Attract Love Using the Law of Attraction Slavica Bogdanov 2015-05-01 I wanted to enable the greatest number of people to access wealth and abundance that are part of my daily life. I wanted to enable you to have the tools in hand to find the job you dream of and feel successful in your professional life! I, too, struggled once to find a soul mate. Despite the fact that I thought I was nicer than average and even smarter, I remained alone without love. I realized that all these attributes had nothing to do with the attraction of the desired person. I have made many mistakes when it came to meeting the man of my dreams. Like many of you, I lacked self-esteem and self-love. I did not know what I really wanted to have in a relationship. Although I claimed loud that I wanted to live in a relationship, I did not realize that I kept some blockages deep within me. I did not understand why some couples managed to form easily while I could not find a partner. My relationships brought me a lot of pain and I envied couples who seemed happy. I did not know how to communicate my desires to the other person because I did not know how to master my emotions. I often kept my anger deeply rooted in me until I exploded and hurt the other deeply. This way of acting quickly led to the end of the relationship. Instead of openly expressing my desires and my emotions, I used manipulative means (without even realizing it), some passive-aggressive methods to go where I wanted, which was destroying the confidence of my partner . I realized that I was not alone in making these mistakes that prevent the development of a beautiful lasting relationship. By dint of extensive reading on the subject of research on the law of attraction, on the accumulation of

relevant information on the keys to success, I have come to understand and use my method to find me the ideal man. I know you can too. I thought it was too late for me, at my age, all the best were taken and that I had missed the train. It is not like that. When I opened my heart and practiced my method, I began to meet more interesting potential partners than I'd ever imagined. This book is not meant to explain the rules of seduction between men and women, or how to handle one or the other to have access to their heart. This book was created to help you get you the person of your dreams, to open your heart without fear of being hurt, which will cause the opening of the other person's heart as well. Love is much simpler than you think. This is acting out of love, with love and for love. Unfortunately, we have been programmed to think about our feelings, thinking about how we need to love, and fear abandonment. With my method, you will learn how to free yourself from these fears. You will develop enough self-confidence and self-esteem to be able to reveal your vulnerability. Thus opening you, the other will be increased to do the same and love yourself. As a professional coach, I wanted to add my most successful coaching methods to offer you the best system to use the Law of Attraction for attracting the perfect partner.

for. Affirmations to Get the Law of Attraction Working You know how the Law works, and now is the perfect time for you to start sending that positive vibration of creation. Aside from regular meditation and other spiritual practices, affirmations can help reframe your mind and transform your thoughts into powerful mantras. How to Attract Money The problem is that money may not come around for some people. Money can still be an abstract concept, and people just ascribe values to a piece of paper and use it to buy what they need (which explains why currencies around the world don't have a fixed value). Following this lead, it is but logical to say that people's definition of money (or wealth) is relative. What is a large sum of money for you, may still be a meager amount for another person. How to Attract Love and Better Relationships with People The Law of Attraction works in every aspect of your life. You can activate it to manifest abundance and wealth, and you can also use it to ask for a better relationship, romantic or otherwise. The Law of Attraction and Success Some people pray for success, but they often wonder why success remains as elusive as an eel. Think of the Law this way: You can't ask from the Universe something that is impossible to happen or something that you do not work on. For instance, you can't expect yourself to win the lottery if you're not making bets. Manifestation of your desires happens when you are serious about your intentions and you know the actions that will bring about your desires. The Law of Attraction and the Seven Chakras Spiritual teachings, including yoga, teach about the seven main chakras in your body. These chakras are energy points and are often associated with a color, and are related to any imbalances that you are feeling. Normally, the Law of Attraction is not explained along with the seven chakras. For purposes of maximizing the law, however, this chapter weaves in the magic it does in all areas of a person's life.
