Love on a Summer Night - Zoe York 2015

Never say never. Especially not to a determined bad boy. Zander Minelli is exactly the wrong kind of man. He's dark, dangerous, and knows far

too much about sawed-off shotguns. Faith Davidson finds him irresistible. The widowed single mother knows she should dip her toe back in the dating pool with someone solid and dependable. Definitely no tattoos. But every time she looks up, the brooding soldier is watching her, and she can't help but wonder what it would be like to let herself have a taste... Small town summer nights have never been hotter—and one transplanted city-girl's heart has never been more fragile. Book 4 in the acclaimed Pine Harbour series! Love in a Small Town - Rafe and Olivia Love in a Snow Storm - Jake and Dani Love on a Spring Morning - Ryan and Holly Love on a Summer Night - Zander and Faith

Love on a Spring Morning - Zoe York 2015

Her simple friendship helps pull him out of grief. But he doesn't know she's a movie star—and she knows he can't expose his family to the spotlight of fame. Single father and widower Ryan Howard has zero interest in the movie being filmed in Pine Harbour or the high maintenance stars staying in the cottages at the end of his lane. He's just barely holding on to the raw remains of his life and the fantasy world being concocted around him is, as far as he's concerned, a complete waste of time and energy. The one bright light in his life is an intern on the set, and their quiet conversations at the end of the day on his back porch. Hope Creswell hates her life, too, which is entirely unfair because she's blessed beyond measure. She's at the top of her acting career, a Hollywood A-list star, and surrounded by people that mean well. But Ryan makes her laugh, and cry, and before she can explain her double life, he kisses her. Book 3 in the Pine Harbour series of standalone small town military romances.

A Mountain of Love - Dr. Jo Ann Pierce 2018-01-31

When Jo Ann Pierce began her career in education, immersion in the classroom experience seemed like enough of a challenge—balancing the demands of family life as a wife and mother with the steep learning curve of mentoring and nurturing students was as much as she thought she could handle. But as she learned to trust her goat-like sense of balance on uneven terrain, she realized she could see a summit above her, and that it was within reach. Could she trust that God had a special plan to help her discover her gifts of leadership? Bit by bit, her vision emerged; this powerful memoir shares her upward climb as a “wannabe” principal, with successes and failures, personal notes and memories. Deeply personal yet universal not only to teachers and principals, but all leaders, this book illuminates the heart of Dr. Pierce's quest to find her best self, for the service and benefit of others. Let her inspire you to recognize the mountain of love in your own life—and take courage from her journey to climb upward to your pinnacle.

Love at the Spring Festival - Belle Bailey 2021-05-01

It's spring in Sugar Maple, and love is in bloom! As the Spring Festival kicks off at Oakleaf Manor, Connor Wright is putting everything on the line to invest in his new business as a glassblower. He hopes the spring festival will be just what he needs to unveil his artwork to the world, but when he runs into his former best friend and her fiancé at the festival, Connor can't help but wonder if the greatest risk he's taking is falling in love with her once more. When Violet Bingham agreed to host her father's florist booth at the festival, she never imagined she'd end up assigned to a booth across the aisle from her childhood friend, Connor.

To make matters worse, her fiancé Todd has always been jealous of their friendship, and he's determined it won't be reignited by their close proximity. But when Violet comes up with an inspired project to help establish Connor's business, she's faced with either risking her relationship with Todd or watching all Connor's dreams shatter. As Connor and Violet reignite their old friendship, they begin to wonder why it ever came to an end. Violet is sure between Connor's talent with glasswork and her flair for floral arrangements, they can salvage the remnants of his fledgling enterprise along with the friendship they once

had. But as Connor struggles to save his new venture, and Violet faces an ultimatum from Todd, can the two of them find a way to reconcile their history together? Or better yet, to learn from it and let their love for each other bloom? Journey down winding country roads, explore quaint cozy shops, and encounter quirky, but caring neighbors in the heartwarming hometown romances of Sugar Maple, Tennessee, and fall in love with the old friendships, new beginnings, and true love that never dies in Love at the Spring Festival today!
