**Word Painting** - Rebecca McClanahan 1999-03-15

Let Rebecca McClanahan guide you through an inspiring examination of description in its many forms. With her thoughtful instruction and engaging exercises, you'll learn to develop your senses and powers of observation to uncover the rich, evocative words that accurately portray your mind's images. McClanahan includes dozens of descriptive passages written by master poets and authors to illuminate the process. She also teaches you how to weave writing together using description as a unifying thread.

**M.V. Sexton Speaking** - Suzanne Newton 1981-01

When sixteen-year-old Martha Venable Sexton gets a summer job at a bakery, her whole life changes as she finds friends, discovers men, learns to balance individuality with "blending in", and comes to terms with her guardian aunt and uncle.

*The Publishers' Trade List Annual* - 1985

**Your Reading** - Jane Christensen 1983

An annotated listing of over 3000 fiction and non-fiction books recommended for junior high and middle school students.

**Voice of Youth Advocates** - 1984

[Children's Book Review Service](#) - Children's Book Review Service 1981

*The North Carolina Historical Review* - 1991

*High Interest Easy Reading* - National Council of Teachers of English.

Committee to Revise High Interest-Easy Reading 1984

Annotates approximately 400 recommended books of interest to the reluctant high school reader, arranged alphabetically within eighteen categories including adventure, trivia, careers, fantasy, and history.

**The Bookfinder** - Sharon Spredemann Dreyer 1985

**Contemporary literary criticism** - Daniel G. Marowski 1985

Entries includes critical commentary, brief biographical information, a portrait when available, a list of principal works, and may also include a further reading section about creative writers in the young adult genre.

**M. V. Sexton Speaking** - Suzanne Newton

*Something about the Author* - Diane Telgen 1994

Series covers individuals ranging from established award winners to authors and illustrators who are just beginning their careers. Entries cover: personal life, career, writings and works in progress, adaptations, additional sources, and photographs.

**North Carolina Libraries** - 1985

**Journal of Reading** - 1982

[Your Reading](#) - 1983

An annotated listing of books of fiction, nonfiction, poetry, and drama recommended for junior high and middle school students.

**The Companion to Southern Literature** - Joseph M. Flora 2001-11-01

Selected as an Outstanding Academic Title by Choice Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association There are many anthologies of southern literature, but this is the first companion. Neither a survey of masterpieces nor a biographical sourcebook, The Companion to Southern Literature treats every conceivable topic found in southern writing from the pre-Columbian era to the present, referencing specific works of all periods and genres. Top scholars in their fields offer original definitions and examples of the concepts they know best, identifying the themes, burning issues, historical personalities, beloved icons, and common or uncommon stereotypes that have shaped the most significant regional literature in memory. Read the copious offerings straight through in alphabetical order (Ancestor Worship, Blue-Collar Literature, Caves) or skip randomly at whim (Guilt, The Grotesque, William Jefferson Clinton). Whatever approach you take, The Companion's authority, scope, and variety in tone and interpretation will prove a boon and a delight. Explored here are literary embodiments of the Old South, New South, Solid South, Savage South, Lazy South, and "Sahara of the Bozart." As up-to-date as grit lit, K Mart fiction, and postmodernism, and as old-fashioned as Puritanism, mules, and the tall tale, these five hundred entries span a reach from Lady to Lesbian Literature. The volume includes an overview of every southern state's belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the American psyche. The South's lavishly rich literature provides the best means of understanding the region's deepest nature, and The Companion to Southern Literature will be an invaluable tool for those who take on that exciting challenge. Description of Contents 500 lively, succinct articles on topics ranging from Abolition to Yoknapatawpha 250 contributors, including scholars, writers, and poets 2 tables of contents — alphabetical and subject — and a complete index A separate bibliography for most entries
