'll never have a truly satisfying relationship that is tighter than glue. This book is going to teach you techniques for making her obey and submit to you. It is going to provide you with a lot of sound practical advice and help you

along this wonderful journey of training her to obey and submit. I want you to get excited, because a girl who obeys and does as she's told is a happy girl, one who loves you, one who truly cares about you and your happiness. This is what makes her happiest. If you have gone through a lot of relationships, had little luck with girls, then this book will be eye-opening and refreshing for you because you'll finally learn what you've been doing wrong and how to correct it. You will be correcting yourself by learning how to correct her. A girl who obeys you and who is submissive is the perfect girlfriend, isn't she (?), since a girl who doesn't is bitchy and controlling and constantly a problem for you. I welcome you. It's sad, but I'm glad it happened... My heart is heavy to share this story-it's embarrassing and I don't want you to laugh yet. Listen, if I count how many times I have been friend-zoned, you'll feel depressed on my behalf. The last one was many years ago when I was studying in Singapore. The next day, after my heartbreak, my roommate, Michael, called me and said, "Barack Obama is around. He's at Orchard to meet with Lee Kuan Yew-come, come, come." Michael didn't know what I was going through. He was at Orchard having fun, but I was at home feeling heartbroken and Obama wasn't the solution I needed at that moment-I needed a relationship expert. Luckily, I have become that person I needed and I'll guide you through the ups and downs of how women work, how to get any woman without being friend-zoned and many more things acclaimed dating gurus won't tell you. In all things, honesty and foundation are key, and that's how we'll start. Skip this stage and you'll be in trouble... You've been lied to by dating gurus. Listen, my case was worse than yours. I thought it was because I came from a not-so-rich family or because I wasn't too tall and handsome. The truth is: I was in my head. I was the one killing myself-just the same way you're mentally sabotaging yourself without knowing. I wish someone had told me all the things I discovered throughout my struggles in understanding women-it would've saved me time and energy. Imagine the shame and pains you feel emotionally, but you have no one to run to for help except Google, yet there are too many inaccurate info by "acclaimed gurus" trying to fill your brain with pickup lines. Sometimes, you feel resentful towards women because they either rejected or friend-zoned you. This makes you feel undesirable and

**One Week Girlfriend: One Week Girlfriend Book 1** Monica Murphy 2013-08-27 If you love Jessica Sorensen, Abbi Glines or Jamie McGuire's Beautiful Disaster, you'll love New York Times bestseller Monica Murphy, who took the New Adult genre by storm with the deeply emotional, completely addicting story of Drew and Fable, beginning with One Week Girlfriend. Temporary. That's the word I'd use to describe my life right now. I'm temporarily working double shifts - at least until I can break free. I'm temporarily raising my little brother - since apparently our actual mother doesn't give a crap about either of us. And I always end up as nothing but the temporary girlfriend - the flavour of the week for every guy who's heard the rumour that I give it up so easily. At least Drew Callahan, college football legend and local golden boy, is upfront about it. He needs someone to play the part of his girlfriend for one week. In exchange for cash. As if that's not weird enough, ever since he brought me into his world, nothing really makes sense. Everyone hates me. Everyone wants something from him. And yet the only thing Drew seems to want is...me. I don't know what to believe anymore. Drew is sweet, sexy, and hiding way more secrets than I am. All I know is, I want to be there for him - permanently. Don't miss the rest of the intensely passionate One Week Girlfriend series: Second Chance Boyfriend, Three Broken Promises, Drew + Fable Forever and Four Years Later, as well as Monica's sexy Fowler Sisters trilogy and her breathtaking Reverie Series.

*How to Get a Girlfriend* Jeff G Smith 2020-06-12 Sometimes men see women so difficult to get, the only reason for that is because men have not understood them. Believe me, no woman is too hard to get, no matter how brilliant and beautiful she is, all you have to do is just know how to play your keys well, they will be the ones to go after you. I have observed that so many guys are single today not because they don't need a girl in their life or they don't want to be in any relationship, but because they don't know how to get a girlfriend. They lack the confidence and words to use in wooing a woman they want. So many things could be the factors depriving some men getting any woman they want. These factors include: Lack of confidence, Lack of words to use, Mode of approach, When to approach her, and lots more. In this book, I have emphasize on those factors. So after reading through, you will then be a professional in getting any woman of your choice.

about to discover, so count yourself lucky and get ready. Please, don't abuse what you're about to discover - they never fail and some people even think it's mind control, but no, it's just a secret most men don't know about when it comes to getting their ex-girlfriends back, but you will know ALL of them soon. You must promise not to use it to hurt women. Are you dumb? I hope not. Why are you acting so irrational because of her? This book is not to pet you to stop crying or hurting, but to whop your ass so you can wake to reality and smile for the rest of your life in dating and getting your ex back like a real man. This is a bad boy's guide to getting your ex back with foolproof. I'm not here to sugarcoat the secret, but to give you the entire secret box. This is to say, you'll finally get all you need to get her back in no time. Getting your ex back is a game. If you can't play the game, you can't win the match. If you hate the word "game," you should also hate the word "relationship and sex." Why not you stick to masturbation for the rest of your life? If you're not playing the game, someone else is. She probably is. I understand you want your ex back and at the same time, you are also thinking of moving on to something better. No, a spirit keeps telling you she's still the one. Please, don't let any spirit or instinct deceive you. At the end of this book, you'll get your ex-girlfriend back, but before that, I need to punish you for a mistake you just made. "What is the mistake?" you asked. Calm down, I'll reveal it to you soon and you'll be shocked. I have noticed a lot of men or women try to teach people how to get their exes back and they focus mainly on "No Contact Rule," "Make Them Jealous," and "Work on Yourself." Yes, they are right, but there is something missing which will make all the difference and in this book, you'll finally search no more. This is 100% guaranteed to get your ex back as long as you do as you're told and not cry like a toad. Men are going through a lot in this modern world where women claimed they run the world. Dear Wives, Your Husbands Want a Girlfriend Too Donna Bunch Coaxum 2013-09 Upon hearing her husband speak pejoratively of another man's wife as "looking like a wife," attorney Donna Bunch Coaxum set off on a journey to discover what "looking like a wife" means, how it happens, and how to avoid the pitfall of becoming the sort of wife who could be described in this manner. DEAR WIVES, YOUR HUSBANDS WANT A GIRLFRIEND TOO is the result of Coaxum's study, a compilation of input garnered through interviews, surveys, and anonymous letters from men who were either married or divorced. She wanted to know if men felt a disparity between the woman they had proposed to and the wife she eventually became. If something had gone awry, what was it? Can marriages be saved and energized by a shift in perspective? Is there some key, within a woman's power, to continue infusing the long-term relationship with the vitality it had during the courtship phase? While her study started as an effort to find answers for herself, Coaxum was compelled to share her findings with other women. She discovered a formula she calls the "Market Ready Sister," a conscious and intentional recipe for women involved in, going into, coming out of, or looking for matrimony. She encourages women to think, not only of how to get it, but also how to keep it strong, and how to keep themselves "Market Ready" -- on top of their game. Married or not, the

*How to Be a Good Girlfriend and Keep Your Boyfriend Happy*

Andres Munsel 2015-04-12 Why should the women of today - who want to be treated equally to men - be motivated to go above and beyond in their relationship? The truth is, some women don't feel any desire to go out of their way to make their partners especially happy, and that's their prerogative. But contributing that bare minimum to a relationship makes you far from perfect, and makes the relationship far from perfect too. Even more so now that 21st century men are increasingly realizing their own shortcomings and attempting to correct them. Luckily, you're here reading this now because you probably aren't among the status quo: You're ready to take a path of self-improvement for the benefit of your relationship and the happiness of your boyfriend. Kudos! The perfect woman (in the opinion of most men) is an assertive and confident leader at work, a gourmet chef at home, a goddess in bed, and a master organizer. She's not only skilled, intuitive, intelligent, well-read, witty, and positive, but can put her hair in a pony-tail and whoop ass better than the best, when needed. Sure, this massive expectation isn't exactly fair, but that's the meaning and price of perfection. Getting into a relationship is easy, but keeping a relationship happy is hard work - even more so if you wish to be the unequivocal owner of your man's heart and mind.

*The Man's Guide to Women* John Gottman 2016-02-02 A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling *7 principles of Making Marriage Work*. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. *The Man's Guide to Women* offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

*Make Her Beg to Be Your Girlfriend* Pamela Paul 2012-11

Meeting new girls isn't easy and having the courage to talk to them isn't exactly as simple as it is in the movies. Even then, the shuttering thought of being rejecting is one that most men would try to avoid at all cost. Rejection bounces from left and right and the good ones are usually hard to find. Most men worry about being stuck in the friend zone and other men worry about being straight up rejected without being given a chance to show who they are. In addition, the thought of constantly looking for someone new isn't as pleasing as it sounds, especially when you're too shy to approach them. Though the thought might sound frightening, you have nothing to lose.
