

Love Ellen

The Face of Love - Ellen Zetzel Lambert 1995

Love and Toil : Motherhood in Outcast London, 1870-1918 - Ellen Ross Professor of Women's Studies Ramapo College 1993-10-19

The history of the British working class has until recently been written with a focus on the workplace or on such male organizations as clubs, unions or national political parties. This study of mothers in London before World War I stresses the distinctiveness of their experiences from those of other classes, and of the post World War I period, and demonstrates the ways in which mothers and their domestic choices were essential to the survival and cultural perpetuation of the working classes.

Love, Ellen - Betty DeGeneres 2000-04-26

"Mom, I'm gay." With three little words, gay sons and daughters can change their parents' lives forever. Twenty years ago, during a walk on a Mississippi beach, Ellen DeGeneres spoke those simple, powerful words to her mother. That emotional moment eventually brought mother and daughter closer than ever, but it was not without a struggle. In *Love, Ellen*, Betty DeGeneres tells her story: the complicated path to acceptance and the deepening of her friendship with her daughter, the media's scrutiny of their family life, and the painful and often inspiring stories she's heard on the road as the first nongay spokesperson for the Human Rights Campaign's National Coming Out Project. Insightful, universally touching, and uncommonly wise, *Love, Ellen* is a story of friendship between mother and daughter and a lesson in understanding for all parents and their children. "Mom, I'm gay." With three little words, gay children can change their parents' lives forever. Yet at the same times it's a chance for those parents to realize nothing, really, has changed at all; same kid, same life, same bond of enduring love. Twenty years ago, during a walk on a Mississippi beach, Ellen DeGeneres spoke those simple, powerful words to her mother. That emotional moment eventually brought mother and daughter closer than ever, but not without a struggle. Coming from a republican family with conservative values, Betty needed time and education to understand her daughter's homosexuality -- but her ultimate acceptance would set the stage for a far more public coming out, one that would change history. In *Love, Ellen*, Betty DeGeneres tells her story; the complicated path to acceptance and the deepening of her friendship with her daughter; the media's scrutiny of their family life; the painful and often inspiring stories she's heard on the road as the first non-gay spokesperson for the Human Rights Campaigns National Coming Out Project. With a mother's love, clear minded common sense, and hard won wisdom, Betty DeGeneres offers up her own very personal memoir to help parents understand their gay children, and to help sons and daughters who have been rejected by their families feel less alone. "Mom, I'm gay." With three little words, gay children can change their parents' lives forever. Yet at the same times it's a chance for those parents to realize nothing, really, has changed at all; same kid, same life, same bond of enduring love. Twenty years ago, during a walk on a Mississippi beach, Ellen DeGeneres spoke those simple, powerful words to her mother. That emotional moment eventually brought mother and daughter closer than ever, but not without a struggle. Coming from a republican family with conservative values, Betty needed time and education to understand her daughter's homosexuality -- but her ultimate acceptance would set the stage for a far more public coming out, one that would change history. In *Love, Ellen*, Betty DeGeneres tells her story; the complicated path to acceptance and the deepening of her friendship with her daughter; the media's scrutiny of their family life; the painful and often inspiring stories she's heard on the road as the first non-gay spokesperson for the Human Rights Campaigns National Coming Out Project. With a mother's love, clear minded common sense, and hard won wisdom, Betty DeGeneres offers up her own very personal memoir to help parents understand their gay children, and to help sons and daughters who have been rejected by their families feel less alone.

Love and Toil - Ellen Ross 1993

"The feisty warm-hearted "mum" has long figured as a symbol of the working class in Britain, yet working-class history has emphasized male organizations such as clubs, unions, or political parties. Investigating a different dimension of social history, *Love and Toil* focuses on motherhood among the London poor in the late Victorian and Edwardian years, and on the cultures, communities, and ties with husbands and children that women created. Mothers' skills in managing the family budget, earning income, and caring for their children were critical in protecting households from the worst hardships of industrial capitalism, yet poverty or the threat of it molded intimate relationships and left its imprint on personalities. This book is also a case study demonstrating the larger argument that the concept of "motherhood" is more socially and historically constructed than biologically determined. Shaky household economics, pressure toward respectability, the close proximity of neighbors, the precariousness of infant and child life, and little chance of better lives for their children shaped the work and emotions of motherhood much more than did the biological experiences of pregnancy, birth, and lactation. This beautifully written book, embellished with Cockney slang and music hall songs, addresses fascinating questions in the fields of women's studies, labor history, social policy, and family history."--pub. description.

The Rules(TM) II - Ellen Fein 1999-08-14

IN 1995 THE RULES WAS QUIETLY PUBLISHED...AND DATING HAS NEVER BEEN THE SAME SINCE! Women passed it from hand to hand until THE RULES changed women's lives all over the world. Its secret? THE RULES work! NOW THE RULES II ANSWERS ALL YOUR QUESTIONS ABOUT THE RULES! Based on the most commonly asked questions from the thousands of queries to The Rules hotline, this book shows you how to do The Rules in even the most difficult-and tempting!-situations. Here are new Rules tips for: - Long-distance relationships - Turning a friend into a boyfriend - Second chances-getting back an ex - Romance at the office - Dating a man who is separated - Giving him gifts - Getting him to the altar ...and much more, including how The Rules apply to mature women, on-line dating, personal ads and dating services, and same-sex relationships. Now available for the first time in paperback, THE RULES II clarifies and expands your knowledge of the only dating method that makes this dream come true: getting married to the man you love...and keeping him deeply, totally in love with only you.

Gendered Dynamics in Latin Love Poetry - Ronnie Ancona 2005-11-18

In recent decades, Latin love poetry has become a significant site for feminist and other literary critics studying conceptions of gender and sexuality in ancient Roman culture. This new volume, the first to focus specifically on gender dynamics in Latin love poetry, moves beyond the polarized critical positions that argue that this poetry either confirms traditional gender roles or subverts them. Rather, the essays in the collection explore the ways in which Latin erotic texts can have both effects, shifting power back and forth between male and female. If there is one conclusion that emerges, it is that the dynamics of gender in Latin amatory poetry do not map in any single way onto the cultural and historical norms of Roman society. In fact, as several essays show, there is a dialectical relationship between this poetry and Roman cultural practices. By complicating the views of gender dynamics in Latin love poetry, this exciting new scholarship will stimulate further debates in classical studies and literary criticism with its fresh perspectives.

The Real Thing - Ellen McCarthy 2015-04-21

From a Washington Post weddings reporter who's covered more than two hundred walks down the aisle comes a warm, witty, and wise book about relationships—the mystery, the science, and the secrets of how we find love and make it last. Ellen McCarthy has explored the complete journey of our timeless quest for “The One,” the Soul Mate, the Real Thing. This indispensable collection of insights—on dating, commitment, breakups, weddings, and marriage—gives us a window into enduring romance: • Go Online Already—“It’s a major time suck and a black hole of rejection and ambiguity and lies. But you know what? It also works.” • Keep It Confidential—“If you have to get something off your chest, pick someone whose

wisdom you really trust, and who isn't likely to spread the gossip to all your mutual acquaintances." • Be Nice—"Brewing the morning coffee, touching the small of your partner's back, filling their car with gas. These things add up to more relationship satisfaction than a fancy dinner on Valentine's Day ever could." The Real Thing features many more nuggets of wisdom, valuable information from the latest studies on commitment, candid testimonials from a variety of couples, and the personal story of McCarthy's own search for "the keeper"—which begins, ironically, with a breakup the very same day she started as the Post's full-time weddings reporter. Whether you're looking for love or looking to strengthen your relationship, this book is a wonderful and clear-eyed map to the human heart. Praise for The Real Thing "A wise and compassionate look at how we love, along with some gentle suggestions for how we could get a little better at it . . . McCarthy has done something rare: She has written an optimistic book about love that is clear-eyed and unsentimental."—The Washington Post "What a charming and captivating book this is! We never stop learning about love, and so many great lessons are within these pages."—Elizabeth Gilbert, author of Eat, Pray, Love "My readers often say to me, 'If we lived next door to each other, we'd be best friends.' That is precisely what I wanted to say to smart, funny, self-effacing Ellen McCarthy after I finished reading The Real Thing. I loved every lesson laid out in a book that wouldn't dare to call itself a field guide to marriage but amounts to as much on every page. This is a deeply useful little book."—Kelly Corrigan, author of Glitter and Glue "Upbeat and sweet . . . This rich collection of stories charms and edifies, is filled with quotes from couples as well as experts in the field, and serves as not just stories to sigh over but lessons to apply."—Booklist (starred review) "A fun read full of wonderful stories . . . McCarthy delivers a welcome combination of cynicism and poignancy in this account, which reads with the ease and accessibility of a self-help book."—Library Journal "A comforting, realistic, and endearing portrait of modern relationships . . . This book will not only charm those in decades-old marriages, but also inspire those afraid love will never arrive for them."—Publishers Weekly "Straight-talking . . . dating advice for adults of all ages."—Kirkus Reviews

For Love of Mary Ellen - Eleanor Hoyt Brainerd 1912

Sarah is six and befriends a poor Irish child; when disaster strikes the family, Sarah tries to help out the best she can.

Love & Lies - Ellen Wittlinger 2008-07-08

Marisol Guzman has deferred college for a year to accomplish two things: She will write a novel and she will fall in love. How hard could that be? She gets her very own apartment (with her high school best friend as roommate) and a waitressing job at a classic Harvard Square coffeehouse. When she enrolls in an adult education class -- "How to Write Your First Novel" -- there are two big surprises waiting for her: John Galardi, aka "Gio," a fellow zine writer who fell head over heels for her last spring (despite the fact that she's a lesbian) and her instructor, Olivia Frost, the most exquisitely beautiful woman she's ever seen. But as Marisol ventures into what seems to be her storybook romance with Olivia, things start to go off track. Between the ups and downs of her new relationship, her strained friendship with Lee (a newly out lesbian who is crushing big-time on Marisol), and her roommate's new boyfriend (who is equally afraid of Marisol and their cat) moving in, Marisol starts losing sight of her goals. Is she too blinded by love to see the lies? In this long-anticipated companion novel to the Printz Honor Book *Hard Love*, which critics called "A bittersweet tale of self-expression and the struggle to achieve self-love," Ellen Wittlinger offers a novel just as emotionally honest and deeply felt.

Love Sold Separately - Ellen Meister 2020-08-25

"Readers looking for a light beach read will enjoy the engaging writing and compelling plot."—Library Journal "A great romp of a read"—Candace Bushnell, New York Times bestselling author of *SEX AND THE CITY* Bright lights, big trouble... Dana Barry has nothing against rules. She just knows they're meant to be bent. So it's no wonder the single, twentysomething, aspiring actress loses her day job. Now her life is a mess... until she hears the Shopping Channel is auditioning. Relying on her knack for knowing what makes people tick, she lands a gig on air. But before she can say office politics, Dana is caught in the biggest drama of her life. The star host—a diva who terrorized the entire staff—is found dead. Dana knows the prime suspect is innocent. The heat is on, and Dana thinks she's ready for it...until she tangles with the tall, dark and smoldering detective in charge. It's more fuel than she needs right now as she's trying to launch

her career. But Dana's never been afraid to take chances...even when a single spark could ignite everything.

Whatever You Do, I Love You - Ellen Weiss 2010-12-21

Sweet, rhyming text from Weiss and charming illustrations from Williams bring Little Monster to life in this sweet and humorous story about the special bond between parents and their own "little monsters." Full color.

Drunk with Love - Ellen Gilchrist 1986

A collection of some of Ellen Gilchrist's best short stories.

Rock Stars Stole my Life! - Mark Ellen 2014-05-08

'The book is f***ing BRILLIANT! Just arrived NYC and wanked myself laughing. Literally tears. Irritated looks all around. What a great writer you are. It's a classic. You absolutely got the whole shite early 70s thing down precisely as it was. Names, smells, sounds, looks, the food, drink, girls, boys! Mega! Well done.' - Bob Geldof In a sodden tent at a '70s festival, the teenage Mark Ellen had a dream. He dreamt that music was a rich meadow of possibility, a liberating leap to a sparkling future, an industry of human happiness - and he wanted to be part of it. Thus began his 50-year love affair with rock and roll. From his time at the NME, Radio One, The Old Grey Whistle Test and Live aid, he has been at the molten core of pop's evolution, and watched its key figures from a unique perspective. This funny and touching personal memoir maps out his eventful journey in rock and roll. It tells stories and settles scores. It charts the peaks and disappointments. It flags up surprising heroes and barbecues the dull and self-deluded. It puts a chaotic world to rights and pours petrol on the embers of a glorious industry now in spiraling decline. For more exclusive pictures visit www.rockstarsstolemylife.com

Mules of Love - Ellen Bass 2013-12-20

Balancing heart-intelligent intimacy and surprising humor, the poems in Ellen Bass's *Mules of Love* illuminate the essential dynamics of our lives: family, community, sexual love, joy, loss, religion and death. The poems also explore the darker aspects of humanity—personal, cultural, historical and environmental violence—all of which are handled with compassion and grace. Bass's poetic gift is her ability to commiserate with others afflicted by similar hungers and grief. Her poem "Insomnia" concludes: "may something/ comfort you—a mockingbird, a breeze, rain/ on the roof, Chopin's Nocturnes, the thought/ of your child's birth, a kiss,/ or even me—in my chilly kitchen/ with my coat on—thinking of you." Marketing Plans: • National advertising • National media campaign • Advance reader copies • Course adoption mailing Author Tour: • Berkeley • Boston • Minneapolis • San Francisco • Santa Cruz Ellen Bass is co-author (with Laura Davis) of the best-selling *The Courage to Heal: A Guide for Women Survivors of Child Sexual Abuse* (HarperCollins 1988, 1994), which has sold more than one million copies and has been translated into nine languages. She has also published several volumes of poetry, and her poems have appeared in hundreds of journals and anthologies, including *The Atlantic Monthly*, *Ms.*, *Double Take*, and *Field*. In 1980, Ms. Bass was awarded the Elliston Book Award for Poetry from the University of Cincinnati. Last year, she won Nimrod/Hardman's Pablo Neruda Prize for Poetry, judged by Thomas Lux. She was nominated for a 2001 Pushcart Prize. She lives in Santa Cruz, where she has taught creative writing for 25 years. She has also taught writing workshops at many conferences nationally and in Mallorca, Spain.

No Space for Love - Ellen Mason 2022-03-16

Hard Love - Ellen Wittlinger 2012-06-19

With keen insight into teenage life, Ellen Wittlinger delivers a story of adolescence that is fierce and funny - and ultimately transforming -- even as it explores the pain of growing up. Since his parents' divorce, John's mother hasn't touched him, her new fiancé wants them to move away, and his father would rather be anywhere than at Friday night dinner with his son. It's no wonder John writes articles like "Interview with the Stepfather" and "Memoirs from Hell." The only release he finds is in homemade zines like the amazing *Escape Velocity* by Marisol, a self-proclaimed "Puerto Rican Cuban Yankee Lesbian." Hating around the Boston Tower Records for the new issue of *Escape Velocity*, John meets Marisol and a hard love is born. While at first their friendship is based on zines, dysfunctional families, and dreams of escape, soon both John and Marisol begin to shed their protective shells. Unfortunately, John mistakes this growing intimacy for

love, and a disastrous date to his junior prom leaves that friendship in ruins. Desperately hoping to fix things, John convinces Marisol to come with him to a zine conference on Cape Cod. On the sandy beaches by the Bluefish Wharf Inn, John realizes just how hard love can be.

No Cure for Love - Jean Fullerton 2018-04-05

The 1st novel in the East End Nolan Family series. The most talented voice since Dilly Court - an absorbing, thrilling and romantic historical saga with characters you'll fall in love with. Ellen O'Casey, an Irish Catholic immigrant, is struggling to support her ailing mother, her teenage daughter and herself. Washing other people's laundry in the day, and singing in bawdy pubs at night, Ellen is determined to make a better life for her family by saving enough for the passage to New York where the rest of her extended family have already emigrated. But Danny Donovan, a local gangster and the landlord of the pubs where Ellen sings, intends to make her his mistress. A widow in her late 20s, Ellen has refused to let another man in her life, least of all the brutish Danny, whose advances she doggedly resists. But when Ellen catches the eye of the new doctor in town, Robert Munroe, an intense rivalry is formed between the doctor and Danny. For not only are Robert's feelings for Ellen reciprocated, but the ambitious doctor also intends to investigate the appalling living conditions of the local community and Danny's own hand in it. But as Ellen and Robert become closer and aim to bring an end to Danny's reign of terror, their own chance at happiness seems suddenly to be at stake... A sweeping historical romance perfect for fans of Bridgerton

I Love Ellen - I Love Ellen Publishing 2019-08-08

There is ample room inside for writing notes and ideas. It can be used as a notebook, journal, diary or composition book. This paperback notebook is 6" x 9" (letter size) and has 150 pages of white, lined paper

(date line to the left or right).

How to Help an Alcoholic You Love - Ellen Petersen 2019-09-17

If your loved one or a friend is an alcoholic - this book will be an invaluable help. It will show you how to take the necessary steps to help the person you care about. Don't wait any longer. To make it easy to follow, this guide is divided into several mutually complementary parts.

Love, Ellen - Betty DeGeneres 2013-05-28

"Mom, I'm gay." With three little words, gay children can change their parents' lives forever. Yet at the same times it's a chance for those parents to realize nothing, really, has changed at all; same kid, same life, same bond of enduring love. Twenty years ago, during a walk on a Mississippi beach, Ellen DeGeneres spoke those simple, powerful words to her mother. That emotional moment eventually brought mother and daughter closer than ever, but not without a struggle. Coming from a republican family with conservative values, Betty needed time and education to understand her daughter's homosexuality -- but her ultimate acceptance would set the stage for a far more public coming out, one that would change history. In *Love, Ellen*, Betty DeGeneres tells her story; the complicated path to acceptance and the deepening of her friendship with her daughter; the media's scrutiny of their family life; the painful and often inspiring stories she's heard on the road as the first non-gay spokesperson for the Human Rights Campaigns National Coming Out Project. With a mother's love, clear minded common sense, and hard won wisdom, Betty DeGeneres offers up her own very personal memoir to help parents understand their gay children, and to help sons and daughters who have been rejected by their families feel less alone.
