

# Lasting Love How To Avoid Marital Failure

**Gospel-Shaped Marriage** - Chad Van Dixhoorn 2022-06-07

Married Christians, and those preparing for marriage, know that they're sinners—and that their sin threatens God's great purposes for their union, including mutual support, companionship, and intimacy. But how often do believers recognize that they are also saints, equipped through God's power to create a healthy, loving marriage? In *Gospel-Shaped Marriage*, Chad and Emily Van Dixhoorn encourage couples with how Christ calls and enables them to love their spouse. They give a brief assessment of the biblical design for marriage while offering practical, proven advice for husbands and wives. Drawing from Scripture and the writings of Puritan minister William Gouge, their advice also prepares churches, friends, and others to support married couples in their lives.

**How to Improve Your Marriage Without Talking About It** - Patricia Love, Ed.D. 2008-04-29

Men are right. The "relationship talk" does not help. Dr. Patricia Love's and Dr. Steven Stosny's *How to Improve Your Marriage Without Talking About It* reveals the stunning truth about marital happiness: • Love is not about better communication. It's about connection. • You'll never get a closer relationship with your man by talking to him like you talk to one of your girlfriends. • Male emotions are like women's sexuality: you can't be too direct too quickly. • There are four ways to connect with a man: touch, activity, sex, routines. • Men want closer marriages just as much as women do, but not if they have to act like a woman. • Talking makes women move closer; it makes men move away. • The secret of the silent male is this: his wife supplies the meaning in his life. • The stunning truth about love is that talking doesn't help. Drs. Patricia Love and Steven Stosny have studied this all-too-familiar dynamic between men and women and have reached a truly shocking conclusion. Even with the best of intentions, talking about your relationship doesn't bring you together, and it will eventually drive you apart. The reason for this is that underneath most couples' fights, there is a biological difference at work. A woman's vulnerability to fear and anxiety makes her draw closer, while a man's subtle sensitivity to shame makes him pull away in response. This is why so many married couples fall into the archetypal roles of nagging wife/stonewalling husband, and why improving a marriage can't happen through words. *How to Improve Your Marriage Without Talking About It* teaches couples how to get closer in ways that don't require "trying to turn a man into a woman." Rich in stories of couples who have turned their marriages around, and full of practical advice about the behaviors that make and break marriages, this essential guide will help couples find love beyond words.

assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. *Not Yet Married* is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

**Will Our Love Last?** - Sam R. Hamburg 2001-03-17

Am I with the right person? Will our love last? Men and women in love are haunted by these questions. Love -- especially why it blossoms in relationships and why it later dies -- is a mystery to them. *Will Our Love Last? A Couple's Road Map* solves this mystery by giving readers a new understanding of love -- an understanding they can actually use to evaluate the soundness of their relationships and to answer confidently the crucial questions that mystified them before. Based on hundreds of cases in his twenty-four years as a marital therapist and twenty-nine years in his own happy marriage, Sam R. Hamburg, Ph.D., explains how compatibility is the key to lasting love. He shows how compatibility on three major dimensions -- the Practical Dimension, the Sexual Dimension, and the Wavelength Dimension -- is essential to the mutual understanding and affirmation that keep love alive, and he leads readers through a simple but systematic procedure for assessing their compatibility with a romantic partner in these crucial relationship areas. Dr. Hamburg introduces a new technique, The Hand Rotation Exercise, to help readers express their degree of compatibility and then convey that visually to their partner. In addition, he presents two new original techniques for working through relationship conflicts and coming to agreement on difficult issues: His Way/Her Way and The Long Conversation. Written in a clear, direct style that is free of jargon, *Will Our Love Last?* empowers readers to make important relationship decisions that are intellectually and emotionally informed. *Will Our Love Last?* will help couples trying to decide if they should take the next step to a more committed relationship. It will aid individuals embarking on a new relationship, or who are between relationships, to evaluate the rightness of a new or prospective partner. And it will assist people who are already in committed relationships to make an honest assessment of their prospects for happiness with their current partner. People have it in their power to make sure that they truly are with the right person. *Will Our Love Last?* shows the way.

*Made for His Pleasure* - Alistair Begg 2018-08-07

Are you living for God's pleasure or for your own? Pleasing God is not a matter of personal choice, but an imperative that must be taken seriously. In a world of self, we must give way to the priority of God if we want to experience His joy. In this popular book, Alistair identifies ten benchmarks from Scripture that will prove invaluable as you seek to live a life that is pleasing to God. His clear, personal message will challenge and revitalize your faith. Spiritual fitness is not a series of straight, 100-yard sprints. Rather, it's a lifelong cross-country run of endurance and perseverance. The life that is truly fulfilling gives back to God the

talents and abilities He has given us to be used for His glory. "Delightful, insightful teaching on God's Word" — Max Lucado "Alistair compels us clearly and biblically to know the joy of pleasing God in our relationships, successes and failures, and other strategic aspects of our lives." — Joseph M. Stowell

You aren't a licensed marriage and family therapist. You didn't do a doctoral dissertation on pastoral counseling. You're simply God's person caring for God's people in the local church. And the marriages in your church need help. Many pastors feel ill-equipped to handle the challenges that arise when a couple is going through marital difficulties. They feel lost and inadequate. What do you say? What counsel do you offer? Should I say anything or just listen? Do I schedule a follow-up appointment? Do I ask questions? What questions? If you are or have been in this situation before, this book offers you a practical guide to get started with the first sessions and then offers specific guidance on nine of the most common topics that come up in marriage counseling. Author and pastor Jonathan Holmes offers a solid, biblical theology and methodology to help you navigate through the world of marriage counseling with the fundamental conviction that God's word is powerful enough to address the deepest of marital issues, and robust enough to handle whatever might come your way. In each chapter, you'll meet a new couple dealing with a different issue, much like the people in your church, office, and neighborhood. Through the book you'll also hear advice from several respected voices in the biblical counseling community. Whether you're a novice or already knowledgeable, *Counsel for Couples* provides theologically sound and biblically practical tools to help you as you help couples in need.

The inspirational sequel to *12 RULES FOR LIFE*, which has sold over 5 million copies around the world - now in paperback In *12 Rules for Life*, acclaimed public thinker and clinical psychologist Jordan B. Peterson offered an antidote to the chaos in our lives: eternal truths applied to modern anxieties. His insights have helped millions of readers and resonated powerfully around the world. Now in this long-awaited sequel, Peterson goes further, showing that part of life's meaning comes from reaching out into the domain beyond what we know, and adapting to an ever-transforming world. In times of instability and suffering, Peterson reminds us that there are sources of strength on which we can all draw: insights borrowed from psychology, philosophy, and humanity's greatest myths and stories. Drawing on the hard-won truths of ancient wisdom, as well as deeply personal lessons from his own life and clinical practice, Peterson offers twelve new principles to guide readers towards a more courageous, truthful and meaningful life.

[What Makes Love Last?](#) - John Gottman 2013-09-10

"One of the foremost relationship experts at work today applies the insights of science toward understanding the real meaning of trust between a couple. He decodes the "why" behind betrayal and shows how partners can avoid or recover from unfaithfulness and maintain a loving relationship. Dr. John Gottman, the country's pre-eminent researcher on marriage, is famous for his Love Lab at the University of Washington in Seattle where he deciphers the mysteries of human relationships through scientific research. His thirty-five years of exploration have earned him numerous major awards, including from the National Institute of Mental Health, the American Psychological Association, and the American Association for Marriage and Family Therapy. Now, Dr. Gottman offers surprising findings and advice on the characteristic that is at the heart of all relationships: Trust. Dr. Gottman has developed a formula that precisely calculates any couple's loyalty level. The results determine a relationship's likely future, including the potential for

one or both partners to stray. A Love You Can Trust shows couples how to bolster their trust level and avoid what Dr. Gottman calls the "Roach Motel for Lovers." He describes how the outcome of--"sliding door moments," small pivotal points between a couple, can lead either to more emotional connection or to discontent. He suggests a new approach to handling adultery and reveals the varied and unexpected non-sexual ways that couples often betray each other. A Love You Can Trust guides couples through an empirically tested, trust-building program that will let them repair and maintain a long-term, intimate, and romantic relationship"--

[Hope For the Separated](#) - Gary Chapman 2008-09-01

The unfortunate reality is that Christians are separating and divorcing at the same rate as the unbelieving world. But does separation have to mean the end? You may not feel like reconciling. You may not see hope for a reunion. But the biblical ideal for a separated couple is reconciliation. So how do you do it? When doors slam and angry words fly, when things just aren't working out, and even when your spouse has abandoned your trust, there is hope. Hope for the Separated will show you through God's Word that your marriage can be restored. Recognizing that restoration will not happen for everyone, Dr. Chapman also gives insightful advice for those who experience the pain of divorce.

[Endure: A Christian Man's Guide to Finishing Strong](#) - Bill Newton 2022-05-02

Start, Stay, and Finish Strong Too many Christian men start enthusiastically, then fall short. Falling short can be a public fall: Church-going husband has an affair. High-profile ministry leader gets caught in a scandal. Outspoken advocate is marred by hypocrisy. But for most men, falling short isn't a newsworthy spectacle. It's subtler. Closer to home. It's floundering in the faith. Stunted spiritual growth. It's entering the race God has called them to, then choosing to coast. This story doesn't make headlines, but it's far more common. Will this be your story? ENDURE is a practical, Scripture-steeped guide to help men finish the race God has set before them. Whether you are young or seasoned, married or solo, spiritually fit or totally anemic, this book was written for you. Empowered by the Holy Spirit and equipped with fresh insights, you will grow in biblical maturity, be challenged to change, and find strength for the road ahead.

[The Hand of God](#) - Alistair Begg 2019-01-01

Are we hapless victims of life's whims? Are we driven along by some blind and impersonal force? Are we battered by circumstances beyond all control? A thousand times, "No!" says pastor and author Alistair Begg. Instead, Begg says we are the objects of God's providential care. We reside under His guiding and protecting hand. In this richly textured study of Joseph's life, readers will see God at work shaping Joseph's circumstances so that he can ultimately redeem and reconcile his family. And they'll see the hand of God in their own lives, lovingly guiding them through their disappointments and struggles to a place of peace. It's an amazing and comforting fact: God rules and overrules in the circumstances of life. God's authority is neither capricious nor vindictive—quite the contrary—God works through the circumstances of life to bring about something miraculous, something abundantly good, even out of what we perceive to be our darkest moments. We can entrust the baggage of our past, the fears of our present, and the prospects of our future to the God who cares.
